

The News Printery

is as good as can be found in the Southwest. You give your order for anything you want in the way of fine commercial printing, posters, pamphlet work, cards or sale bills, pick the material you want used, and we'll turn out the work in short order, and it will be neatly executed, too.

THE BAXTER SPRINGS NEWS

is a paper devoted to local happenings of interest. It is not a political paper in any sense. If you want partisan politics, take some other paper. Life is too short for us to monkey with the political buzz saw and as we expect to be dead a long time we intend to make the most of this life and not worry along into an early grave.

TAKE ADVANTAGE

of our exceptional offer mentioned especially and in detail elsewhere. The Topeka Capital and the Baxter Springs News one year for one dollar. Read the details—you may be barred.

ALWAYS REMEMBER

that if you want any kind of printing, at any time, in any shape, at reasonable prices, call at this office.

For Sale or Exchange.

An Oklahoma farm. Located 15 miles east and 3 south of Norman, Oklahoma, being northwest quarter of section 14, township 8, range 1 east—160 acres. Except slightly elevated tract of about 12 acres near center (which is stony), all the land is smooth, level and free from stone. The whole tract has rich, black soil from one to three feet deep. 130 acres is nice, clean timber land; 30 acres cleared and fenced and in cultivation; a week's work will clear 15 acres more, and another week's work will clear 8 acres more.

This farm is in the best part of Oklahoma—between the two Canadian rivers, in the famous "black jack" section; it will produce three-fourths the bale of cotton or 75 bushels of corn per acre.

House (log) 18x15 feet; good well; 40 bearing apple trees and 60 bearing peach trees—all choice fruit; blackberries and grapes.

Value \$2,400; mortgage \$400 due in 8 years at 9 per cent.

A quick cash sale will get equity for \$1350. If exchanged must have full value of farm and must have \$100 cash.

If exchange is offered submit the fullest of details. No heavily encumbered property considered and none where encumbrance is due or nearly due.

Of Interest to Women.

Women who have themselves suffered from the evil effects of constipation will be interested in the following letter from a father whose daughter was given up to die by two physicians:

"My daughter has suffered from indigestion for the past five years and has tried nearly everything she could hear of for such trouble. She was confined to her bed when she began taking Dr. Caldwell's Syrup Pepsin and after taking one fifty-cent bottle she is able to walk a mile at a time and yesterday she walked three and a half miles. I feel like praising Dr. Caldwell's Syrup Pepsin because two doctors told my daughter she could never get well and I feel that she is on a fair road to permanent relief.—Respy, J. H. M. CROCKER, Nixon, Tenn., Aug. 6, 1900.

Dr. Caldwell's Syrup Pepsin is sold in fifty-cent and \$1 bottles, under a positive guarantee by Morrow & Co. and A. R. Kane.
