DEMOCRATIC MEETING

Committees and Delegates Appointed.

Grand Ratification Jubilee Tomorrow Night.

Stewart, chairman, a Democratic meeting was held yesterday afternoon at 2 o'clock, in the Municipal Hall.

The chairman called the Board to order, the minutes of preceding meetings were read, and the following message from the Mayor was read and received:

Honorable Board of Aldermen: Gentlemen: I have been called upon by a committee to ascertain whether the rooms in the third story of the engine house, corner of Adams and Second streets, could be rented as a court room.

The meeting was called to order by Mr. Stewart, and on motion of E. D. Baugh, Esq., Col. M. C. Galloway took the chair, and in a few forcible remarks urged upon the assembly the necessity of concentrated and consolidated action.

At the close of his remarks Mr. Stewart introduced a resolution that a Committee of Three be appointed by the chair to act as delegates to the Brownsville Convention. The motion was seconded and carried unanimously.

Maj. Merrivether moved that the number be increased to five, which was seconded and adopted; and the chair appointed Messrs. M. D. L. Stewart, F. A. Tyler, Minor Merrivether, John Albin and R. M. D. Baugh.

On motion, a committee of five was appointed to attend the Convention to nominate a Congressman for this District—the committee to consist of Messrs. P. M. Winters, Albert Pike, Van Anderson, G. F. Fouts and J. P. Tobin.

Judge Fouts said that as the regular meeting of the Democratic Club would not be until Thursday night, and it was expected that there would be some sort of ratification of the nomination made in New York, as soon as the news came, he would move that a committee of five be appointed from the present meeting, to arrange all the necessary steps for a grand Democratic rally and ratification meeting, to be held on some evening this week.

The chair suggested Thursday evening, and the suggestion was accepted. The motion was then put and carried unanimously, and the following named gentlemen were appointed on the committee:

Messrs. G. P. Fouts, Chairman; P. M. Winters, Van Anderson, R. D. Baugh, Gen. Rufin, P. J. Mulvhill, C. D. McLean, Martin Kelly, J. W. Woltering, Andrew Drew.

Mr. John Albin made a motion which was seconded and carried unanimously, that the chair be added to the committee of five to attend the Brownsville Convention.

Mr. M. D. L. Stewart offered a motion that a Democratic Executive Committee, composed of nine, should be appointed by this meeting.

The motion was seconded and Mr. Stewart suggested the following names, which were adopted, to constitute the Executive Committee:

Messrs. P. T. Scruggs, P. M. Winters, M. C. Galloway, John P. Tobin, F. A. Tyler, H. M. Lowenstein, J. M. Coleman, Martin Kelly and J. P. Mulvhill.

Maj. Merrivether moved that Mr. M. D. L. Stewart and Gen. Pike be added to the committee, which, after some objections, which were overruled, on the part of the gentleman who proposed, was adopted, and their names added to the committee.

Gen. Pike addressed the meeting in a happy and forcible address, which we regret we cannot reproduce here on account of the great drain on our space by today's telegraphic matter. He did not think that any differences which might have sprung up, or might spring up among us, would be any great matter. The necessity of unity of action was like that expressed by one of our revolutionary fathers—all hang together, or hang separately. This was a question of longer or shorter party politics, or of Know Nothings or Democrats—it is the white race against the black—and "know nothing" party, he welcomed and had no objection to, as long as it was not a party of color, or of race.

Col. Morgan, City Attorney, followed in a few eloquent remarks to the same effect. He had never before participated, he said, in a Democratic meeting, but he felt that he would do so for the party as the only hope of the down-trodden and oppressed.

Capt. Mulvhill followed in behalf of the Irish citizens, and related to the meeting the story of the gentleman who had spoken to him in common with his countrymen, had been misled as to the opinions of the gentleman who had gotten up the Democratic Club.

Maj. Merrivether denounced as false in every particular the statement that had been disseminated by evil minded persons, who were seeking to sow seeds of discord among us, that the origin of the Democratic Club was a secret convention on Front street. There was no secret about it. He was one of the original organizers. There, it is true, but few were present in its inception, as there are almost every evening; but there were as many Democrats as Whigs, as many privates as officers, as many who had not been in the Confederate army as those who had, and as many who were as utterly false as any statement to the contrary.

Col. Galloway, the chair, said that he had never belonged to the "Know Nothing Society," but that he had been misled as to anything that one such would do in any way of joining anybody or trying to break the chains with which we are bound.

Gen. Pike desired to state that he knew nothing of any secret beginning to the Democratic Club; he had been waited on by a party of gentlemen and asked to accept the Presidency of the Club, and he had signified his willingness to do anything that the cause demanded of him.

Col. Tyler: That whatever disagreements there were among the gentlemen were the result of a misunderstanding, which being explained away, perfect harmony would ensue. To test it, he would move, he said, that the present meeting be merged into and considered a part of the Democratic Club. The proposition was received with applause, seconded and carried without a dissenting voice.

Gen. Pike gave notice that the next regular meeting of the Club was on next Saturday evening in the St. Louis Block, and that he should take the chair at 8 o'clock a.m.

Judge Fouts announced that he would like to meet the Committee on Arrangements, at Jim Blevins' school, this morning, at 11 o'clock a.m.

The meeting then adjourned.

KEKRUH RAIL—We learn by a private letter, that on the night of Saturday the 4th inst., a body of about fifty men, disguised, rode into the town of Humboldt, Tenn. They did no damage, but secured some of the inhabitants out of a year's growth, and after remaining around the station an hour or so, they quietly departed. It is said that they hung two men just before leaving the town. We wish some of their would make a raid over this way and help the Grand Jury a little in cleaning out the jails and station house.

WARDLY COMMITTEE. Alderman Montgomery was appointed chairman in place of E. Wickham resigned.

FIRE COMMITTEE. The committee on the petition of M. C. Allen reported favorably, and the report was approved by the Board.

On a petition for a bell-ringer at the Municipal Hall, the committee reported adversely, and their action was approved by the Board.

On a petition for a bell-ringer at the corner of Monroe and DeSoto streets, the committee reported adversely, and the report was approved by the Board.

A communication from Ed Keating, on the lack of seats and accommodations in the Park, was referred to the Park Committee.

THE HOSPITAL COMMITTEE submitted a report to the effect that they believed it would be to the advantage of the city to dispense with a resident physician at the Hospital. The committee recommended the appointment of a steward. The report was adopted by a vote of 5 to 5.

An ordinance not to allow any one to be admitted into the Hospital except citizens of the United States and residents of Memphis for twelve months prior to their application for admission, was tabled.

THE GAS COMMITTEE submitted a favorable report on bids of Randall & Heath for lamp posts. Also in favor of posts near bridge on Beal street, on corner of Monroe and Beal streets. Reports adopted by the Board.

CITY COUNCIL

Regular Monthly Meeting.

The regular monthly meeting of the Board of Mayor and Aldermen was held yesterday.

Present—Hon. J. D. Ruffin, Mayor pro tem, Chairman Sways, Aldermen Galloway, Johnson, Joyce, Black, Martin, E. C. Wright, Brown, O'Flaherty, Hill, Cicilia, Lemon, Moffatt and Ellis.

JUVENILE SHOOTING AFFRAY

Yesterday morning as a little boy, the son of Mr. Collins, who keeps a feed store on Poplar street, near the market, was minding some cattle, in company with a negro boy about his own age, a couple of negro youths came along, and got into conversation with them, and commenced a row in which one of the strange negroes drew a pistol and shot young Collins in the head, making a severe but not a dangerous wound. As soon as the shooting was done, the negroes fled, and up to writing (10 o'clock p.m.) have not been arrested. The police, however, know them, and are on their track. The wounded boy was carried home and properly cared for. We most sincerely hope these black scoundrels may be brought to justice.

EXIT WICKERSHAM

The Circuit Court of Shelby county adjourned yesterday till the first Monday in September next. By the following order, it will be seen that Mr. Trustee Wickesham was unable to give the required bonds—at least such as were acceptable to the Court. The office was declared vacant by Judge Reeves, and the vacancy ordered to be filled according to law, at the cost of Wickesham.

This is truly the saddest case we have seen in this county. Not only does Judge Reeves take away the honor, the emolument, the salaries and chances of filling his carpet-bag—all so glowingly promised him by the generous place into which he had been thrust—but he is to be left with a "black" ledger and a "black" ledger full of unpaid bills, and a "black" ledger full of unpaid bills, and a "black" ledger full of unpaid bills.

Under the orders of this Court, to appear in open court at a former day of this term, and execute bond with good and approved sureties, in the sum of \$10,000, which he failed to do, and was ordered to pay the said order—the Court doth therefore, by virtue and authority of the statute in such cases made and provided, declare the office of Trustee of Shelby county, vacant, and the vacancy hereby created may be filled according to law; and that said Wickesham pay the costs.

RIVER MATTERS. WEATHER AND RIVER. LOUISVILLE, July 7.—The weather is clear and warm. The river is falling slowly.

Weather warm, with occasional clouds and light rain. The river at this point fell three inches in the past twenty-four hours. The Arkansas is still falling, with thirty-four inches to Little Rock. White river is declining, with five and a half feet to Augusta.

None. Arrivals. Steamer Companies. M. Hamilton, St. E. river. In Port.

We had no arrival up to dark last night, and the repose of our river is becoming almost permanent and untroubled. The Arkansas is still falling, with thirty-four inches to Little Rock. White river is declining, with five and a half feet to Augusta.
