### CAUSES OF STOMACH TROUBLES.

#### Four Professors Claim That Quick Lunches Bring On Diseases.

The business lunch threatens to accomplish the destruction of the human race—or so much of it as dwells in large American cities—if the statistics adduced by eminent physicians and surgeons, at a meeting of the Chicago Medical Society, are found to be the unfailing mirrors of destiny that the doctors promise.

In the alarming increase of intestinal or "gastric" ulcers such eminent medical practitioners as Drs. N. S. Davis, Jr., W. A. Evans, J. B. Herrick and E. W. Andrews announced in a symposium that they feared the American stomach would give out in the course of time unless the public becomes wise enough to curb and regulate the lunch counter method of hasty eating.

It would seem that danger from gastric ulceration is not confined alone to the men, who are the consumers of the business lunches but that women are also threatened. To the women's habit of eating a few bites at many hours of the day their imminent peril is ascribed.

Everyone should counteract the danger brought about by too hasty or overeating by taking at meal times Dr. Caldwell's Syrup Pepsin Herb Laxative Compound. This wonderful medicine will keep the stomach in a perfectly healthy condition, preventing and permanently curing indigestion, biliousness, sick headache, and all complications arising from stomach troubles. Try it today. Its pleasant taste and almost immediate effect will be a revelation to you. 50c and \$1.00 bottles. Morrow & Co. and A. Kane.

### WARNING NOTICE.
