When a man gets his blood and nerves in perfect order, he shuts the door against disease and death. Germs have no effect on a perfectly healthy body. It is when the body is weak and the blood impure that disease germs lodge and develop. A man may get well and keep well by using Dr. Pierce's Golden Medical Discovery. It is the one reliable cure for all pulmonary complaints. Its effect upon throat, lungs and bronchial tubes is immediate and pronounced. It is a wonderful blood purifier. It works upon the blood first. It stimulates the action of all the digestive organs, promotes assimilation and makes nutrition perfect. It contains elements that work directly on the nerves, giving them steadiness and strength. It is for this reason highly recommended to those suffering from brain fog, overwork and loss of sleep. Thousands of people have testified to the wonderful benefits received from this great medicine. Among them, Mrs. Ella Howell, of Derby, Perry Co., Ind., who writes:

"I was so weak I could not walk across the room without assistance. I took Doctor Pierce's Golden Medical Discovery and his Favorite Pilelets and one bottle of the 'Pleasant Pellets.' I began to improve very fast after the use of a few bottles. The physicians who attended me said I had 'dropsy,' and that my disease was leading into pulmonary consumption. I had quite a number of the same physician give me up to die. I thank God that my cure is permanent. I do not feel any symptoms of my old disease. I cannot praise Dr. Pierce and his remedies too highly. The medicines come the nearest to 'raising the dead' of anything I have ever known about. They are worth their weight in gold."

THE GREAT POINT of almost all diseases is in the digestive organs. Constipation leads to more diseases than any other one cause. It is not looked upon as a serious thing, but it is. It means that poisonous, effete matter, that should be excreted, is retained in the body, and some portions of it must, of course, be reabsorbed by the blood. It is thus carried all over the body, and has its effect in producing headaches, biliousness, sour stomach, foul breath, heart-burn, flatulence, palpitation of the heart, and many other serious symptoms. It can be quickly and permanently cured by Dr. Pierce's Pleasant Pellets. A little vial contains forty "pellets." At druggists.
