SCHOOL BUILDINGS VALUE OF \$1,485,900

Architect Reports on Worth and Possible Life of Various Structures. One Given Two Years.

The total value of all school structures in district No. 1 is \$1,485,900, says School Architect Wellington Smith in his report to the board of trustees. He adds that the buildings may be expected to last for a period varying from two to 100 years. The high school buildings constitute about one-third of the total value, or \$465,000.

The new administration building is thought to be good for 100 years' use, while the Butte high may count on only 60 years of usefulness, according to Mr. Smith.

The cost of building the manual training building was \$100,000, on which \$5,000 has been allowed for depreciation, leaving its present value \$95,000. Depreciation on the old high school buildings is placed at \$75,000, leaving their present value at \$125,000, with an expectancy of life of 15 years. The Jefferson school will be fit for use for only two years more, according to Mr. Smith's report, and has a valuation of only \$3,000. Expectancy of life in years of other buildings range from five years to 60 years.

WILL LET CONTRACT FOR NEW WATER PIPE LINE

Contracts will be let tomorrow by the Butte Water company for the construction of a pipe line from the Big Hole river in Butte, a distance of 24 miles. The work will cost close to \$800,000 and will employ from 300 to 500 men from early next spring to Oct. 1. The parts of the contracts to be built of steel have been let already to the National Tube company. The contract for welding joints was taken by B. A. Edwards of Helena. The new pipe line is expected to double Butte's water supply.

BUTTE HIGH ALUMNI ARE WED YESTERDAY

Dr. A. R. Collins and Miss Erna Lessel were married yesterday morning at St. John's Episcopal church. Frank Collins and Mrs. Harry Reit acted as attendants, while the Rev. DuBois performed the ceremony.

Dr. and Mrs. Collins left immediately after the wedding for a brief honeymoon in the east, after which they will make their home in Hardin, where Dr. Collins is practicing as a dentist. Both bride and groom are graduates of the Butte high school.

CHEER UP, KIDS! TEACHER MUST ATTEND SCHOOL, TOO

Principals of the district schools became pupils themselves today when they enrolled in the class started by Superintendent W. E. Maddock to study the science of teaching as expounded in a text book compiled by Prof. George Strayer of Columbia university. Every boss schoolman in the district will have to answer "present" every other Thursday in Mr. Maddock's office throughout the coming half-year.

FIND CELLARS FILTHY.

The regular annual inspection of Butte hotels and rooming houses by the sanitary officers, which was begun Tuesday, discloses that the cellars and basements of many of the Butte hostleries are in filthy condition. But the proprietors will be given a reasonable time in which to clean up before proceedings are taken to penalize them for neglect, says City Physician Grigg.

RAILROAD TIME TABLE

TRAIN SCHEDULES.
Trains arrive and depart from Butte as follows:

BULLETS, BOOZE AND ANGER TROUBLE THREE

Officer Jack Wesson came near "getting his" last Tuesday night when a .38-caliber slug came tearing through the door of Rade Milensich's saloon at 333 South Arizona street, as the officer was walking by. The missile fanned the plump cheeks of the stout little officer, whose gleebic contours have been the envy of all the Don Juans of Butte this many a year.

A temporary cessation of the party action was all the effect, however, which the incident brought upon the officer's robust anatomy. And from that he quickly recovered and boldly pushed his way into the saloon to investigate the source of the shot. He found it and took it to jail. It's name was Marco Stanich. And it was fined \$50 by Judge Grimes in the police court yesterday.

So, also was Marco's alleged partner, Mike Platisha, fined a like amount. Both were aliens, it was claimed, and carried guns which were not registered. And Louis Bocco, the bartender of the saloon, who was accused by the two culprits of having sold them three drinks, which caused their rash conduct, was arrested and charged with violation of the prohibition laws.

FIREMEN MAY CONTRIBUTE TO OWN DISABILITY FUND

A measure was introduced in the council last night with the support. It is claimed by Fire Chief Martin, to authorize the retention by the city of one-half of 1 per cent of firemen's wages to be devoted to the maintenance of the firemen's disability fund. Hitherto, this fund has been dependent on donations of money raised by entertainments. A greater financial stability for the fund is expected from the proposed method.

WANTS \$25,000 BECAUSE BRAKEMAN "ABUSED HIM"

The Northern Pacific railroad and Director W. D. Hines of the railroad administration are being sued again. This time it is James P. Hagen, who is after them.

Hagen wants \$25,000 compensation for abuse and injuries which he alleges a brakeman, William E. Cazier, inflicted upon him on July 27, when he, Hagen, attempted to board the Missoula "stub."

NEEDS OF WIDOWS AND ORPHANS IS INCREASING

The needs of dependent widows and orphans are greater now than ever before, says County Auditor Nellie Sullivan. There was a long line of applicants at the office yesterday. More than \$12,000 for widows' claims was expended by the auditor yesterday, and \$5,000 was also granted in relief for the poor.

PLAN "POT-LUCK" SUPPER.

On next Friday evening there is to be a game and "pot-luck" supper at the People's Congregational church on Harrison avenue. The ladies who have the affair in charge extend a general invitation to the public.

KILLED

High prices are dead at my store. I am going to be the first merchant to lower prices in Butte. Just watch my space in this paper.

JUDGE GRIMES PUTS BAN ON COMPLAINTS BY PHONE

Police Magistrate Grimes thinks but little of the folks who swear out a complaint by phone and then fail to appear against the defendant when the case comes up in court.

Tuesday, it is said, a woman who refused to give her name complained over the wire to Chief of Police Murphy that her husband had been gambling at a place on Park street. She said her husband had several times purchased chips at that place for \$1 per dozen.

The chief filed a complaint against the proprietor, alleged by the woman, to be responsible for her husband's objectionable expenditure.

But yesterday the lady failed to show up in police court to back up her accusations, and the case was dismissed by Judge Grimes, who stated that telephone calls are not competent evidence, unless the complaining witness has had enough to appear and back up the complaint.

ASSEMBLY GETS REPORTS OF UNFAIR COMPANIES

At the regular meeting of the Silver Bow Trades and Labor assembly on Tuesday evening communication was from two organizations of unionized workers, one received, asking the co-operation of local union workers.

One communication was from the Boston Boot and Shoe Workers' union, in which it was stated that E. & J. brand shoes were being widely advertised throughout the northwest and that the Boston workers wanted the northwestern workers to know that the manufacturers of that particular brand of shoes were "notoriously unfair."

A communication was also received from the International Brotherhood of Teamsters, stating that the teamsters now have a fight on with the Jewell Tea company.

Secretary Green of the local assembly was instructed to request publication of the above facts in The Bulletin.

TWO CHARGED WITH TOTTING HIDDEN WEAPONS

A complaint was filed this morning in Justice Buckley's court against Marko Stanich and Mike Platishas, charging them with carrying concealed weapons. Mark Stanich was also charged by the county attorney's office with first degree assault.

Both of these gentlemen were recently taxed 50 bones each in police court, as payment for the joy of taking a shot at Officer Jack Wesson. The officer is the complaining witness in both of the complaints filed this morning by the county attorney's office.

NEW HEALTH CAMPAIGN UNAVOIDABLY DELAYED

The initiation of the campaign for better health among the school children has been delayed by the non-arrival of the pledge cards, which every child will be asked to sign.

When these pledge forms and other literature arrive, says Superintendent Maddock, the work among the children will be vigorously pushed. It is expected that the young folks will co-operate zealously with the teachers in the effort to raise the standard of health among the pupils.

COMPLAINT CHARGES FOOD LAW FRACTURE

John Boyle, proprietor of stall 18 on the city market was charged this morning in Justice Wilkinson's court with violation of the pure food laws. The complaint was brought by H. M. Shea, W. C. Hanson and W. C. Sherwood, officers of the state board of health from the State College at Bozeman. They base their charge upon a sample of hamburger gathered in at the market in stall 18.

MRS. LINDSTROM INTERRED.
Mrs. Carl Lindstrom was laid to rest yesterday in Hill cemetery. The funeral was held from the family home at 613 Walnut street. The Rev. N. J. Nelson of the Swedish Lutheran church officiated.

CLINTON WOULD HAVE STORES PAY TAX

Test Case in Court Expected Over City Licensing Ordinance. Merchants Object to Payment.

City Attorney Robert L. Clinton thinks the merchants of Butte ought to pay the license fees demanded by the city without the city wishing to incur the expense of a test case. "They ought to have enough civic pride and enough sense of duty to come through without a fuss," says he.

But the merchants seem to think otherwise. At a meeting of the storekeepers and proprietors of business houses held yesterday, it was agreed to oppose the collection of the licenses and test out the ordinance in the courts. It is claimed that Mayor W. T. Stoddard has agreed to leave the matter to the decision of a test case.

Attorney Clinton has not stated when he will institute a suit for collection, but that he will start one seems to be evidenced by his attitude on the question as expressed yesterday.

The business men seem to have no valid reason for refusing to pay the tax, which the city wishes to impose, unless it is that they do not care to part with the money." Mr. Clinton said. "The city never needed the funds so badly as at present, and the revenues from natural sources have been reduced more than \$200,000. The money is needed to give the very people we are asking to pay it, better protection or at least some protection, and unless the city can find some new revenues, more retrenchments will be necessary."

A supreme court decision in a somewhat similar test case emanating from Missoula, is held by the merchants to render an ordinance levying mercantile licenses inoperative.

Special Improvement District No. 3

The taxpayers in this district were exempted for 1918 taxes, because of war conditions, this year they have been extended on the rolls and are now payable at the County Treasurer's office Nov. 1, up to and including Dec. 1, after which these taxes become delinquent and a penalty will be added on all property in this district for all delinquencies.

C. T. PUCKETT,
County Treasurer,
Silver Bow County.

REPAIRING DEFECTIVE PAVING ON PARK STREET

An expert opinion as to the reason that the old cobblestones on Park street failed to make a good base for the bitulithic pavement and permitted the latter to buckle under the strain of traffic was secured yesterday from City Superintendent of Public Works E. J. Strausburger.

"The blocks were laid too close together," said Mr. Strausburger. "The bitulithic mixture which was supposed to penetrate the spaces between the stones and cement them together did not get in between the stones in sufficient quantities to act as a satisfactory binder. And in many places the stones were not clean, were so coated with dirt that the cement could not adhere to the stone surface. Hence, we have the present condition of the new pavement."

The work of repairing the areas in the street which have buckled will be completed in a week, says Mr. Strausburger. The work is being done by the city, but the cost will be charged to the bond of Fred Sauer, the contractor who put in the pavement last year.

BI-MONTHLY PAYROLL IN EFFECT TODAY

The first of the twice-a-month pay days for employes of the city occurred today. Two hundred and fifty workers by the day are affected by the new rule. The salaried employes, however, are not required to take their pay twice a month.

Hence some of them are not well pleased by the new order, especially those whose work is much increased by the obligation of preparing two pay rolls, where but one was required before.

TILTON FUNERAL FRIDAY.

The funeral of D. W. Tilton, aged 81, will be held at 3 o'clock Friday afternoon from the Masonic Temple. The body arrived yesterday evening from Sheridan, Wyoming. Mr. Tilton will be remembered by all the old-timers as one of the early settlers in Butte. He is survived by his widow and one daughter, Helen Tilton, as well as three sons.

SCIENTIST HEALER DIES.

Mrs. Harriet Couch, 60, wife of N. W. Couch, 1346 West Diamond street, died Wednesday at the family home after a brief illness. The funeral will be held from White's undertaking rooms Friday afternoon at 2 o'clock under the auspices of the Christian Science church, of which the deceased was a practitioner.

BUTTE BRIEFS

M. J. Berkeop, clerk of the county commissioners, returned yesterday from Salt Lake, where he spent two weeks on his annual vacation. Mr. Berkeop will keep the office of the commissioners open during their absence in Miles City.

Go to Woody-Doull Drug company for all your drugs. Remember Woodruff's Headache Special and Homemade Liver Pills, 29 South Main.—Adv.

Official board will meet at Grace Methodist church on Thursday at 7:30 p. m., when all stewards, trustees, and representatives of all the church organizations are urged to attend.

All interested in the music and singing at the Grace Methodist church are invited to attend on Thursday night at 8 o'clock to practice for next Sunday's services.

\$100 reward will be paid to anyone proving we do not put in the best mail spring for \$1. Mayer, 37 North Main street.—Adv.
