 And many other good things in the china line. You will find our china and glass stock larger and better assorted at lower prices than any other in town. It will pay you to come in and look it over. Take especial notice of the Star cut glass goods in bell shaped tumblers, straight water glasses, tankard shaped pitchers, sherbet cups, wine sets, finger bowls. These are the popular sellers in the east. They are genuine hand cut and are neat and attractive. Bell shaped tumblers \$1.75 per set of six and other articles in proportion. Many prefer them rather than the fancy cut patterns.

 Never before have we approached the Holiday Season with as good a stock of well selected merchandise in all departments. We have lots of cheap articles but we have carefully avoided goods of the trashy kind. It has been our chief aim to have only articles useful as well as beautiful, toys strong as well as amusing and prices as low as good quality will permit. Such goods make gifts useful as well as pretty and nice to look at.

## The E. R. Moses Mercantile Co.

J. B. Rediger took charge of the Nees tailoring shop the first of the week. He has had two years' experience in Kansas City and two in Great Bend. He says he expects to make a specialty of cleaning and pressing both ladies' and gentlemen's garments.—Kinsley Graphic.

Ed. Doherty H. C. Eberhardt and Henry Voth are among the Ellinwood people that visited the city today.

The revival services at the First M. E. church are increasing steadily. Rev. C. O. Jones of Oklahoma, City is doing the preaching and Dr. and Mrs. Allen are conducting the music. Services at 2.30 and 7.30 P.M. The evangelist has announced as his subject for next Sunday morning "Temporal and Eternal Things" and "Plucking out bright eyes and cutting off right hands" as his evening subject the same day.

The dance in the Brack hall last Monday night ended in a rag chewing time certain girls threatening to give certain boys a thrashing Hurrah for the braves.

The heavy frosts of last week played havoc with gasoline engines in this town we have heard of two burst ing one at the Thorstenberg grain Co and Joe Schenck pumping engine.

Phillip Lust living on Constantine Schniders place near Otis got shot with a 22 rifle last Sunday. This was another case of not knowing that the gun was loaded. Lust and Jake Zim-

merman were shooting target at fruit cans neither could hit anything so when they were parting Lust suggested trying at each other. Zimmerman turning around not knowing his gun was loaded and cocked up, and pulled the trigger hitting Lust in the shoulder the Doctor from Otis was called and at the present writing has not been able to locate the bullet but however the wound is not dangerous.

J. R. Dullinger of Garden City was here on business today.

Misses Beth and Mary Eveleigh of Boyd were visiting friends in the city today.

Wednesday seemed to be a day for accidents, Dick Glissman who has been building a corn crib, granary and wagon shed for Henry Mehrhoff, east of town fell from the roof of the building about twenty feet, and dislocated his arm at the elbow, Mr. Glissman came to town and had the arm fixed and is getting along well. The fall was caused by the breaking of a scaffold.
