IT'S YOUR KIDNEYS.

Don't Mistake The Cause of Your Troubles. A Great Bend Citizen Shows How To Cure Them.

Many people never suspect their kidneys. If suffering from a lame, weak or aching back they think that it is only a muscular weakness; when urinary trouble sets in they think it will soon correct itself. And so it is with all the other symptoms of kidney disorders. That is just where the danger lies. You must cure these troubles or they may lead to diabetes or Bright's disease. The best remedy to use is Doan's Kidney Pills. It cures all ills which are caused by weak or diseased kidneys. Great Bend people testify to permanent cure.

Mrs. M. S. Ewalt, 1219 Baker St. Great Bend, Kans., says: "My back pained me so severely at times that I could hardly stand. That the trouble was caused by disordered kidneys was plainly show by the irregular passages and unnatural appearance of the kidney secretions. I tried various remedies, but without finding relief until a few months ago when I got a box of Doan's Kidney Pills. They made me feel like a different woman. I only wish every kidney sufferer would try Doan's Kidney Pills."

For sale by all dealers. Price 50 cts. Foster-Milburn Co. Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Nothing in the way of a Cough is quite so annoying as a tickling, tearing, wheezing, bronchial Cough. The quickest relief comes perhaps from a prescription known to Druggists everywhere as Dr. Shoop's Cough Remedy. And, besides, it is so thoroughly harmless that mothers give it with perfect safety even to the youngest babes. The tender leaves of a simple mountain shrub, give to Dr. Shoop's Cough Remedy its remarkable curative effect. A few day's test will tell. Sold by Hooper Drug Co.
