John Dick, Jr., of Lyons, was here last Thursday visiting with his parents, Mr. and Mrs. John Dick, Sr., and other relatives and friends. He was also transacting business here and made this office a very pleasant call. John purchased some western land from his father while here.

Fifty-eight years ago Wednesday, the 4th of November, in Mendota, Illinois, was born a beautiful baby boy. This personage was whom is now the Hon. Joseph Sprinker, of this city. Mr. Sprinker in a modest way celebrated his birthday, November 4th, setting 'em up to the boys and endeavoring to convince them that he has lost none of his beauty claimed for him in infancy. One thing sure, Joe is one who never forgets a friend.

Martin Musil, John Shauf, Mike Hines and Fred Musil were in Lyons this week attending a meeting of the stockholders of the Lyons Salt Company, of which Mr. Musil is a stockholder. At the meeting the by-laws and constitution were changed somewhat. The company name was also changed to that of the American Salt and Coal Company. Arrangements were made for the sinking of another shaft at the company's plant. The business affairs of this institution are in a flourishing condition and the report made by the officers was very satisfactory to the stockholders.

Mrs. J. P. Wedel who has been the past two months visiting relatives here and elsewhere expected to return to her home in Aberdeen, Idaho, today. The Wedels were former residents of these parts having removed to that western country about eight years ago.

Mrs. Minnie Hollenbeck, of Severy, Kansas, who has been here with her little son, Homer, visiting the H. H. Woodbury's, left for Larned Friday to visit relatives a few days when she was going to Cimarron, Kans., to visit relatives before returning home.

It looks as though our people will have electric lights once more. In fact, we will have them, as T. J. Stinson, of Spearville, has purchased the plant and has placed an order for two large gas engines to propel the light machinery here. A new dynamo will replace the one formerly used here, while the capacity of the ice plant will be doubled. Mr. Stinson is the light magnate at Spearville, where he is giving the people of that wide-awake place an excellent light service. The service will be from 6 to 12 p. m., but from now until the first of May from then on we understand that a 24-hour service will be instituted. We gladly welcome Mr. Stinson as a business man of Pawnee Rock and especially will our people welcome the return of the electric lights once more.

HAS YOUR CHILD WORMS?

Most children do. Get a bottle of Kickapoo Worm Killer at once. It kills the Worms—the cause of your child's condition. Is Laxative and aids Nature to expel the Worms. Supplied in candy form. Easy for children to take. 25c., at your Druggist.

Rev. and Mrs. L. C. Schnacke came in from Garden City the last of the week for a visit with their daughter, Miss Ruth, who is one of the instructors in the city schools, and with their many old friends here. Rev. Schnacke was for a number of years pastor of the Congregational church in this city and was one of the most popular ministers ever in the city. He has been pastor of the church at Garden City for some time but has given up his charge on account of ill health and the family will make their home in Topeka in the future.

Will Honnen left Wednesday for a business trip to Larned and points on the Jetmore branch after a visit of a few days with home folks here.

FARMERS' INSTITUTE

The Farmers' Institute of Great Bend was not as well attended this year as in some years because of outside attractions, but we believe the program was above the average. Not only were the instructors from K. S. A. C good, but everybody who failed to hear the paper on "Habits in Children" by Mrs. L. M. Wilcox of Ellinwood missed something good indeed.

We fully appreciate the help of our old faithful members, but we want to make special mention of the young people who added so much interest by their presence and efforts. A splendid paper was read by Miss Ada Howell on the subject of "School Lunches." Another paper was read by Mr. Thomas Taylor, on "My Choice in the Cattle Industry." This excellent paper which reflected both a careful study of, and a wide-awake interest in the subject was followed by an able discussion on the part of Mr. Harry Dahm.

The officers elected for the ensuing year, are: Isom Wright, President; Thomas Taylor, Secretary, Harry Dahm, Treasurer.

In the Boys' and Girls' Contests the rank stands as follows:

Corn Contest—1st Class:—Lloyd Johnson, age 16 years, 1st; Chester Gaunt, age 16 years, 2nd. Second Class:—Harry Gaunt, age 12 years, 1st; Newal Moore, age 13 years, 2nd; Marion Woodburn, age 10 years 3rd.

Girls' Contest on Canned Fruit: Dora Ludwig, age 16, 1st; Edna McDonald, age 16, 2nd; Hazel Adams, age 15, 3rd. Hazel Adams had a fine display of pickles and Lillian Witte had a good collection of vegetables, pickles and fruit juices, but as they had not complied with the conditions, they were out-ranked.

A Woman's Auxilliary of the Farmer's Institute was also organized with Mrs. Theo. Hartman Vice President; and Miss Faye as President; Mrs. Carson Starke, Gwinn, Secretary. The object of the Auxilliary is to form local organizations in Community Centers. If any community or person cares for help or information along this line, kindly write or telephone to any of the above officers.

MARKET REPORT.

Kansas City Stock Yards, Nov. 9.—With Chicago and St. Louis closed today, receipts were more liberal here than they have been, 34,000 cattle arriving. Killing grades sold freely at steady to 25 cents lower prices, cows selling nearest steady, except that canning grades were neglected, packers concentrating their operating facilities on getting out dressed beef. Stockers and feeders found a restricted outlet and prices are 50 to 75 cents under a week ago. Shippers in the country are advised to keep stockers and feeders at home this week. As soon as the quarantine in Illinois, Iowa and the other states affected is raised there will be a better market on them. The feature today was the sale of Gilbert Barr short-horns, which were being pointed for exhibition in the American Royal Show. As the Show has been declared off, the cattle were sold on the market today at \$10.75 weighing 1935 pounds average, grossing \$208 a head, a record for this market. Other good steers sold at \$10.40, yearlings at \$10.00 and short fed steers at \$8.25 to \$9.40. Panhandle and Colorado killing steers sold at \$6.50 to \$7.25, stockers and feeders lower, some panhandle stock calves at \$7, which were worth \$7.75 a week ago, and Colorado feeders at \$6.40, considered worth \$7 last Monday. Quarantine arrivals were liberal, and sold in line with cattle in native division, best steers \$6.25 to \$7.25, canning grades dull.

Receipts of hogs were 18,000 head, market 10 to 15 higher. Order buyers purchased 5,000 hogs, early, paying the full advance, before packers started, but the market continued active to the close, packers participating in the higher prices paid. Top price was \$7.90, at which price a number of loads sold of all weights, bulk of sales \$7.40 to \$7.90.

Sheep receipts were 17,000, market weak on some early sales, but the close was steady. Best lambs brought \$9, others around \$8.75, fat yearlings \$7, ewes \$6. Feeding stock is quiet, but is a quarter higher than a week ago, lambs worth \$6.50 to \$7.25. Prospects favor a good sheep and lamb market balance of the week, particularly on fat grades.

J. A. RICKART,
Market Correspondent.

J. H. Biggs was up from Hutchinson Sunday and Monday for a visit with his many old Great Bend friends.

WE WANT YOUR BUSINESS BECAUSE YOUR MONEY

In The Citizens National Bank is as good as a Government Bond, and better than a Government Postal Saving Bank Note. Why? Because they secure every dollar put in their bank against loss of any kind. They pay a larger interest than Postal Savings Banks.

The Citizens National Bank believes that every one should carry a bank account. Because it creates business habits that will increase their savings, no matter how small their business, or how large.

A Check is the best receipt you can have for your money paid out.

Your Money in the Bank is in active use and benefits the community in which you live and have your interests.

If you want to borrow money from a bank on account of your being a customer you are given the preference over the party who never carries a bank account.

A bank account is the only way known to the business world by which you can establish a credit. Your bank account, however, will start a reserve fund, which will mean peace and contentment in old age.

It teaches you the whole secret of financial success, which is to spend less than you make and save the difference.

Men who do not have the facilities offered by a bank cannot compete with those who do. A man with a bank account and check book in his pocket has all the money he needs right with him, and the correct change, which is more convenient for paying his bills. Money hidden in the house can not be insured against loss by fire. Banks carry fire and burglary insurance. Money carried on the person exposes you to injury at the hands of the footpad and hold-up man.

Keep your money earning something night and day.

The Citizens National Bank pays interest on saving accounts or money left on time.

Banking by mail. You can send your money to us by Post Office order or by express, at our expense.

Home Savings Banks for boys and girls, men and women to commence a savings account.

Safety-deposit boxes in their burglar and fire proof vault for everybody to put their valuable papers, deeds and mortgages in. Remember our vault is burglar and fire proof. No robber can get into it.

You will like to do business with the Citizens National Bank, because they please you and make you feel right at home, and give you drafts free of charge. They have rooms for ladies and gents to transact their private business in. They welcome you at all times. Try them.
