SANDS'S SARSAPARILLA.
FOR THE REMOVAL AND PERMANENT CURE OF ALL DISEASES ARISING FROM AN IMPURE STATE OF THE BLOOD, OR HABIT OF THE SYSTEM.
NAMESLY:
Scrofula, or King's Evil, Rheumatism, Obsolete Cutaneous Eruptions, Pimples, or Pusules on the Face, Blotches, Biles, Chronic Sore Eyes, Ring Worm or Tetter, Scald Head, Enlargement and Pain of the Bones and Joints, Stubborn Ulcers, Syphilitic Symptoms, Sciatica, or Lumbago, and diseases arising from an injudicious use of Mercury, Ascorbic, or Dropsy, Exposure or imprudence in Life. Also, Chronic Constitutional Disorders will be removed by this Preparation.

The following certificate is from a gentleman who lost the whole of his nose from a severe Scrofulous disease. It speaks for itself.

BROOKLYN, Nov. 25, 1842.
Messrs. Sands: Gent.—Although I am disfigured and deformed for life, I have not lost my recollection; and never, while I exist, shall I cease to feel grateful for benefits conferred, through the use of your invaluable Sarsaparilla. I was attacked in the year 1828 with a scrofulous affection on the end of my nose, commencing with a small red spot, attended with itching and burning sensations. This induced rubbing, and now commenced the ravages of a disease which progressed as follows: the left nostril was first destroyed, and, continuing upwards, it crossed the bridge of the nose and, seizing upon the right side, destroyed the cartilage, bone and all the surrounding parts, until, finally, the nose was entirely eaten off; the passage for conveying tears from the eye to the nose obliterated, which caused a continual flow of tears. The disease now seized upon the upper lip, extending to the right cheek, and my feelings and sufferings were such as can better be imagined than described. I am a native of Nottingham, in England, and my case is well known there. The first Physicians in the Kingdom prescribed for me, but with little benefit. At one time I was directed to take 63 drops of the "Tincture of Iodine" three times a day, which continued for six months in succession. At another time I applied Oil of Vitriol to the parts. After this used a prescription of Sir Astley Cooper's, but all proved in vain. I continued to grow worse, and as a drowning man will catch a straw, I used every remedy I could hear of that was considered applicable to my case, until I became disgusted with the treatment, and relinquished all hope of ever getting well.
Many pronounced the disease a Cancer, but Dr. M., under whose treatment I was, considered it Scrofulous Lupus, and this is the name given it by medical men. As a last resort I was recommended to try change of air and an Atlantic voyage, and in April last I sailed for America, and arrived here in the month of May. The disease continued gradually to increase, extending upwards and backwards, having destroyed the entire nose, and fast reaching towards the frontal bone, it raised upon the upper jaw and surrounding parts.
While crossing on the Ferry-boat from Brooklyn to New-York, a gentleman was attracted by my appearance and thus accosted me: "My friend, have you used the Sarsaparilla?" Yes, replied I, various kinds, and every thing else I could hear of; but, said he, "I mean Sands's Sarsaparilla!" No, I replied. "Then use it, for I believe it will cure you." Being thus addressed by a stranger, I was induced to make trial of a medicine he so highly recommended. I purchased one bottle, which gave some relief, and wonderful to tell, using your Sarsaparilla less than two months, I feel within me well. The disease is stopped in its ravages, all those racking and tormenting pains are gone, my food relishes, my digestion is good, and I sleep well; and under the blessing of Divine Providence, I attribute the result entirely to the use of Sands's Sarsaparilla. With the desire that the afflicted may no longer delay, but use the right medicine and feel cured.
I remain, with feelings of most grateful gratitude,
Your friend,
THOMAS LOYD,
Nutris Alley, Pearl street,
STATE OF NEW-YORK. On the 25th day of City of Brooklyn, 25th November, 1842, before me came Thomas Lloyd, and acknowledged the truth of the foregoing paper, and that he executed the same.

Mayor of the City of Brooklyn.

The Citizens of Brown county, who are laboring under diseases arising from impurities of the blood—should ever despair of being brought to a sound state of health until they have tried **Wright's Indian vegetable Pills.**
They are the most efficient medicine ever introduced to the public for all diseases arising from impurities of the blood.
Wright's Indian Vegetable Pills will always prove an easy, safe and efficient remedy. In the following diseases: Bilious intermitting, remittent & inflammatory fevers;—fever & Ague, jaundice, cholera morbus, nausea, liver complaint, habitual costiveness, dyspepsia, dropsy, apoplexy, sick head aches, colds, coughs, consumption, asthma, & all diseases arising from impurities of the blood.
It should be remembered, when the thermometer stands at ninety degrees in the shade, that the process of digestion is performed with such extreme languor, that our food instead of being speedily dissolved and converted into nutriment for the body, often becomes actually spoiled, or putrified in the stomach. Hence bad breath, disagreeable taste in the mouth, cholice, palice, dysentery, cholera morbus, INFLUENZA, and other diseases.
Wright's Indian Vegetable Pills are a certain cure for all the above dangerous complaints; because they cleanse the alimentary canal from all those bilious and putrid humors, which are the cause, not only of all disorders of the bowels, but of every malady incident to man.—They also aid and improve digestion and purify the blood, and therefore give health and vigor to the whole frame, as well as drive pain of every description from the body.
It should be remembered, all genuine medicine has Wright's Vegetable Pills neatly printed on the sides of the boxes and that if the word Wright's cannot be found, all is positively wrong.
AGENT for the sale of the above named Wright's Indian Vegetable Pills, at Georgetown, D. J. STEWART.
