The committees are not nearly through their work of soliciting, either. Our readers will miss several names from the list who will come up with the right thing when called upon. But they should not wait for the committees to call on them. Call on either F. G. Cross, T. J. Morrow, A. L. Harvey or J. J. Fribley, and say what you'll do.

The Best Prescription for Malaria Chills and Fever is a bottle of Grove's Tasteless Chill Tonic. It is simply iron and quinine in a tasteless form. No Pay. 50c.

Armstrong, the East Side barber. **BEGGS' CHERRY COUGH SYRUP** cures coughs and colds.

A DAISY TARGET GUN FOR THE BOY.

The lad who desires some fun can get a target gun from the Kansas City Journal as a present. The name of this gun is "The Daisy," and it is well named. This gun is thirty inches in length from the end of the barrel to the end of the stock. The barrel and breach are finished in nickel. The stock is made of walnut. In fact, the gun is a beauty throughout. This gun breaks in the center and will shoot a bullet or target as straight as a bee-line. Here is a gun that the boy can have fun with.

Our proposition: Any boy who will get eight new subscriptions for the Kansas City Weekly Journal at 25 cents each, making a total of \$2.00, and will send us a list of the names together with the money, we will ship to his address by mail or express, charges prepaid, this handsome target gun. Send money by postoffice order or draft.

Boys, here is a chance to get the fun of your life. Rustle a little and get this gun as our proposition only holds good until June 1, 1903. Address all communications to the Kansas City Journal, Kansas City, Mo.

SEVERE ATTACK OF GRIP. Cured by One Bottle of Chamberlain's Cough Remedy.

"When I had an attack of the grip last winter (the second one) I actually cured myself with one bottle of Chamberlain's Cough Remedy," says Frank W. Perry, editor of the Enterprize, Shortsville, N. Y. "This is the honest truth. I at times kept from coughing myself to pieces by taking a teaspoonful of this remedy, and when the coughing spell would come on at night I would take a dose and it seemed that in the briefest interval the cough would pass off and I would go to sleep perfectly free from cough and its accompanying pains. To say that the remedy acted as a most agreeable surprise is putting it very mildly. I had no idea that it would or could knock out the grip, simply because I had never tried it for such a purpose, but it did, and it seemed with the second attack of coughing the remedy caused it to not only be of less duration, but the pains were far less severe, and I had not used the contents of one bottle before Mr. Grip had bid me adieu." For sale by A. R. Kane.

A large number of Quapaws were in town Tuesday, getting their lease money. Heretofore the members of the tribe have drawn the bulk of their money from parties living in Baxter Springs, and few of them ever came to Miami. The change of conditions was effected by Robinson & Harvey and Don Wills who have been leasing large bodies of Quapaw land. As most of the lease money is paid monthly the Indians come the first of the month for their money, a goodly percentage of which is spent with Miami merchants, instead of all going to Baxter as heretofore.—Miami Herald.

If it's a bilious attack, take Chamberlain's Stomach and Liver Tablets and a quick recovery is certain. For sale by A. R. Kane.

We want those parties who promised to bring us some wood to come on with it. In fact we would be pleased to receive that wood.

More Riots. Disturbances of strikers are not nearly as grave as an individual disorder of the system. Overwork, loss of sleep, nervous tension will be followed by utter collapse, unless a reliable remedy is immediately employed. There's nothing so efficient to cure disorders of the liver or kidneys as Electric Bitters. It's a wonderful tonic, and effective nerve and the greatest all around medicine for run down systems. It dispels nervousness, rheumatism and neuralgia and expels malaria germs. Only 50c and satisfaction guaranteed by A. R. Kane druggist.

Tragedy Averted. "Just in the nick of time our little boy was saved" writes Mrs. W. Watkins of Pleasant City, Ohio. "Pneumonia had played sad havoc with him and a terrible cough set in besides. Doctors treated him, but he grew worse every day. At length we tried Dr. King's New Discovery for Consumption, and our darling was saved. He's now sound, and well." Everybody ought to know, it's the only sure cure for coughs, colds and all lung diseases. Guaranteed by A. R. Kane, druggist. Price 50c and \$1. Trial bottles free.

Wakeful Children. For a long time the two-year-old child of Mr. P. L. McPherson, 59 N. Tenth St., Harrisburg, Pa., would sleep but two or three hours in the early part of the night, which made it very hard for her parents. Her mother concluded that the child had stomach trouble, and gave her half of one of Chamberlain's Stomach and Liver Tablets, which quieted her stomach and she slept the whole night through. Two boxes of these tablets have effected a permanent cure and she is now well and strong. For sale by A. R. Kane.

A Remarkable Case. One of the most remarkable cases of a cold, deep-seated on the lungs causing pneumonia, is that of Mrs. Gertrude E. Fenner, Marion, Ind., who was entirely cured by the use of One Minute Cough Cure. She says: "The coughing and straining so weakened me that I run down in weight from 148 to 92 pounds. I tried a number of remedies to no avail until I used One Minute Cough Cure. Four bottles of this wonderful remedy cured me entirely of the cough, strengthened my lungs and restored me to my normal weight, health and strength." Morrow & Co.
