First Game in the International Balk Lise Match Between Vignaux and Schaefer.

The Frenchman Defeated by the New Yorker with Ease—The Play in Detail.

NEW YORK, January 26.—The international billiard match, fourteen-inch balk lise, 3000 points, 600 points per night, for a stake of \$5000, between Jacob Schaefer and Maurice Vignaux, will continue for five consecutive nights, was begun to-night in the Cosmopolitan Hotel. Odds of \$100 to \$80 were offered on Schaefer. The attendance was very large. The table was surrounded by rising tiers of seats, which were crowded with representatives of the social and sporting world of New York. Shortly after 8 o'clock Schaefer, followed by Vignaux, entered the room. The lights above the table were turned up, and Weyman McCarty of St. Louis as the umpire, announced the terms of the match. Vignaux won the lead, but so closely that the umpire was obliged to ascertain the position of the balls from either side of the table. Vignaux chose the spot ball and counted. He continued to shoot with a

until he had made 12. Then Schaefer made 11 and Vignaux 4, slipping up on an easy carom. Then Schaefer manipulated the balls admirably and executed at intervals his wonderful masse shots amid most rapturous applause, until he rolled up 100 points, when the app-o-va-tion was tumultuous. By this time Schaefer had exchanged his evening dress coat for a cardigan Vignaux clung to his swallow-tail. At 105 points Schaefer missed a simple shot and sat down with a total of 110 points to 16 for Vignaux. Vignaux made 5 and Schaefer 21. Both players then made duck eggs, and Vignaux rolled his evening coat, peering in his shirt sleeves. He made only 3, but one was a well executed draw shot. Then Schaefer made 63, and the score stood Schaefer 205, Vignaux 24. In the seventh inning Vignaux made 41, and then stopped on a palpable snuff. To enter the 100 point running mark of the 100 being luddly applauded. At the tenth inning there was

A RIFLE OF EXCITEMENT,

and a carom glitter in the eye of Vignaux, when, after making two points, the score called "miss," the balls being in ball all the time. Vignaux sat down and appeared discouraged. Up to this time the luck of the game had been decidedly against him. Then Schaefer made 23 and Vignaux 10, with beautifully executed masse shots. The game went on uneventfully, though Schaefer appeared to be playing in good form. In the twenty-third inning Schaefer made 90, leaving him but 33 to go. Vignaux made his final rally in the twenty-fourth inning, when he put together 60. The following is

THE SCORE:

Vignaux—12, 4, 5, 0, 3, 4, 1, 9, 23, 2, 10, 38, 2, 0, 6, 29, 12, 0, 1, 1, 1, 60, 0, 15. Total, 274. Schaefer—11, 103, 21, 0, 65, 36, 103, 2, 0, 25, 9, 52, 14, 13, 0, 1, 1, 5, 2, 1, 0, 7, 90, 5, 0, 28. Total, 617. Winner's average, 31 1/2; loser's average, 10 1/4.

Time of game, two hours and forty minutes.

Under the rules governing the match, the balls will be placed in the same positions when play is resumed which they occupied when the game was interrupted. They will be placed along the right hand rail of the table, the spot ball within the bank line. The second ball of 60 points will take place to-morrow night.
