SATURDAY EVENING JAN. 27, 1883.

A PRISONER'S RUSE.

Eating Soap and becoming so Emaciated That the Doctors Were Despondent.

A case almost unprecedented in Ohio has just occurred in the office of Governor Foster, at Columbus, which is no more or less than the revocation of a pardon unconditionally granted by Governor Foster on the 19th of October last.

It has been recently ascertained that the pardon was secured by fraud, and that Knapp had been chewing soap for some time in the prison, thus causing the frothy, sickly hue of his countenance, which might be mistaken for tuberculous degeneration of the lungs.

But once before in the history of Ohio has such a course been taken. During the administration of Governor J. D. Cox, a similar thing was done and the prisoner returned to the penitentiary.

Legal advice given by Governor Foster has been to the effect that as the pardon was obtained by fraud, it is without any force or effect and Knapp was, therefore, an escaped convict.

"Old birds are not caught with chaff." Therefore seek and find the pure golden grains of health in Kidney-Wort. Women, young or old, married or single, if out of health, will be greatly benefited by taking Kidney-Wort.

"That hacking cough can be so quickly cured by Shiloh's Cure. We guarantee it. For sale by H. B. Cochran, druggist, 137 and 139 North Queen Street."

Head of Downy Hair. All heads seem bald to the rheumatic. Then harken ye peevish sufferers! Apply Dr. Thomas' Electric Oil to your itching joints and muscles. Rely upon it that you will experience speedy relief.

A REAL SKIN CURE.

THERE IS ONLY ONE AND THAT WITH SIMPLE NAME.

Beware of impostors, pirates, or any other articles which now suddenly claim to be best. They have been tried and found wanting, while this has been proved a remarkable success.

NO POMPOUS NAME. This curative needs no pompous or incomprehensible title of Greek or Latin to sustain it, but its simple English name appeals directly to the common sense of the people.

Dr. C. W. Benson has long been well known as a successful physician and surgeon, and his life study has been the diseases of the nervous system and of the skin; since he has been persuaded to put his New Remedy and fastidious prescription as a "Skin Cure" on the market, various things have sprung up into existence, or have woken up from the slumber state in which they were before, and now claim to be The Great Skin Cure.
