OHIO RACE IS CLOSE; DRY ISSUE DEFEATED.

Three Amendments Fail of Passage.

HOME RULE HAS SHOW

Hogan Loses Senatorial Race to Harding.

STATE CASTS HEAVY VOTE.

Prohibition Forces Make Good Race in Small Towns and County Districts, but Are Routed in Large Cities. Progressive Vote Throughout the State is Very Small—Soldiers' Home Strong For Willis—Many Changes in Vote From Two Years Ago.

Columbus, Nov. 4.—Both Republicans and Democratic state managers claim Ohio on the governorship. The result is very much in doubt, with returns coming in slowly from the rural counties, which returns will, in all likelihood, determine the contest.

Cuyahoga county has given Cox a plurality of about 10,000. Hamilton has gone for Willis. Franklin gives Cox about 5,000 plurality, while Lucas apparently has given the governor a similar margin. Returns from the smaller counties are extremely meager, interest in the wet and dry amendments having prompted the election officials to count this ballot first.

Late returns indicate the election of 16 Democrats and five Republicans to congress. The Republicans are N. Longworth, First district; J. D. Russell, Fourth; S. D. Pess, Seventh; R. M. Switzer, Tenth; Roscoe McCullough, Sixteenth.

Warren G. Harding has won his contest for the United States senatorship against Timothy S. Hogan.

Returns indicate the defeat of three proposed constitutional amendments, including prohibition, suffrage and classification of property for taxation. The home rule proposal is in doubt. It may carry. Suffrage is beaten by an even greater majority than two years ago.

Advices from Sandusky county, which two years ago gave Cox 2,500, say the county may be carried by Willis by 800, a net Republican gain of 3,300.

Cox carried Huron county by 600 in 1912. Returns now indicate it has given Willis a plurality in excess of 2,000, a Republican gain of 2,600.

Progressive Vote Light.

The Progressive vote throughout the state was very light. It may not exceed six or seven votes to a precinct, as contrasted with 40 in 1912.

The Soldiers' home at Dayton gave Willis a plurality of 600. This is another surprise, since Cox carried this home in 1912 for governor and easily carried it when he ran for congress.

Montgomery showed a plurality for Cox of about 4,000.

Impartial estimates are that Cox carries Franklin county by 5,000, or 6,000, as compared to 1,000 in 1912.

The small counties of Ohio will decide the gubernatorial race, but the indications are that Governor Cox will carry the state by a narrow margin.

Licking county is claimed by the Republicans, as is Jefferson. Summit will give Cox a plurality of 1,000.

Fayette county is reported Republican by 800. Williams county, a Democratic stronghold, is claimed for Willis by 500. Willis also has a lead in Van Wert county.

REPUBLICAN PARTY BACK IN THE SADDLE

Whitman Wins in New York.

PROGRESSIVES IGNORED

"Uncle Joe" Cannon "Comes Back" to Congress.

PENROSE IS ALSO A WINNER

Chief judge of the New York court of appeal, is 1882.

James W. Wadsworth of Geneva is elected United States senator from the state of New York over James W. Gerard, United States ambassador to Germany, by a plurality somewhat less than that given to District Attorney Whitman. Mr. Wadsworth will be one of the youngest members of the upper house of the national congress and the youngest ever to represent the state of New York in the United States senate. He married the elder daughter of the late Secretary of State John Hay.

The total vote for William Sulzer for governor, impeached and thrown out of the governor's chair a little more than a year ago, running on the American and Independence league tickets, will total about 150,000. In most parts of the state Sulzer ran ahead of Frederick W. Davenport.

Mississippi.

Jackson, Miss., Nov. 4.—The Democrats had little or no opposition in the congressional election, all their candidates being elected.

Underwood Promoted.

Birmingham, Ala., Nov. 4.—Alabama elected a full Democratic state ticket, a solid Democratic delegation to congress and Oscar W. Underwood to the United States senate.

North Carolina.

Raleigh, N. C., Nov. 4.—L. S. Overman, Democrat, was elected to the United States senate. There was little opposition. Ten Democratic congressmen were elected.

Hooper Defeated.

Memphis, Nov. 4.—On returns throughout the state the prediction is based that General Thomas C. Rye, Democratic candidate for governor, has defeated Ben W. Hooper, Republican, present incumbent.

New Hampshire.

Concord, N. H., Nov. 4.—Based on returns from 40 out of 240 towns and wards, the Republicans have carried the state for governor by about 90,000 and have elected Gallinger for the senate by about the same plurality.

Colorado.

Denver, Nov. 4.—Returns indicate that Charles S. Thomas, Democrat, has been re-elected to the United States senate, George A. Carlson, Republican, and Thomas M. Patterson, Democrat, are running neck and neck for governor, with both sides claiming victory.

South Carolina.

Charleston, S. C., Nov. 4.—The entire Democratic ticket was overwhelmingly elected. Ellison D. Smith is returned United States senator and Richard I. Manning is elected governor to succeed Cole N. Blease. The seven Democratic congressmen were re-elected.

Rhode Island.

Providence, R. I., Nov. 4.—Returns show a clean sweep for Republicans all over Rhode Island. The Progressives generally returned to the fold, while Democratic workmen out of employment deserted their party candidates. Beekman was elected governor by 9,000.

Hoke Smith Lands.

Atlanta, Ga., Nov. 4.—Hoke Smith and T. W. Hardwick, Democrats, were elected to the United States senate over C. W. McClure and G. R. Hutcheson, Progressives, by an overwhelming majority. Smith succeeds himself and Hardwick will fill the unexpired term of the late Senator A. O. Bacon.

Oregon.

Portland, Ore., Nov. 4.—Indications point to Oregon having gone Democratic for senator; independent for representative and Republican for governor by what is termed the closest race ever known in the state. Chamberlain seems sure of returning to the senate, as is Lafferty to the lower house.

Wisconsin.

Milwaukee, Nov. 4.—Phillip, Republican, is elected governor, according to present indications, by about 30,000 as a minimum estimate of his plurality. The state will supplant two of its Democratic congressmen with Republicans. McGovern, Republican, is running behind Husting, Democrat, for United States senator.

Michigan.

Detroit, Mich., Nov. 4.—Reports indicate that Governor Ferris has been re-elected by approximately 25,000. This is virtually the plurality he will have in Detroit. Republicans here went en masse to the Democratic governor. Congressman Doremus, Democrat, has been re-elected in the First district by approximately 5,000.

Our Presbyterian ladies gave a chicken supper in our Town Hall Saturday night for twenty cents, the menu consisting of a numerous variety of good things in addition to chicken, their venture adding something worth while to their treasury.

Squaw winter is among the things of the past and its work pretty well dried up vegetation, and following it we will have Indian summer to help the farmer with his ingathering.

In the year 1914 we were favored with two Halloweens, one on Friday night and the second one on Saturday night following, thus making sure of having no failure in due observance of the festival. Nothing like having plenty of a good thing.

I. B. Miller was a visitor at Versailles yesterday and heard Rev. Flory of Covington discuss the wet and dry issue. Think that question was pretty well threshed over and over again.

Opportunity was thus furnished for everybody to be informed concerning the merits and demerits of both sides of the question, and if any person failed in getting his share of information it was his own fault. Be it as it may, we have arrived at a time when the scene changes, when the windstorm ceases a pour of ballots takes place and what that will be is something of conjecture, but the result will be known ere this publication. It is hoped that the best possible for the welfare of the people will result.

George Mannix, Jr., and C. Rayburn were here last Thursday night and gave Democratic deliverances in our Town Hall to a good sized assembly.

C. J. Miller and family were visitors with Harry Leiter's family at Lewisburg last Sunday.

John M. Moul, J. H. Moul, P. B. Moul, I. H. Reck and Z. T. Myers attended Masonic meetings and banquet at Piqua last week. It is reported that they enjoyed the occasion quite well.

It Really Does Relieve Rheumatism

Everybody who is afflicted with rheumatism in any form should by all means keep a bottle of Sloan's Liniment on hand. The minute you feel pain or soreness in a joint or muscle, bathe it with Sloan's Liniment. Do not rub it. Sloan's penetrates almost immediately right to the seat of pain, relieving the hot, tender, swollen feeling and making the part easy and comfortable. Get a bottle of Sloan's Liniment for 25 cents of any druggist and have it in the house—against colds, sore and swollen joints, rheumatism, neuralgia, sciatica and like ailments. Your money back if not satisfied, but it does give almost instant relief.

McKinley Elected Again.

Chicago, Nov. 4.—Returns from the Nineteenth district indicate the election of William B. McKinley, former chairman of the Republican national committee.

Uncle Joe is Re-Elected.

Danville, Ill., Nov. 4.—Indications are that former Speaker Cannon has carried the Eighteenth district by 2,500 over Frank O'Hair, Democratic incumbent.

Whitman Wins in New York.

PROGRESSIVES IGNORED

"Uncle Joe" Cannon "Comes Back" to Congress.

PENROSE IS ALSO A WINNER

Roger Sullivan Captures Illinois Senatorship by Overwhelming Vote in Cook County—Nicholas Longworth Among Republicans Who Gain Admission to Congress—Democrats Carry Massachusetts by Reduced Plurality.

New York, Nov. 4.—C. S. Whitman, Republican, has been elected governor of New York over Governor M. H. Glynn by 150,000 plurality, returns from election indicate. The Republicans also claim the election of J. W. Wadsworth, Jr., for United States senator and returns indicate that such is the case.

Massachusetts again is carried by the Democrats by a plurality of probably 25,000, Governor Walsh being re-elected.

In Pennsylvania Senator Boies Penrose has been re-elected by the Republicans and Martin Brumbaugh has been chosen governor.

Michigan probably is carried again by the Democrats, but Wisconsin's early returns show that the Republicans in that state will elect their governor.

Marion county, in which Indianapolis is situated, has been swept by the Republicans and Miller, Republican, may be elected senator, although Democrats claim the re-election of Senator Shively.

Connecticut, New Hampshire and Rhode Island are found in the Republican column as first returns show, too, that Colorado has been lost by the Democrats.

Former Speaker of the House Joe Cannon has been re-elected to congress from the Danville, Ill., district. Woman suffrage has been defeated in Missouri.

Governor Ben Hooper, Republican-independent, has been defeated, it appears, in his race for re-election in Tennessee.

Democratic senators in the south were re-elected without difficulty, new senators from southern states chosen being Representative Oscar W. Underwood of Alabama and Representative Thomas W. Hardwick of Georgia. Former Governor J. C. W. Beckham, Democrat, of Kentucky, was chosen for the long term.

Francis E. McGovern, Republican, was elected, according to early returns, to succeed Senator Stephenson, Republican, from Wisconsin.

Kentucky.

Louisville, Nov. 4.—Democrats elect two United States senators.

Florida.

Tallahassee, Fla., Nov. 4.—The Democrats have elected Fletcher as United States senator.

Gore Returned.

Oklahoma City, Nov. 4.—Senator Gore, Democrat, has been returned to the United States senate.
