

# The News Printery

is as good as can be found in the Southwest. You give your order for anything you want in the way of fine commercial printing, posters, pamphlet work, cards or sale bills, pick the material you want used, and we'll turn out the work in short order, and it will be neatly executed, too.

# THE BAXTER SPRINGS NEWS

is a paper devoted to local happenings of interest. It is not a political paper in any sense. If you want partisan politics, take some other paper. Life is too short for us to monkey with the political buzz saw and as we expect to be dead a long time we intend to make the most of this life and not worry along into an early grave.

# TAKE ADVANTAGE

of our exceptional offer mentioned especially and in detail elsewhere. The Topeka Capital and the Baxter Springs News one year for one dollar. Read the details—you may be barred.

# ALWAYS REMEMBER

that if you want any kind of printing, at any time, in any shape, at reasonable prices, call at this office.
