THE BUTTE DAILY BULLETIN feels that the time has come to ask for funds to pay the expense of the three men standing trial at Helena for sedition. The Bulletin Publishing Company is hardly able to pay the expense of trial and even if it were it would not like to deny its thousands of readers the opportunity of showing that they are willing to donate for the defense of a free press. Many of our readers are unable to give anything to this fund—and we ask those not to, but if all subscribers who can will give a dollar we will have more than enough. All, of course, will not give, so give more than a dollar if you can. Show the A. C. M. that you can raise \$3,000 in 30 days.

Starting next week we may publish the daily receipts with the names, addresses and amounts of the donors. This will be added to each day and the amount to date published each day in this space. If you do not want your name used say so and we will use the name "stockholder" or "Bulletin booster." All together, now, let's go over the top once more for democracy. Make checks payable to the Bulletin Publishing Company.
