### OUR NEIGHBORS.

#### ELLINWOOD.

From the Leader.

The infant boy of Mr. and Mrs. Steve banko died Wednesday evening at six o'clock.

Fall plowing has commenced in some places, but the ground is very dry and a soaking rain is needed before much in that line can be accomplished.

The wheat in this neighborhood is of exceptionally good quality, testing on an average a little over 60 pounds. The yield is from 12 to 20 bushels, as a rule.

Word comes that Ollie Swartz, who has been working at Cheyenne, Wyoming, has joined the Montana volunteer cavalry, and is now on his way to the Phillipine islands.

H. E. Turk, who has been ill for some time with a complication of troubles, is not any better, and his many friends are greatly worried over his condition.

The 18-month old infant of Mr. and Mrs. S. J. Thomas, west of town, died of dysentery and summer complaint. The funeral took place on Sunday afternoon.

We are sorry to learn that H. L. Jackson met with a painful accident Monday evening. He fell out of a hay mow at his farm, breaking a couple of ribs and being otherwise bruised.

The Ellinwood school board met last week and selected the following corps of teachers for the ensuing year: Principal—Albert Dickens, 2nd Intermediate Dept.—Marcellus Miller, 1st Intermediate Dept.—Miss Lucia Miller, Primary Dept.—Miss Lucinda Brewer.

A little volunteer took up his residence Saturday at the home of Seigel Bock and wife, north of town, and Seigel was in setting up the cigars. He believes with Henry Back and Joe Spinker that in these stirring times of war, what the country needs is, more boys.

Some dozen vagrants have been arrested here the past week, and after a sojourn in the cooler, have been run out of town. On account of a large number of strangers here, the city marshal and assistants are holding the bums and disturbers level. In view of the outrages committed in the county recently all suspicious strangers should be made to give an account of themselves or hit the road.

Charley Archer met with quite an accident yesterday morning. He was caught in the belt of a threshing machine, his face scratched and cruised, and his hand badly mashed. The wounds were dressed and Charley is getting along nicely. By a singular coincidence, it was just two years ago to the day, when he was seriously crushed while working with a threshing and laid up for some time.

DIED:—At his home seven miles east of Ellinwood, on Thursday July 21, 1898 at eight o'clock a. m., Carl Roth, aged 71 years and two months. The funeral services were conducted Friday morning from the Evangelic church, Ellinwood, by Rev. Bohnstengel. Mr. Roth was born in Germany on May 20, 1827. He came to this country in 1886, and settled on a farm east of town, where he resided until his death. An aged widow, four sons and one daughter survive him.

#### HOISINGTON.

From the Dispatch.

A. Shultz, Pete Eitel and Ed Baker have purchased new pianos.

A stranger was robbed of \$36 in town on Thursday of last week.

Dr. Koch has bought the Ora Brewer farm for \$1,300. Ora will go to Oklahoma.

Jas. Stitt has been threshing his wheat this week. It turns out about twenty bushels to the acre.

Part of the wheat on W. Whaley's farm is being threshed this week. It yields about 23 bushels per acre.

The tents south of town with their lewd inmates were given three hours notice to leave, Sunday. They left.

The wheat yield seems to average from 12 to 15 bushels per acre. Some fields will go over 30 bushels per acre.

Jim Peugh is having a good substantial residence built on East First street. This looks a little suspicious, Jim.

Frank Coleman is enjoying a visit with his brother, William, who is conductor on a road running out of Atchison.

The Hoisington camp meeting will commence September 10th and last for ten days. Rev. M. Haney will conduct it.

W. F. Phillips, of Graymont, Illinois, arrived in Hoisington last night and is looking after his property interests here.

R. L. Harvey had three horses killed by lightning on his farm in the northwest part of the county a couple of weeks ago.

Crap games seem to flourish in out of the way places, and the local sport who has a sure thing has touched the harvester for various sums.

Wheat is declining in price right along, it now brings from 45 to 55 cents in the market. The farmers

are able to hold the crop and most of them will do so.

Hoisington is great for amusement. She will spend thirty or forty dollars a night on the merry-go-round, and have as much left for the other delicacies on the side.

J. H. Bitner is threshing some of his wheat on the Putham farm this week. It yields about 30 bushels per acre, weighs 60 pounds and he is selling some of it for 57 cents.

Work on the big irrigation ditch continues right along, although with not a very large force at present. It will be some time yet before the water can be turned into the bottoms.

W. W. Sowards threshed a part of his wheat this week. The yield is good, being over 25 bushels per acre and the quality is excellent, testing 62 pounds to the bushel. He received the top price at the mill—56 cents.

Barton county is getting her name up as a terror to evil doers. It is reported in the daily papers that it was a Barton county mob that went down to Halstead and administered a coat of tar and feathers to a man who very richly deserved it.

Work on the Hollywood extension of the Santa Fe railroad has been abandoned for good. We were talking with the superintendent of the bridge and building department at Newton the other day and he informed us of this fact. It was the desire of the company to build this extension and all arrangements had been made to this end when the Union Pacific notified them of a contract entered into some years ago, and which was unknown to the present Santa Fe officials until it was brought to their notice.

#### CLAFLIN.

From the Banner.

The Helfrick boys have purchased a J. I. Case threshing engine.

B. Meyers will soon commence the erection of a fine residence north of Mr. Looney's residence.

Not a vacant house in town and in several instances one roof shelters two or more families. We need more residences and business houses.

Charles O'Brien Jr. has rented the Ed. Grizzel farm, which was heretofore farmed by S. G. Yeo. Mr. Yeo will move to Stafford county.

A girl baby arrived at the home of Mr. and Mrs. Jackson early Friday morning and Mr. Jackson is happy as a man over the first born.

Despite the report that the Santa Fe has abandoned the work on the branch road from Hollywood west, the company is shipping in material every day.

Probate Judge Breedren has purchased the Eynson house now occupied by Mr. Lathrop and will move it onto his lots in the west end of town. Mr. Church will occupy the property.

Clafin and Olmitz crossed bats at Hoisington last Saturday resulting in a score of 19 to 13 in favor of Olmitz. Our pitcher hurt his hand and from that on the Olmitz fellows found in him an easy mark.

P. R. CORY, Secretary.

Private John P. O'Connor, of the 3d Neb. volunteers now at Chickamauga, gets out the latest: "Backward turn backward, O Time in thy fight, make me a child again just for one night. I am so weary of sole-leather steak, petrified hardtack a sledge could not break, tomatoes and beans in watery bath, sow belly as strong as Goliath of Gath. Weary of starving on what I can't eat, chewing up rubber and calling it meat. Backward, turn backward, for weary I am, give me a whack at my grandmama's jam. Let me drink milk that has never been skimmed, let me eat butter whose hair has been trimmed, let me have once more an old fashioned pie then I'll go forward to Porto Rico and die."

Every person who has learned to ride a bicycle will be willing to exclaim, with the poet: "I hold it true whate'er befall, I feel it when I'm bruised the most, 'tis better to have wheeled and fallen than never to have wheeled at all."
