

THE WALWORTHS

Horrible Letters from the Dead Man—Private Blood and Thunder, Yellow-Covered Literature.

A Crazy Father, Starving to See His Children, Threatens his Wife and Sons with Death.

Letters of the Most Infamous Character—Enough to Drive the Best Boy to Kill a British Father.

Continuation of the Testimony of Mrs. Walworth—First Inklings of the Insanity Plea—Signs of "Not Guilty."

NEW YORK, June 26.—The following is a complete and correct copy of the letter of Mrs. Walworth, produced in the evidence of Mrs. Walworth yesterday:

BRIDLE BROOKS AGAIN. The chronic plague-hunter, with whom, for some unexplained and unexplainable reason, Arkansas was so cursed, made another explanation of his grievances at Little Rock last night, before a small audience composed doubtless of the adherents of the would-be governor.

DEATH OF HIRAN POWERS. The telegraph announces this morning the death of the greatest American sculptor, and one of the noblest of modern times. He died at Florence, yesterday, after a protracted illness, in the sixty-eighth year of his age.

MISSISSIPPI. Murder at Chulahoma—Main, the Notorious Counterfeiter, in Chains at Oxford.

NEW YORK, June 26.—The Walworth trial established to-day before a densely-crowded court. Many women, both young and old, were present, and the court was thronged with spectators.

TENNESSEE NEWS

What the Cholera has Done and is Doing—The Truith from Headquarters.

Assassination at Murfreesboro—The Crops—New Steamer for the Tennessee River.

The rumor has gone out through the county that cholera was very prevalent in Paris, and many persons are afraid to cross the river. There is not, nor has there been, a single case of cholera in town this season, or any other season.

The Jonesboro Flag, speaking of the crops in Washington county, says: "The wheat crop in this county is the best in the past week, but owing to the heavy frozes last winter, wheat is very scarce on the ground."

The fine new steamer now being built at this place by Mr. H. C. Murray, for Mr. H. M. Murray, and which bears the name of the "Lionel," is being completed.

The Galatin Examination, extra, of Wednesday reports the total number of cholera deaths to that time, seventy-four, and says: "Our list of interments since now yesterday is large, though they are, with but one exception, cases of the mild form of cholera."
