The People's Medicine.

The pleasantest, cheapest, and best in the world. SHERMAN'S MEDICATED LOZENGES. SIX YEARS of extensive use, and the commendation of over One Hundred Towns, has placed their reputation far above every other preparation. The demand is constantly increasing and agencies are being established in every inhabited part of the world.

CHILDREN DIE FROM WORMS.

After months of great suffering, when one box of Sherman's Worm Lozenges would have cured them, and saved their lives. Many are thus afflicted and are doctored for something else, without the least relief. Even adults are thus troubled, and very commonly too. The following symptoms may be considered as usually attending them:—Pain in the joints of limbs, offensive breath, picking at the nose, grinding of the teeth during sleep, and times a paleness about the lips with flushed cheek; bleeding at the nose, a gnawing sensation at the stomach, flashes of heat over the surface of the body, slight chills or shiverings, headache, drowsiness, vertigo, torpid, disturbed dreams, sudden starting in sleep with fright and screaming, a vomiting, a troublesome cough; feverishness, thirst; pallid hue; flatulence in the mouth, difficult breathing; pain in the stomach or bowels; faintness; nausea; squeamishness, voracious appetite, leanness, bloated stomach or limbs; griping; shooting pains in various parts of the body, a sense of smothering rising in the throat; itching of the anus towards night; a frequent desire to pass something from the bowels; and sometimes discharges of slimy mucus.

Headache and Seasickness.

Palpitation of the heart, loss of spirits, and despondency, are immediately relieved by Sherman's Camphor Lozenges. Persons traveling or attending crowded parties will find them to relieve all fatigue and give buoyancy to the spirits. After a night's disipation they dispel all those unpleasant sensations so usually following the too free use of wine. Temperance people will find them soothing to the disturbed nerves of their new converts. The most distressing headache yields to these lozenges in less than ten minutes. The over fatigued mind or body cannot find so great relief from any other article.—Capt. Chadwick, of the Packet ship Wellington, on J. W. Cochrane, Esq., the inventor of the many chambered cannon, His Excellency John Tyler, Joseph B. Nones, Esq., Rev. Dr. Allen, W. H. Articles, Esq., Editor of the New York Herald, and hundreds and thousands of others, who have experienced relief from them can be referred to as to their great value. Scarcely a ship leaves New York without a supply of Sherman's Lozenges and they are now principal articles in the medicine chests of our ships of war. G. W. Dixon, the celebrated pedestrian, was enabled to walk 72 hours without sleep or rest, by using these lozenges.

Notice.

The undersigned will hereafter practice law partnership, in the several courts of Brown county Ohio. Their office is in front of the court house where they will always be found, unless absent on professional business. All matters confided to their care will be attended to with fidelity and punctuality.

Old VIRGINIA never breaks her faith.

And Rip Van Winkle rouses; KENTUCKY balances the foe, And faction tears his trowsers, Then mount together The Eagle feather— We're not the lads to tarry, When men who steal And cut and deal, Are playing cards with Harry. Then mount together, &c.

The Pikes and Hoosiers spring to arms.

The Wolverines are high, sir;— The trusty Buckeyes grasp their arms, To conquer or to die, sir In pride they gather, In spite of weather, Their lawful rights to carry, Election fair— Of power a share— Against the will of Harry. Then mount together, &c.

Brave LOUISIANA makes her bow.

To ever true MISSOURI, And INDIANA comes it now, With more than Lion fury. They mount together, With Eagle feather— They're not the lads to tarry, When men who steal, And cut and deal, Are playing cards with Harry. Then mount together, &c.

The Granite hills and laurel plains.

Will never bend the knee, sir, The GRONZOA may prefer her claims, With falcon TENNESSEE, sir, Then mount together The Eagle feather— You're not the lads to tarry, When men who steal And cut and deal, Are playing cards with Harry. Then mount together, &c.

A Nation's shout is thundering out.

Above the din of Babels, And rag-men quail, and spendthrifts fall For hear's has turned their tables. We'll mount together The Eagle feather— We're not the lads to tarry, When men who steal And cut and deal, Are up and out for Harry. Then mount together, &c.
