CELEBRATION OF THE FOURTH OF JULY.—Last year, Ravensden had an old fashioned celebration of the "Glorious Fourth"—one that gave more satisfaction and was productive of more real enjoyment than any that has been had here for years—and the success which attended it has been a stimulus to our citizens to have another of the "same sort" this year.

A meeting of citizens favorable to a celebration was held at the office of P. B. COLEMAN, Esq., on Friday evening last, at which the preliminary steps were taken. The following gentlemen were appointed a Committee of Arrangements: E. P. BRAHMER, S. D. HARRIS, Jr., H. C. RANNEY, J. S. LEFFINGWELL, FRANK FORD, H. R. W. HALL and JAMES W. SOMERVILLE. A Committee of Finance was also appointed, consisting of J. S. HERRICK, J. T. GREEN and R. B. WITTER.

At a meeting of the Committee of Arrangements on Saturday evening, the following appointments and committees were made: President of the Day—Hon. WILLIAM COOLMAN. Vice Presidents—E. S. HARMON, Aurora; H. E. BRUSH, Atwater; Lydia Underwood, Brimfield; Chauncey B. Curtis, Charlestown; John Webber, Deerfield; William D. Davis, Edinburg; P. C. Bennett, Freedom; Marvin Kent, Franklin; Simons Rider, Hiram; A. J. Squire, Mantua; John M. Tilden, Nelson; David Johns, Palmyra; Daniel B. Catta, Paris; Justin Beldin, Randolph; James Wright, Rootstown; Charles Streator, Shalersville; William Paulus, Suffield; Harvey Baldwin, Streetsborough; E. L. Williams, Windham.

Chaplain—Rev. J. C. HART. Orator of the Day—Hon. J. A. GARFIELD. Reader of the Declaration.—Hon. LUTHER DAY. Marshal—WILLIAM STEEDMAN. Assistant Marshals—A. J. JENNINGS, H. H. COE. Committee on Toasts—John L. Ranney, E. Spalding, Alphonso Hart, H. H. Willard, P. B. Conant, J. D. Horton. Committee on Fire Works and Artillery—E. S. Conatock, C. S. Cotter, J. S. Leffingwell. Committee on Music—J. T. Green, A. A. Harris, P. B. Conant. Committee on Printing—J. S. Herrick, H. R. W. Hall, J. W. Somerville.

On motion it was Resolved, That the celebration be held in the village instead of at the Fair Grounds. It is the intention of the Committee to have the celebration, in quality and quantity, as near like that of last year as possible; and as a celebration of this kind, apart from its social features, which are incalculable, is of immense benefit to a town, we hope their efforts will be generously seconded by our citizens. Next week, we shall probably be able to give our readers the order of exercises on the Fourth.

COMMENCEMENT AT HIRAM.—The annual commencement exercises of the Western Reserve Eclectic Institute, at Hiram, took place on Thursday last, and notwithstanding the drizzling rain which prevailed in the morning, the attendance was very large. The exercises were somewhat damaged in the morning by an accident happening to the large tent which is used on these occasions. It being improperly secured, a heavy gust of wind raised the canvas on one side, sending it from top to bottom. The exercises were then held in the Hall of the Institute and in the Church, both of which buildings were insufficient to accommodate the crowd.

The morning's entertainment commenced with "Hail! Fetal Day!" by the Eclectic Glee Club. Then followed essays from Elizabeth A. Woodward, Lordstown, "A Page from the Book of Life"; Addie M. Robbins, Solon, "South Sea Islands"; and Myra E. Robbins, Solon, "Sugar-coated Pills." Misses Eliza E. Clapp, of Hiram, and Mattie Radolph, of Garrettsville, read a number of short, well written and lively essays, entitled "Moses," "Commencement Day," "To Editors," "Rivers," and "Hints." Miss Louisa M. Letcher, of West Union, read an essay, "Knights of the Round Table." Miss Sabrina M. Casron, of Auburn, one entitled "Isabella of Spain"; Miss Mary E. Turner, of Cleveland, "At Home and abroad." An ingenious comparison of Society and Music was made by Henrietta M. James, of Troy, in an essay entitled, "We're all Singers." "The Muses or the Crowning of Florence Nightingale," was a colloquy laudatory of the heroine of the Crimea, in which the Muses were represented by young ladies appropriately costumed. It was a fine piece and well rendered. A discussion on the question "Is the Government of the United States superior to that of Great Britain?" took place, in which J. W. Nelson, of Auburn, and H. C. Norville, of Brecksville, sustained the affirmative, and M. J. Richards, of Solon, and H. D. Carlton, of Hiram, the negative.

In the afternoon, the tent having been removed to a less exposed situation, the exercises were held in it. Orations were delivered as follows: "The Beautiful an Educator," by F. M. Green, of Sharon; "Egotism," by Amzi Atwater, of Mantua; "Japan and the Japanese," by S. P. Newcomb, of Hiram; "The March of Empire," by H. S. Gianier, of Bedford; "The Heir of the Ages," by T. H. Mason, of Niles; "Dueling," by L. I. Brown, of Freedom; "The teachings of the Revolution," by C. A. Dudley, of

Freedom; "Sir John Franklin," by H. C. White, of Newbury; &c. The Valedictory Address—"Individual Worth"—was delivered by F. A. Williams, of Ravensden.

The exercises throughout were alike creditable to students and professors, evincing a thorough and systematic course of training by the latter, and a proper appreciation of their advantages by the former. The stockholders of the Institution held a meeting on Thursday for the purpose of electing Trustees for the ensuing year. With but one exception, the members of the old Board were re-elected. They are as follows: ALVA UDALL, Hiram; T. Rudolph, Hiram; HARTWELL RIDER, Hiram; AARON DAVIS, Bazetta; F. WILLIAMS, Ravensden; Alva Udall was re-elected President of the Board, and T. Rudolph, Treasurer.

FINE STRAWBERRIES.—Last week, Dr. I. S. KING, of this village, presented us with a tastefully arranged basket of fine strawberries, consisting of twelve different varieties, which were gathered from his grounds. In point of size and flavor they cannot be surpassed. Dr. K., who is both a theoretical and practical florist, has recently laid out several acres of land in the south-western part of Ravensden, into a garden, and is now prepared to furnish our citizens with almost every description of plants, vines, etc. Lovers of flowers would do well to call and examine his selection.

FOR BALTIMORE.—On Friday morning, SAM'L D. HARRIS, Jr., will leave Ravensden to take his seat as one of the Delegates from this Congressional District in the National Democratic Convention at Baltimore. The course of Mr. H. at Charleston having been sustained by the Democracy of this county, we have no doubt but that the same firmness and honesty which characterized his action at Charleston will be exhibited at Baltimore.

CHANGE OF TIME.—On Monday, a slight change was made in the Time Table of the Cleveland & Pittsburgh Railroad, by which the evening Express train will hereafter leave Cleveland at 5:53 P. M., instead of 6:40, and arrive at Ravensden at 7:55 P. M., instead of 8:32.

TRIBUTE OF RESPECT.—At the Quarterly Meeting Conference of the M. E. Church, held at Ravensden Station, on the 9th inst., the following resolutions were adopted: WHEREAS, During the last quarter, our beloved brother, Wm. Wadsworth, has been removed from us by death, therefore Resolved, by this Quarterly Meeting Conference, that we deeply feel the loss of our brother, in whose life was manifested a strict adherence to the principles of Christianity, and a deep interest in the welfare and prosperity of the Church to which he belonged, and that our loss, caused by this dispensation of God's providence, is irreparable, though to him we believe it is eternal gain.

Resolved, That the Secretary furnish a copy of the above resolutions to the widow of the deceased, and to the village papers for publication. S. GREGG, P. E. D. N. FURBY, Secy.

Melancholy Effect of Dissipation.—A Father kills his son.

George Whipperhoost, residing at No 197 Linn-street, has been dissipated for some time, and a day or two since, was attacked with the "irish tremors," and under its influence became a perfect demon. He attacked his mother and sister, while suffering from the disease, choking the former, and biting severely, and displaying such ferocity and malignity that his father and brother were compelled to interfere and use violence to save the women's lives. During the struggle the father struck George a violent blow in the abdomen, which caused his death yesterday; Coroner Carey holding an inquest and the jury returning a verdict in accordance with the facts stated. Of course, the parent of the deceased is not at all to blame for the melancholy result of his accidentally fatal blow.—Cincinnati Press.

Annual Report

OF THE Directors of the County Infirmary of Portage County for the year ending March 31, 1860. To the Hon. Board of Commissioners of Portage County, Ohio: In accordance with the requirements of Statute Law, we submit a report on the condition of the Infirmary, with the names of Paupers cared for during the year, together with the Receipts and Disbursements. Also the amount of Stock on the farm, and crops raised, as per contract of the year.

Table with columns for 'No. of Paupers in charge March 31st, 1859', 'Received during the year', 'Paid G. Clement, Superintendent', 'Labor on Farm', 'Seed wheat and Flour', etc.

Stock on the farm, two pair working cattle, eight cows, six head sheep, and three yearlings, forty-three sheep, and fourteen pigs. There was raised on the farm, wheat, 70 bushels; oats, 408 do; rye, 16 do; corn, in the ear, 150 do; potatoes, 700 do; white beans, 30 do; rutabagas, 120 do. There was gathered on the farm, 12 bushels of beets, 10 do; parsnips, 10 do; 60 heads cabbage. There was put down last fall 2500 lbs pork and 200 lbs beef. One hundred and twenty-two lbs wool shorn from sheep and manufactured into cloth.

There is due the Infirmary, avails of paupers' property, three hundred and fifty-one dollars and sixty-nine cents, and for the year (1859) except out of fifty-six dollars and sixty-seven cents, due Dec. 24th, 1859. You will see by reference to last year's report that there was due the Infirmary four hundred and forty-three dollars and fifty-eight cents, and there would be some cents to be paid out of this amount, of which we have collected and paid into the treasury, and paid out of the treasury, and the amount of \$92 50. You will see that the amount of \$92 50, exceeds of expenses over former years in owing to the two last items in the above report, also the item of "Att'y's fees and costs, and what should be made \$104 52. This deducted from the total will leave an amount, in proportion to the number of paupers cared for during the year, as low as at any former year.

THE ONLY DISCOVERY

RESTORING THE BALD AND GRAY. Many, since the great discovery of Prof. Wood, have attempted to imitate his Restorative, but profess to have discovered something that would produce results identical; but if you have all come, being carried away, by the wonderful results of Prof. Wood's preparation, and have been forced to leave the field to its restorer, read the following:

Both, Maine, April 18, 1859. Dear Sir, I have been afflicted with the loss of my hair for many years, and have tried every preparation that has been offered to me, but without success. I have been told that your Restorative would cure me, and I have bought a bottle, and used it with universal success. I will ask as a favor, that you send me a test, by which I can discover if your Restorative is the same as the one I have used, and if so, I will be glad to give you a testimonial. I am, Sir, your obedient servant, J. W. WOOD, Proprietor, 414 Broadway, New York, and 124 Chestnut St., Philadelphia.

Prof. O. J. Wood & Co. Gent.—The letter I wrote you in 1856 concerning your valuable Hair Restorative, and which you have published in this vicinity and elsewhere, has given rise to numerous enquiries touching the facts in the case. The enquiries are, first, is it a fact of your habit and name, as stated in the communication; second, is it true of all therein contained; third, does it really contain what is in good order and of natural color? To all I can do an answer invariably yes. My hair is even better than in any former year, and I feel more soft, thick, and better colored; the same is true of my whiskers, and the only cause why it is not generally true, is the want of follow as with the hair. I have been in the receipt of a great number of letters from all parts of New England, asking me if my hair still continues to grow, as there is so much said in the manufacture and sale of various compounds as well as this, it is not my intention to have been used, not only without any good effect, but to absolute injury. I have not used any of your Restorative for many years, and I have examined my hair as good as ever, and hundreds have examined it, and say it is in good order, and to prove the fact, I send you a lock of my hair taken the past week. I received your favor of two quart bottles last week, for which I am very grateful. I gave it to my friends and they indeed thank me to try it. Many are skeptical until after they have purchased, and used it with universal success. I will ask as a favor, that you send me a test, by which I can discover if your Restorative is the same as the one I have used, and if so, I will be glad to give you a testimonial. I am, Sir, your obedient servant, J. W. WOOD, Proprietor, 414 Broadway, New York, and 124 Chestnut St., Philadelphia.

Prof. O. J. Wood's Hair Restorative. I would certainly be doing you a great injustice not to make known to the world, the wonderful, as well as the unexpected results I have experienced by using every kind of your Hair Restorative. After using every kind of Restorative, but without success, and finding my hair nearly lost, I was finally induced to try a bottle of your Hair Restorative. Now, can you put in getting up to announce to whoever may read this, that I now possess a new and beautiful growth of hair, which I pronounce richer and handsomer than the original was. I will therefore take this occasion to recommend this invaluable remedy to all who may feel the necessity of it. Respectfully, yours, REV. S. ALLEN BRUCK, 8-10 Chestnut St., Philadelphia.

THE R store is put up with bottles of three sizes, viz: large, medium, and small; the small holds a pint and contains for one dollar per bottle; the medium holds at least two dollars per bottle; the large holds at least four dollars per bottle. U. J. WOOD & Co., Proprietors, 414 Broadway, New York, and 124 Chestnut St., Philadelphia.
