LOCAL HAPPENINGS.

One assessment in the A. O. U. W. for November.

Joel Miller was up from Stafford county Monday.

The frost is on the pumpkin about every night now.

Joe Bayer left Saturday for Colorado, where he may remain for the winter.

Some wheat in the county is now four or five inches tall, and still growing.

Ed. Dewey, the sage of Stafford county, was doing business in the city Tuesday.

John Harper was up from Hutchinson peticatin' around here the first of the week.

Attorney John H. Bement of Pawnee Rock, was doing business in court Tuesday.

An ingrate should not be blamed too much. The poor fellow was doubtless born that way.

Hay and fodder command a good price, notwithstanding there is plenty of rough feed in the county.

The commissioners met Friday of last week, canvassed the votes, allowed the election bills, and adjourned.

Miss Katie McDowell came down from Colorado Springs, Tuesday, for a visit of a week or ten days with friends here.

Little Grace Allison gave a birthday party to her young friends, Tuesday at the home of Chas. Allison, on Forest avenue.

Mrs. Ruth Ward Kahn the celebrated reader, was in the city a few days the first of the week, the guest of Mrs. C. Samuels.

Henry H. Hoetscher, aged 29, of Bushton, and Lydia Bunte aged 23, of Ellinwood, procured a marriage license on the 5th inst.

On Monday, the 8th, a marriage license was issued to F. C. Ricker, aged 23, of Bushton, and Miss Alice C. Knop, 21, of Ellinwood.

Mrs. Nick Smith gave a card party last Monday evening, at her home on Broadway, in honor of Mrs. Geo. Brown's and Mrs. Geo. Brinkman's wedding anniversary.

Gus F. Faber, aged 23, and Miss Bertha Gagelman, 21, both of Albert, secured a license to wed, in the probate judge's office, Monday of this week.

Smud Wilkinson was in town Wednesday from Wheatland township. He says there were sixteen voters in that township who did not get to the polls; and about as many in Fairview township.

Archdeacon Watkins will hold Episcopal services in the German M. E. church on Friday evening, at half past seven. Evening, prayer and initiation of Daughters. All are cordially invited.

CASTORIA.

The fact is on every wrapper.

Marriage licenses were issued on the 6th—last Saturday—to John Boor, aged 27, and Louisa Barrow, age 18, both of Odin. Also to Andrew McCullough, 30, and Julietta Bell, 18, both of near Great Bend.

APPLES POTATOES and CABBAGE. A car of each just arrived. See me before buying your winter supplies, as I can and will save you money. We still have a few baskets of those New York Grapes.

ED. F. WINTERBURG, Mgr.

Nicodem Schenk, aged 58, and Theresa Wowerda, 52, both of Olmitz, procured a license and were duly married by Probate Judge Breeden, Tuesday of this week. The DEMOCRAT congratulates this giddy young couple.

Peter and Henry Schartz, two industrious young farmers of Comanche township, were callers on the DEMOCRAT last Tuesday. They say there were 26 voters of the allied silver forces in Comanche township who failed to show up at the polls.

T. G. H. Oneal, for a number of years with the Boston Conservatory of Music, has been in the city a number of days. Mr. Oneal is an expert piano tuner, and will probably make Great Bend his headquarters for a while. He is in Hoisington this week.

Abram Giddens and wife arrived this week from Gypsum City. Mr. Giddens has sold out his interests at Gypsum, and will probably make his home here, on the farm west of town. Mr. Giddens was one of the pioneers of Great Bend, running a blacksmith shop here in the early days.

Vernon Allison, about six years old, was telling a long story about a dream he had the other night. His father, Bob, after listening awhile, asked: "Well, is there any more of it?" to which young America replied: "Yes, I spect there'll be another chapter or two—they's going to be some more nights."

Revival Services are now being held at No. 40. All neighbors and interested friends are strongly urged to turn out and help a little. The presence of the people are especially needed to encourage the pastor, Rev. Baker, in the good work.

At a meeting of the city school board, held this week, it was decided to hire another teacher for the central school building. Reno Thatcher will probably be the one selected. From what we have observed, the schools are badly in need of more teachers.

A dozen or so of the college students, who did not vote the republican ticket were challenged in the second ward and made to swear their votes in. But we did not hear of one of them getting hot under the collar about it and threatening to lick the challenger. That seemed to be the exclusive prerogative of a preacher who was challenged in jest by an anti-republican. Let us hear no more about that challenge—it is a two sided affair, gentlemen.
