**DOCTOR SHERMAN'S**  
Medicated and Fancy Lozenges War house, 147 Main street, between Third and Fourth, Cincinnati, Ohio.  
Sherman's Cough Lozenges,  
Are the safest, most pure and effectual remedy for Coughs, Colds, Consumption, Whooping Cough, Asthma, Tightness of the Lungs or Chest, &c. &c. The proprietor has never known an instance where they did not give perfect satisfaction. Several thousand boxes have been sent within the last year, restoring to health persons in almost every stage of consumption, and those laboring under the most distressing hoarseness and coughs. They do not check and dry up the cough, but render it easy, promote expectation, allay the tickling or irritation, and remove the proximate or exciting cause.  
The Rev. Dr. Eastmond, of New York, gave a few to a lady, a friend of his, who had been given up by her physician and friends as a lost case of consumption. The first Lozenge gave her considerable relief, so that she was encouraged to persevere in their use; and through the blessings of God they restored her to perfect health.  
Mr. G. T. Matthews, 8 Caroline st., suffered a year with a hard, tight cough, pain in the side, spitting of blood, and all the usual symptoms of consumption. The Lozenges relieved him immediately, and in a few weeks restored him to perfect health. He says they are the greatest cough medicine in the world.  
Over 3,000 persons have given their names within the last year as a reference of the wonderful virtues of these Cough Lozenges. They cure all recent cases in a few hours, seldom requiring more than one day to entirely eradicate the most distressing ones.  
A supply of these valuable Cough Lozenges just received by D. J. Stewart, Georgetown, 1 Murphy, Ridgway & Co., Ripley.  
(Priced only 25 Cents per Box.)

Many diseases arise from worms and occasion long and intense suffering and even death, without their ever being suspected; grown persons are very often afflicted with them, and are doctored for various complaints, without any benefit; when one dose of these Lozenges would speedily cure them.  
SYMPTOMS OF WORMS.—Pain in the joints or limbs, offensive breath, picking at the nose, grinding of the teeth during sleep, and at times a paleness about the lips with flushed cheeks; bleeding at the nose, a gnawing at the stomach, Bashes of heat over the surface of the body, slight chills or shiverings, headache, drowsiness, vertigo, torpor, disturbed dreams, sudden starting in sleep with fright and screaming; sometimes troublesome cough, feverishness, thirst, pallid hue, fits, bad taste in the mouth, difficult breathing, pain in the stomach and bowels, fatigue, nausea, squeamishness, voracious appetite, leanness, bloated stomach or limbs, griping, shooting pains in various parts of the body, a sense of something rising in the throat, itching of the anus towards night, a frequent desire to pass something from the bowels, and sometimes discharges of slime and mucus.  
Dr. Galen Hunter, 108 Sixth Av., knew a child that was cured of fits by these Lozenges after three years suffering, and when nothing else would give the least relief. He has used them in his practice for the last two years in several hundred cases, and always with success. A boy on board one of the Havre Packet was cured of fits by only one dose of them.
