GREAT BEND, KS.

Something new—a scythe with a folding blade that doubles up like a pocket knife when not in use. No danger, handy to carry and use. Ask to see it at Bondurant's only.

Otto Hagen and son were up from Comanche township Tuesday on a business trip and for a visit with Great Bend friends.

Tom Murphy and Harry Wildg'n were over from Holington last Friday on a short business trip.

Ed Vollmer came in from Chicago the first of the week for a short visit with home folks here.

Walter Stickney and family were down from the north side Saturday to spend the day visiting with relatives and friends.

Mrs. Frank Wheeler and Miss Rebecca McCaffery visited with friends and relatives in Pawnee Rock Saturday.

Miss Martha Lindas, who has been attending Washburn College, is here to spend the summer vacation with home folks.

James Croftinger came in from the east Saturday to spend Decoration Day here and for a visit with the Hammond family.

Gus Melles and Adolph Thurew were up from north of Ellinwood Wednesday on a business trip and for a visit with Great Bend friends. Adolph offered the Democrat man a job in the harvest fields, but as he wanted us to work for nothing and pay 50 cents a day for our board, we hardly think that we will take up the offer as yet. He was also of the opinion that some of the other men might make a mistake and pick us up and try to use us for a pitchfork on account of our build being considerably along those lines.

Try one of our long fibre, best Manila sold-center bay ropes next time. The price is right, the quality is extra good. All kinds of rope at the right prices at Bondurant's.
