Little Things.
A good-bye kiss is a little thing. With your hand on the door to go. But she took the love out of the kiss. It was a thoughtless word or a cruel fling that you made an hour ago.
A kiss of greeting is rare and rare. After the toll of the day's plow and the lines on the forehead you once called "The lines that have flown away."
"It's a little thing to say, 'You are kind,' and then to follow her up with a high order. But it sends a thrill through your heart. I wish I could do the love gradually less and less. For love is tender, love is blind, and we climb life's rugged height.
We starve each other for love's caress. It's a little thing to say, 'You are kind,' and then to follow her up with a high order. But it sends a thrill through your heart. I wish I could do the love gradually less and less. For love is tender, love is blind, and we climb life's rugged height.
