AYER'S Ague Cure, FOR THE SPEEDY CURE OF Intermittent Fever, or Fever and Ague, Remittent Fever, Chill Fever, Dubay Ague, Periodical Headache, or Bilious Headache, and Bilious Fevers, indeed for the whole class of diseases originating in bilious derangement, caused by the Malaria of miasmatic countries.

No one remedies a fever called for by the miasmatic of the American people than a sure and safe cure for Fever and Ague. Such we are now enabled to offer, with a perfect certainty that it will eradicate the disease, and with assurance, founded on proof, that no harm can arise from its use in any quantity.

That which protects from or prevents this disease must be of immense service in the communities where it prevails. Prevention is better than cure, for the patient escapes the risk which he must run in violent attacks of the miasmatic poison of Fever and Ague. It is not only the best remedy ever yet discovered for this class of complaints, but also the cheapest. The large quantity we supply for a dollar brings it within the reach of every body; and in bilious districts, where Fever and Ague prevails, every body should have it, and use it freely both as a preventive, and as a cure. It is sold in bottles of 25 cents, 50 cents, and 1 dollar. It is sold in bottles of 25 cents, 50 cents, and 1 dollar. It is sold in bottles of 25 cents, 50 cents, and 1 dollar.
