OFFICIAL PAPER OF COUNTY.

FRIDAY, MAY 26, 1882.

Primary Meeting.

The Republicans of Iola township are requested to meet at the court house in Iola, Friday, May 26, 1882, at 2 o'clock p. m., for the purpose of electing 12 delegates to attend the county convention May 27th. A full attendance is desired. H. A. PARKER.

Allen county is sold for Funston and Haskell.

Eleven saloons advertise "good wines, liquors and cigars" in the daily papers of Atchison.

Garnett will try to sell the public square and raise sufficient funds to build a good court house.

What are the political views of the Neosho Falls Post? It has been counted as a Republican paper, but lately we noticed strong Democratic leanings.

An attempt was made to have the signal service station removed to Kansas City from Leavenworth, but the Kansas delegation defeated the move.

Hon. Tho's. Ryan was renominated for Congress at Clay Center, Kansas this week. There is no opposition to the return of all three of our present Congressmen.

Sedgwick county assessors, having valued all property at its true value, as the law directs, it is said the taxable valuation of the county is put down at over \$8,000,000. So much for honesty.

We have not kept close track of farmer Funston, of Allen county lately; but, if he has not greatly deteriorated, we should like to see him nominated for one of the Congressmen-at-large.—Manhattan Nationalist.

The supreme court of Maine has decided that a Masonic Lodge is not a charitable or benevolent institution within the meaning of the laws of Maine, and consequently its real and personal estate is subject to taxation like other property.

A Kansas City Journal correspondent writing from Olathe says that for congressman-at-large Funston is most favorably mentioned, although Simons and Perkins have friends who will not permit their interests to be neglected. The delegates will go to the State convention uninstructed.

Three Humboldt "b-boys" while attempting to race past an Iola livery team in the south part of town last Tuesday, turned a corner too abruptly, tipping the buggy over and throwing them out. One of them was badly bruised and all somewhat injured. They were not quite so pretty but they knew a heap more after the accident, than before.

"Ed Funston?" said a prominent Republican politician of Rich, last week; "Well yes, he would be my choice in preference to any one I have heard mentioned for Congressmen-at-large. It is no more than right that the farmers of the State should have a representative from their ranks, especially so when we have such men as Funston, and also when the voters of Kansas are largely made up of that class. I am well acquainted with the gentleman, and have been for a number of years, and will gladly do all in my power to help him to the position, and that is the sentiment of all with whom I have talked on the subject.—Colony Free Press.

An excursion party consisting of the officers of the Wichita road, accompanied by their families and invited guests passed through Iola Monday going to Eureka, to which point the road is now completed. On their return they stopped at Iola for dinner which was furnished by the Acers House at the Iola Mineral Well. The excursionists were mostly from Fort Scott, although there were several from the eastern States. We noticed Mr. Q. Campbell and wife, Mrs. T. Tierman and daughter, Judge French and wife, J. H. Sallee and wife, E. R. Stewart and wife, Mrs. B. F. Hepler, W. M. Rice, editor of the Daily Monitor; C. H. Hayne and wife, Mrs. Dr. McCalls, H. A. Kinson, H. Bergen, A. C. Raynor and son, and others whose names we failed to obtain. An hour was pleasantly spent by the excursionists in examining the Mineral Well and grounds and drinking of its health-giving waters. Messrs. Acres & Co. Dr. Randall, and in fact all connected with the hotel gave their guests every attention possible, and from the remarks dropped by various members of the party, we are satisfied that one and all could not have been better pleased. Of the dinner to which the party sat down no words would adequately describe it to equal the success it was. Without exception everything passed off perfectly. The decorations were elegant and service superb. The markets of a city would not furnish a better meal though the variety of course could not be so large. It was really the "opening day" for the ensuing season and as such no expense was spared to make it a complete success. The management of the Acers House did themselves credit, and a better impression could not have been made. We congratulate them upon their success.

Warmer weather would be appreciated.

M. M. Hart has built a fine residence in the south-east part of Iola.

The city authorities should cut down the weeds in the public square.

John Ward has sold his three tenement houses to Frank Wing for \$1500.

K. E. Rohrer, of the REGISTER, has been confined to the house this week.

Mr. Wallis is erecting a neat residence on north Washington avenue. Township primary at the court house at 2 o'clock p. m. to-day—Republicans attend.

Political conventions are at hand and the candidates are beginning to make themselves known.

Rev. L. L. Holden will hold regular services at the Presbyterian church next Sunday evening.

L. Edmunson helps along the boom by building a fine residence in the south-east part of town.

Two bay horses were strayed or stolen from Weir's pasture near Bronson, last Tuesday morning.

County Commissioners meet the first Monday in June as a board of equalization. Paste this in your hat.

The Central committee should meet to-morrow and call a convention to elect delegates to go to the State convention.

There will be a large number of the G. A. R. Club of Iola attend the decoration ceremonies at Ft. Scott next Tuesday.

Mr. J. Thomas, of Moroa, Macon Co., Ill., an old friend of Dr. S. Tozer, dropped in to see him Wednesday of this week.

Information wanted as to the present post office address of Eli Weaver, who received his mail at Iola during 1880. Send word to this office.

A. W. Beck has established a branch agricultural implement house at Yates Center. It will be under the management of W. C. Barnes.

Mr. Henderson Crabbe, who formerly lived at Iola, died at his home near Piqua, on the 14th of the present month. He was buried in the Iola cemetery.

Married, May 18th, 1882, by Rev. E. J. Troyer, of Humboldt, Mr. John Laury and Miss Alice McCray, at the residence of Mr. G. Laury in Elm township.

The citizens of Geneva township are requested to meet at the school house in Geneva, Saturday night to make arrangements to suitably observe decoration day.

Married, at the parsonage in Iola, by the Rev. S. S. Weatherby, on the 18th inst., Mr. W. T. Turpin, of Woodson county, and Miss Viola A. Sowers, of Allen county, Kansas.

The ladies of the Presbyterian church made a success of their festival Friday night last, notwithstanding unfavorable weather. In fact they always make a success of their undertakings.

The Ladies' Society of the M. E. church announces ice cream and strawberries for Friday evening, June 2d, at the Hall, but if circumstances are unfavorable, farther notice in next week's issue will be given.

A magnificent rain commenced falling Tuesday night and lasted the greater part of Wednesday. While it is not thought that chinch bugs can be drowned, it seems certain that they will not do any damage during wet weather.

Married, at the residence of the officiating minister, Rev. E. S. Miller, in Iola, Kans., on the 23rd inst., Mr. J. C. Kelso and Miss Rosa Newton. The happy couple left on the noon train, expecting to spend a few days in Chicago, after which they will return to their home in this county.

We have neglected to notice the two gentlemen who are now employed in Mr. McClure's store. Mr. Everett McNaught came about six weeks ago from Spencer, Ind., and a couple of weeks ago Mr. Mat. Fielding also came out from the same place to accept a position. Both of these gentlemen are well acquainted with the dry goods business, and no doubt will be an acquisition to Iola social circle.

Thursday morning last John Rogers shot a man named Wallace, in Mapleton township, Bourbon county, the trouble originating about Wallace's daughter, who had left with a younger sister and went to where Mrs. Wallace was staying. Rogers is a young man about 28 years old, and Wallace was nearly 50 years old. Immediately after the shooting Rogers left and came down to where some of his relatives live near Bronson. Here he hid in the Marmaton timber but was found by the constable's posse who had closely followed the trail. Rogers gave up after some parley and was taken back to Bronson. Here an abortive attempt was made by a few hot heads who had followed from the adjoining county, to take the prisoner from the officers. The prisoner was then taken back to the scene of the murder and after examination lodged in the Bourbon county jail at Ft. Scott. The community where the murder occurred are much incensed against Rogers, and the general feeling is that he is a dangerous man.

Memorial Services.

Hd. QRS. McCook Post No. 51, G. A. R., Iola, May 23, 1882. By a resolution passed by the Post it was decided to observe May 28th as Decoration Day instead of May 30th. The action was taken to enable the members of the Post and others to join with the citizens of Fort Scott in observing the day at the National cemetery at that place.

It is the desire of the Old Soldiers of Iola that all citizens join with us in a Memorial Service Sabbath afternoon at 3 o'clock at the Presbyterian church. After a short service to proceed with us to the cemetery and lay these floral offerings on the last resting place of those who went forth from their homes to do battle for their country never to return. Let each one bring a flower. See that every little child in the city has a rose to lay upon a soldier's grave.

In this manner let us teach the little ones to venerate the day, that in after years when we all have answered to the last roll call and joined that numberless army in the silent encampment, they will meet and annually pay the fitting tribute to the "Men whose wasted figures fill the patriot graves of the Nation." By order of W. G. ALLISON, P. C. T. S. STOVER, Adjt.

Neosho Valley Cleanings.

Quite a frost on the morning of the 23d inst. The rain last Saturday was highly appreciated by farmers.

As Albert Brown was driving through a gate, on Wednesday of last week, his team took fright and immediately started on a run, but after running a short distance they were suddenly stopped by the pressure of a hay shed that in their flight they ran under and knocked down. They were got out without being injured.

Mr. Starkey, an uncle of the Butler children, made a short stay in this vicinity while on his way to Missouri, recently.

Mr. and Mrs. Hankins and daughter went to Fredonia the first of the week on a visit.

Jas. Nebergall will return to his home in Harvey county this week, after a lengthy stay in these parts. The meetings of the Sunday School Institute that were held through day at the church last week were not largely attended, but the community was more fully represented at the evening sessions. Col. Cowden, the conductor of the institute, did not fail in the least to make the exercises both interesting and profitable, and by his labors our Sabbath School interests have been greatly strengthened.

That these proceedings be published in all the county newspapers. GRASSON DEWITT, Acting President. G. M. NICHOLTS, Sec'y.

Savonburg Siftings.

May 22.—The long needed shower has come at last. We forgot to state last week that Stephen Edmund died the 14th inst. of consumption, aged about 70 years. His remains were interred in the cemetery at this place. The funeral services were conducted by Rev. Lemon.

Some parties are prowling around after night molesting horses that are picketed out. They are being closely watched, and if caught at it some one in all probabilities will smell powder or feel the effects of lead.

Messrs. Elmer and Edwin Leighton, who have been living near Moran for some time, were in our vicinity Sunday last visiting friends. G. W. Brown was up from Uniontown last Saturday on business connected with his store at that place. He is putting up a store at Toronto and is having part of his goods moved from here.

The whooping cough is raging here and the measles are on the way. Rev. Lemon preached at this place last Sunday to a small congregation, and also undertook to organize a Sabbath School, but failed. We are sorry that the people about here take no more interest in such things.

In the Whole History of Medicine

No preparation has ever performed such marvelous cures, or maintained so wide a reputation, as AYER'S CURE FOR THROAT AND LUNGS. Its long-continued series of wonderful cures in all climates has made it universally known as a safe and reliable agent to employ. Against ordinary colds, which are the forerunners of more serious disorders, it acts speedily and surely, always relieving suffering, and often saving life. The protection it affords, by its timely use in throat and chest disorders, makes it an invaluable remedy to be kept always on hand in every home. No person can afford to be without it, and those who have once used it never will. From their knowledge of its composition and operation, physicians use the CHERRY PECTORAL extensively in their practice, and clergymen recommend it. It is absolutely certain in its healing effects, and will always cure where cures are possible. For sale by all druggists.
