

SEND YOUR ORDERS for LIQUORS TO

Landauer & Co.

(ESTABLISHED 1876) JOPLIN, Missouri.

WHY?

- Because we can ship at less expense, and save from 12 to 24 hours. Because we are the largest, oldest and only strictly wholesale liquor house in S. W. Mo. Because every dollar's worth of goods we sell to Kansas is cash, and you don't have to make up for losses. Because every drop of goods we sell is bought direct from the distillers for CASH, which gives a large per cent that small dealers do not enjoy, and insures you strictly straight and honest goods. Reference—any bank or business house in Joplin.

GOLD... are articles, but those who write to...

The Jubilee Postage Stamp. Although a new set of postage stamps commemorative of the landing of Columbus is about to be issued by the postoffice department, which will be placed on sale about the first day of next year, it is not the intention to retire the present series of stamps. The present series is popular and the department cannot afford to experiment with new permanent designs. It may be that the issue of the current stamps will not be suspended when the jubilee stamps come in, but it is likely that the issue will be suspended for a year, and at the end of that time the dies and plates for the jubilee stamps will be destroyed and the old dies and plates will be brought out and delivered to the contractor again. Only two issues of stamps were ever declared obsolete by the department. They were the issues of 1847 and 1851. When the war came the department had no means of getting at the postmasters in the seceded states and making them surrender the large stock of stamps which they had on hand. The only way to prevent their use was to put out another issue and declare all the old stamps valueless. This was done in 1861. All stamps issued since that time are as good to-day as on the day they were printed.

During the epidemic of flux in this county last summer I had hard work to keep a supply of Chamberlain's Colic, Cholera and Diarrhoea Remedy on hand. People often came ten or twelve miles in the night to get a bottle of the remedy. I have been selling patent medicines for the past ten years and find that it has given better satisfaction in cases of diarrhoea and flux than any other medicine I have ever handled—J. H. BENHAM, Druggist, Golconda, Pope Co., Ill. Over five hundred bottles of this Remedy were sold in that county during the epidemic referred to. It was a perfect success and was the only remedy that did cure the worst cases. Dozens of persons there will certify that it saved their lives. In four other epidemics of bowel complaint this remedy has been equally successful. 25 and 50 cent bottles for sale by J. G. Polster.

A young lady wants to know how to make "not enough" out of the word "enough". That is easy. It is done by transposing the letters and arranging them into two words. Take the third, second and first letters for the first word, the sixth, fourth and fifth letters for the second, and you have something that is not enough for any girl.—Atchison Patriot.

Mr. John Carpenter, of Goodland, Ind., says: "I tried Chamberlain's Colic, Cholera and Diarrhoea Remedy, for diarrhoea and severe cramps and pains in the stomach and bowels with the best results. In the worst cases I never had to give more than the third dose to effect a cure. In most cases one dose will do. Besides its other good qualities it is pleasant to take." 25 and 50 cent bottles for sale by J. G. Polster.

According to the Clay Center Times Hon. J. R. Burton, in a speech at Morgantown, told the story of a noted Clay county reform financier lecturer, who glibly deals with millions and billions and billions and millions till your head whirrs like a wind mill, who bought a money order and then destroyed the paper which should have been sent to the payee on the supposition that the postmaster delivered the money. It took months to find out what the man had done and then straighten out the tangle. The Times says it is an actual fact.

Some Foolish People Allow a cough to run until it gets beyond the reach of medicine. They often say, "Oh, it will wear away," but in most cases it wears them away. Could they be induced to try the successful medicine called Kemp's Balsam, which is sold on a positive guarantee to cure, they would immediately see the excellent effect after taking the first dose. Price 50c and \$1.00. Trial size free. At all Druggists'.

People often wonder how much a car costs. Following is the cost of construction of each car in use from a Pullman palace car to an ordinary flat car: Pullman car, \$15,000 to \$18,000; passenger coach, \$4200 to \$6000; express and baggage cars, \$2000; postal, \$5000; box, 50,000 pounds capacity, \$540; refrigerator, \$1000 to \$1200; stock, 60,000 pounds capacity, \$640; steel, 40,000 pounds capacity, \$5000; gondola, 60,000 pounds, \$5000; flat, 60,000, \$470; cabin car (caboose), \$475.

"Poor creatures!" exclaimed Mrs. Grosgrain, looking at the pictures of nude savage women; "no clothing of any kind! I wonder what the poor things have to talk about?"—Exchange.

As a general liniment for sprains and bruises or for rheumatism, lame back, deep seated or muscular pains, Chamberlain's Pain Balm is unrivaled. For sale by J. G. Polster.

Cheap Rates. August 20th to 25th the K. C. F. S. & M. R. R. will sell tickets to Kansas City and return for one fare for the round trip for those wishing to attend the Biennial Encampment U. R. Knights of Pythias, tickets are good for return until August 31st. W. C. KNIGHT, Agent.

DIED WITH HIS ROOTS ON. Last Saturday night about 10 o'clock at his saloon in Granby, Newton county, Mo., Geo. Hudson, the most noted outlaw in southwest Missouri, was killed while resisting arrest. For several years Hudson had terrorized the people of Newton and adjoining counties. It was Geo. Hudson who in 1876, together with Bud Blunt and other desperadoes, raided Webb City and Cartersville.

Hudson was wanted in Colorado for several crimes which he had committed in that state. An officer from Colorado and one from Joplin went to Granby to arrest him. He resisted and fought so savagely that it was necessary to kill him to save their own lives.

There are several persons in Joplin who will no doubt breathe easier now that Hudson is dead. Several Joplinites were instrumental in trying to secure his conviction for the assassination of Dr. L. G. Howard at Joplin in 1886, and for which he was tried last spring at Rolla and acquitted by a corrupt jury in the face of the most positive evidence that he was guilty. After the trial Hudson announced that "the black flag is up."

Hudson is credited with having killed at least twenty men. His partner in crime, Bud Blunt, is confined in jail at Neosho under sentence of death for the murder of Jack Majors, a brakeman on Conductor John Gillies' train on the Vinita branch of the Frisco. He will be hanged at Pineville, Mo., Sept. 16. If a man lives by the gun he generally dies by the gun.

Major C. A. Bateman, the noted temperance evangelist, traveler, clergyman from San Francisco, Cal., is in Baxter, after an absence of over 20 years, and will remain over Sunday. He will lecture Saturday night at 8 o'clock in the M. E. Church, and will preach Sunday at the same place at 11 a. m., and at night will deliver his lecture on "The Stone Rejected," illustrated by the great pyramid of Egypt on canvas. The celebrated poetess, Mrs. F. M. Imbrie, will contribute to the interest of the occasion by her own production.

M. E. BRAMHALL, Pastor. Wonder if Jones was looking squarely at the map when he wrote that the Neosho river has a fall of 20 feet to the mile on the "Miami river front?" We should judge he would have considerable trouble anchoring vessels along the wharfs in a current of the velocity usual when there is a fall of 20 feet to the mile.

Col. F. A. Gibbons enters the arena of wheat raisers and puts Mr. Huff slightly in the shade. Mr. Gibbons threshed 18 acres and got 296 bushels of screened wheat that tested 59 pounds; also 24 bushels of inferior wheat that ran through the screen. Who'll be the next to report?

Few people appreciate the extent or the benefits of the hay business of this locality. A shipment of twenty cars every day means employment for a great many teams and men and it means a considerable amount of money distributed in this neighborhood every week.

Ed. Black, a prominent member of the Peoria tribe of Indians, died at his home ten miles south of this city Thursday and was buried yesterday at the Peoria burying ground. Mr. Black was a well educated man and was formerly chief of the Peoria tribe.

Sunday school at the Christian church every Sunday at 10 a. m., preaching morning and evening on the first and third Sundays of each month. Prayer meeting on Wednesday evenings preceded by song services.

Harvey & Hemstreet have closed their contracts for stone and sand and propose to have the abutments for the new bridges ready by the 24th inst., when the bridges are to be delivered and erected.

Regular preaching services at the Presbyterian church every Sunday morning at 11 o'clock. Sunday school at 10 a. m. Y. P. S. C. E. at 7 p. m. Weekly prayer meeting Friday at 8 p. m. JOHN H. HATFIELD, Pastor.

Parties having rooms to rent or who can accommodate a few boarders during reunion week will do well to consult with R. P. McGregor or John P. Hartley.

Old papers for sale at this office.

Notice of Publication. In the District Court of Cherokee County, Kan. Annie E. Caruth, plaintiff, vs. Charles C. Caruth, defendant. To Charles C. Caruth, defendant: You are hereby notified that on the 26th day of July, 1902, you were sued by the plaintiff, Annie E. Caruth, in the district court of Cherokee county, Kansas, at which time the plaintiff filed her petition in the office of the clerk of said court. You must answer plaintiff's petition on or before the 10th day of September, 1902, or said petition will be taken as true and judgment rendered against you according to the plaintiff from you and divesting you of all your right, title and interest in and to lots 4, 5 and 6 in block 4, with the improvements thereon, in the city of Baxter Springs, Cherokee county, Kansas, and vesting said property, and the title thereto solely in the plaintiff; also barring you from all interest in the property of the plaintiff. W. H. and C. G. HORNOR, Attorneys for plaintiff. Attest: C. R. BENEWARD, Clerk of the District Court. Dated July 25, 1902. First publication July 20, 1902.
