Last Thursday evening a reception was given Mr. and Mrs. Geo. Tressler by the Epworth League at the pleasant home of Rev. and Mrs. Jones.

Geo. Mitchell has the contract for building the stone arch across Deception creek, near S. S. Shattucks for \$100 and H. E. Madden the one across Blood creek, near Hughes, for \$275.

"Papa, we girls have a new name for those men who call on us, but never take us out anywhere." "What is it, daughter?" "We call them fire-side companions."

ELLINWOOD EFFECTS.

From the Leader.

John Wolf is building a fine large barn on the home place.

On the recommendation of County Physician Bulow, Mrs. Gutwasser has been admitted to the widow's home at Leavenworth.

H. B. Hewitt has qualified as city marshal and C. M. Socwell as street commissioner. These appointments were made to fill the vacancies created by the resignation of Tony Auestetter. They will make excellent officers.

At the meeting of the fire company last week, W. A. Howard was elected Chief, Chas. Christoph, 1st assistant chief, J. M. Blasiar, 2nd assistant chief and Viat Wagner treasurer. The membership of the department was limited to 15. The boys are in dead earnest and will doubtless be thoroughly drilled, so as to be able to fight the fire fiend to the best advantage.

One of the saddest deaths which has occurred in this community for a long time, was the sudden demise of Mrs. Mary Rammes, wife of J. M. Rammes, the tailor, last Monday morning, about one o'clock. Mrs. Rammes had been in the best of health up to a few hours before her death, and she was ruthlessly snatched from her loving family almost without warning. Sunday morning she attended church, and in the afternoon was out walking. That evening she was taken very ill. Medical aid was summoned and everything possible was done to save her life, but she soon passed beyond human aid. The immediate cause of her death was internal hemorrhage.

MULES—Several span of good work mules for sale. All well broke and in good flesh. Good harvest teams.

WALTER B. CORNELL.

CLAFIN COMMENTS.

From the Clarion.

It still continues to rain and wheat continues to grow.

June 4th is the date for the entertainment near Odin. Don't forget it.

A big entertainment will be given in the Sens Grove, Nazareth Settlement, Odin, on June 4th, to which one and all are cordially invited.

The business men who are so well known that they don't need to advertise, generally make their final announcement under the heading of "sheriff sales."

Guy Weltmer returned Saturday from his trip east, and reports having had a wayup time, but says he still prefers old Kansas to any of them.

The new school bell has arrived and was placed in position Tuesday. It can be heard all over the district, and the festive kid will now have no excuse for coming an hour or two late.

M. W. Cobun, living eight miles north of town, stopped in Hoisington, Tuesday morning, on his way to Great Bend. This was only the second time Mr. Cobun has been in town for three months. Mr. Cobun has twice been a representative from this county and is talked of very strongly for a third term. He was one of the leading members in the legislature, being chairman of the ways and means committee. He fully endorses Gov. Stanley's ideas in regard to cutting down the expenses of the state government by doing away with certain committees entirely and reducing the members in others. He thinks that one man can easily do the work of six in many cases and save the extra expense. We hope that Mr. Cobun will receive the nomination.—Hoisington Dispatch.

Memorial services, at the M. E. church Sunday afternoon, were fairly well attended. The old soldiers and their wives turned out in a body, accompanied by quite a number of the Sons of Veterans. Rev. L. G. Horony delivered a short eulogy upon the old soldiers; Miss Melita Legler sang a pleasing solo, and a select choir composed of Miss Legler, Mrs. Geo. Brinkman, Messrs. Johnson and Chas. Armstrong, and Miss Florence Poole as organist, furnished some excellent and appropriate music.

Our genial friend H. H. Boyle made us a pleasant call last Monday. He is being mentioned as a candidate for clerk of the district court on the fusion ticket. Hank, although not of our stripe of things political, is an honest, industrious and diligent young man, and if nominated will get the entire vote of our city regardless of politics.—Olmitz correspondent, in Hoisington Dispatch.

An Ellsworth county farmer, who was visited by the recent cyclones, was in Salina today. He says that a cow which was plucked on a rope was picked up by the cyclone and carried up the length of her rope—about sixty feet—where she remained until the storm had passed when she quietly climbed down the rope and resumed her grazing.—Salina Union.

Dr. Phillips will make his next quarterly visit to Great Bend June 2, 3 and 4. All his old patients and new ones desiring any attention in the line of diseases of the eye or ear, or spectacles fitted should call early on the 2d and make appointments. At Hotel Greene Saturday, Sunday and Monday June 2d 3d and 4th.

The White boys, up in Walnut township, while drilling a well last week went through a formation of apparently pure glass. At a depth of 88 feet the drill struck a sand bed, and under this a hard sheet of substance that when brought to the surface had the appearance of the purest glass.

The dance and ice cream social, under the auspices of the "Foresters" of the Woodman lodge, at their hall Friday night of last week, was fairly well attended, and of course greatly enjoyed.

Those who bought it say that all the wheat in this county from seed ordered from August Garling is looking fine. Mr. Garling is prepared to fill orders for new seed again this fall.

HOTEL FOR RENT—Good 14 room house at Olmitz, the only hotel in town to rent by the month. Call on or write to Wm. L. Mauler, proprietor, Olmitz, Kansas.

John Dawson came down from Colorado, Sunday morning, to visit Great Bend friends. His oldest daughter, Miss Sue, is also visiting friends in the city.

GENERAL ILL HEALTH,

DISEASE with no specific name, which seems to combine stomach disorder, heart trouble, blood disorder and a host of other ills, and which can be described only by saying you feel "all knocked out" and "good for nothing," means that your kidneys are overburdened and need relief.

Kidney derangement is almost always at the bottom of general ill health. Your doctor knows this, but he usually treats the various symptoms one at a time. Foley's Guaranteed Kidney Cure gets at the bottom of these troubles and cures them all at once.

You run no risk. Satisfactory results are guaranteed.
