LOCAL NEWS.

—Dean & Easty. —Let us have the street railway by all means.

—A. C. Schermerhorn went to Kansas City this week. —The dust, since the disappearance of the street sprinkler, is a nuisance.

—The mummified Indian maiden has been on exhibition here this week. —Miss Edna Flint, of South Haven, Mich., a niece of Mr. Clement, is the guest of his family.

—Brucks & Co. will occupy the elegant store room in the Kline building now almost complete. —The bridal cake presented by Mr. Heils of the Barton County Bakery to Miss Nora Gibson was a beauty.

—Morrison Bros. have purchased four lots on the east side of the square and will shortly put a planing mill on them. —The side walk along Main street beginning at Bruck's corner and running north a considerable distance is in a deplorable condition.

—The new new town Albert on the Great Bend Extension of the Santa Fe is said to be improving wonderfully fast. Houses are going up and the people are buoyant. —Mr. G. W. Johnson, of the Eagle Hotel has refitted and refurbished the house since it came into his possession and we are glad to learn that he is having a very liberal patronage.

—We have it from a reliable source that a party of B. & M. railroad surveyors were in the north part of the county this week. It is only a matter of time till we shall have this great system also. Great Bend has reason to boom. —D. N. Heizer has let the contract of building a fine business block on Main street to Morrison Bros. From plans we have seen we judge it will be the most elegant structure in the city. We still need more houses of like character. Business property rents readily and at good figures. —A combat of short duration excited the east end of town a few days since. To the classical student it recalls the field of ancient Troy where Minerva girded on the habiliments of mortal combat and led the Grecian hosts to victory. Now is an opportunity for a second Homer to give to the world a second Iliad. —As a matter of news and not an advertisement we will say to our readers that we have never known goods to be sold so cheap as they are now in Great Bend. It is absolutely surprising the amount of goods you can buy for a small amount of money. We will not attempt to give the names of the merchants selling such cheap goods, but we can assure our readers that if they buy of those who advertise liberally, they will not miss it. Look over our advertisers you will see who are selling the goods.

BLACK WOLF!

Or Black Leprosy, is a disease which is considered incurable, but it has yielded to the curative properties of Swirt's Specific—now known all over the world as S. S. S. Mrs. Bailey, of West Somerville, Mass., near Boston, was attacked several years ago with this hideous blighting scourge, and was treated by the best medical talent, who could only say that the disease was a species of

LEPROSY

and consequently incurable. It is impossible to describe her sufferings. Her body from the crown of her head to the soles of her feet was a mass of decay, masses of flesh rotting off and leaving great cavities. Her fingers festered and three or four nails dropped off at one time. The sores assumed a red and ulcerated, and for several years she did not leave her bed. Her weight was reduced from 125 to 50 lbs. Perhaps some fair idea of her condition can be gleaned from the fact that three pounds of Castor-oil or ointment were used per week in dressing her sores. Finally the physicians acknowledged their defeat by this Black Wolf, and commended the sufferer to her all-wise Creator.

Her husband hearing wonderful reports of the use of Swirt's Specific (S. S. S.), prevailed on her to try it as a last resort. She began its use under protest, but soon found that her system was being relieved of the poison, as the sores assumed a red and healthy color, as though the blood was becoming pure and active. Mrs. Bailey continued the S. S. S. until last February; every sore was healed; she discarded chair and crutches, and was for the first time in twelve years a well woman. Her husband, Mr. C. A. Bailey, is in business at 17 1/2 Blackstone Street, Boston, and will take pleasure in giving the details of this wonderful cure. Send to us for Treatise on Blood and Skin Diseases, mailed free.
