

RAMSAY BROS. & CO.

GRAND OPENING

OF

RAMSAY BROS. & CO.'S

BIG

NEW DRY GOODS STORE,

SATURDAY, MARCH 4, 1899.

A LONG-FELT WANT IN THE CITY OF IOLA.

A Complete and Up-to-date Dry Goods Store, where the Public can find anything they want that belongs to the Dry Goods Trade.

After looking through several States to find a suitable location, Ramsay Bros. & Co. decided that Iola had the best future and was the best business town of any they had visited, and feel satisfied that Iola holds a great future for the RAMSAYS' DRY GOODS STORE.

We predict that in 10 years the "Gas City of Kansas" will be the largest city in the State. RAMSAYS' is a well known name in the States of Kansas and Missouri, and in Oklahoma, and also to a great many people in Iola. Our methods of doing business are "One Price to All, both Great and Small."

All goods marked in plain figures. A child can buy as cheap as the most experienced buyer. We buy and sell for Cash and Cash Only. Our customers do not pay a high price for goods to make up for some bad debt. Our profit straight from the Manufacturers and Importers to the Consumer.

We misrepresent no goods. If goods are not satisfactory we refund the money.

Anything you want that we have not got we will get for you without extra cost.

In marking goods it is not "How much can we get?" but "How low can we sell?" Our interests are mutual; the cheaper we sell, the more we sell.

RAMSAY BROTHERS & COMPANY — **ONE PRICE CASH HOUSE.**
