

WELL-TALE FIGURES SHOW MAJORITY'S APPETITE FOR SPOILS

Appropriations by Congress in Last Two Years Carry Their Own Comment on Professions of Economy.

WASHINGTON, Sept. 21.—The subjoined table, giving the amounts appropriated by Congress for the support of the Government for the years 1913-14 and 1914-15, is compiled from the chronological history of the Sixty-third Congress, prepared by the clerks of the Committees on Appropriations of the House and Senate, cents being disregarded:

Table with 2 columns: Year, Amount. Rows include Agriculture, Diplomatic, Education, etc.

Grand totals... \$1,080,408,777 \$1,057,055,094 No river and harbor bill has been passed for this year and, therefore, this appropriation for both years is excluded from the grand totals for purposes of comparison.

The pension appropriation, for obvious reasons, is decreased by \$1,000,000; the Military Academy bill is \$100,000 less than was allowed for last year; the sundry civil bill is down by \$6,725,000. But generally there are increases, and the comparison of total appropriations, excluding the river and harbor appropriations, for a series of years shows this distributing record:

CONDUCTOR BADLY HURT: WIFE'S LIFE IN BALANCE

News of Accident on B. & O. Railroad Kept From Invalid Woman.

The life of a Philadelphia woman hangs in the balance today as the result of the Baltimore and Ohio Railroad wreck Saturday night east of Woodlyn, Pa., where a southbound express train was derailed and three sleeping cars were rolled down an embankment. She is the wife of R. A. Humrichouse, of 1809 North 25th street, the Pullman conductor who was hurt in the accident.

Humrichouse is badly injured and may be crippled for life. The wreck Saturday night was the third he has been in since he went to work for the Baltimore and Ohio two years ago. About a year ago his spine was injured in a wreck in Illinois and he was laid up six weeks.

Mrs. Humrichouse has been under treatment for nervous prostration for seven weeks. She does not know that her husband has been injured and her physician has given strict orders that the news be kept from her. Any shock at this time, he says, might prove fatal.

Humrichouse was brought home yesterday morning by Dr. E. J. Morris, of the Baltimore and Ohio Railroad. The physician found him lying unconscious alongside one of the overturned coaches after all the injured had been taken out and cared for.

Rapid progress is being made in removing the wreckage from the Baltimore and Ohio tracks, and derricks now are in position to lift the three remaining derailed coaches. The trains of the road are still using the Pennsylvania tracks.

DIMMICK MEN FOR PINCHOT

League of Anti-Penrose Republicans Issues a Call.

The anti-Penrose Republican League of Pennsylvania, which was formed a week ago by men who supported the candidacy of J. Benjamin Dimmick, of Scranton, for the United States senatorial nomination on the Republican ticket last spring, has issued a call to all Republicans to support Clifford Pinchot, the Washington party nominee, to rid the State of Penrose and Penroseism.

ANTI-LIQUOR VOTE MENACE TO PENROSE IN CHESTER COUNTY

Growing in Strength and Opponents of the Senator Equally Zealous in Support of Dr. Brumbaugh.

WEST CHESTER, Pa., Sept. 21.—Senator Penrose in his present campaign in Chester County finds that he has the anti-liquor element to deal with. Mr. Cole, the head of the Anti-Liquor Organization in this county, has made a careful summing up of the temperance vote and he figures that the vote will be fourfold larger than it has ever been in the past.

Mr. MacDonald, chairman of the County Republican Committee, is expected to wield his power, along with that of Mr. Eyre, in the effort to convince the voters that their vote on local option was the right thing under stress of present conditions and that it really meant nothing save to gull the people.

Chester County will undoubtedly give a majority for Doctor Brumbaugh for Governor. On this point all parties and factions seem to agree. To all intents and purposes the sentiment against Mr. Penrose is nearly as pronounced.

The Penrose people are carrying on what is classed as a "fox" campaign. The old-time Republican courage appears to have oozed out and this condition of affairs serves further to accentuate the statement that "things are different now"; that the machine which for many years boldly carried aloft the Penrose banner, is now compelled to work for his party in the United States Senate in a rather surreptitious manner.

It is said upon good authority that Mr. Penrose is being kept in the dark as to the changed condition. There is no announcement as yet that the Senator is to visit Chester County during this contest. To those who are not informed on the conditions, this seems very strange, but to those who know what's doing, the reason for his staying out of the county is obvious.

Dr. Brumbaugh is to come here some time during the campaign and his visit will serve to bring out the strength of the Republican forces as well as many others who are quietly resolving to give him the support.

WILLIAMSPORT WORKMEN OFFER BRUMBAUGH SUPPORT

Republican Candidates and Colleagues Get Cordial Greeting.

WILLIAMSPORT, Pa., Sept. 21.—Martin G. Brumbaugh, Republican candidate for Governor; Frank G. McClain, candidate for Lieutenant Governor; Henry Houck, candidate for Secretary of Internal Affairs, and other members of the Republican campaign party arrived in Williamsport this afternoon and received an enthusiastic welcome from local members of the party.

After impromptu greetings the party embarked in automobiles and were escorted to the manufacturing centre of the city. At the Sweets Steel Works the entire plant was thrown down for a half hour to permit the employees to greet Doctor Brumbaugh.

Fusion Plans Approved

LEBANON, Pa., Sept. 21.—The action of Prof. William Draper Lewis, of Philadelphia, in withdrawing as the Washington party nominee for Governor in favor of Vance McCormick, the Democratic nominee, in the hope of defeating Penroseism, and the action of the Washington party State Committee in placing McCormick on its ticket, was approved by the Lebanon County Washington party committee in session here. Arrangements were also made to have Dr. Lewis here on October 1 for the opening meeting of the campaign in Lebanon County.

R. M. LITTLE COMES OUT IN SUPPORT OF PALMER

Former Dimmick Man Says Many Will Follow His Course.

Further indorsement of the candidacy of Congressman A. Mitchell Palmer for the United States Senate has been given by R. M. Little, a member of the City Club, a leader in organized charity and a Republican who was rival of J. Benjamin Dimmick. Many advocates and supporters of Mr. Dimmick, Mr. Little says, are now working for Mr. Palmer.

LOCAL OPTION COMMITTEE NAMED FOR FALL CAMPAIGN

Members Are to Prepare Report for Baptist Ministers' Association.

A committee to take action on local option for the coming campaign was appointed this morning at the meeting of the Baptist Ministers' Association in the First Baptist Church, Seventeenth and Sansom streets. The members, who are to prepare a report for the next meeting, two weeks hence, are the Revs. S. Z. Batten, A. E. Watson, H. W. Barras, F. S. Samson and A. C. Wright.

That the "Tendencies of Present-day Theology" are for no theology was the assertion made by the Rev. John Meighan, the speaker of the day, in opening his discussion on this subject. He particularly urged the importance of the study of the history of Christ and His work as important to the success of the churches of today.

MIXED CHOIR AGAIN IN USE

Church of St. Charles Borromeo First to Make Change.

For the first time in eight years women and girls sang with the choir of the Church of St. Charles Borromeo, 20th and Christian streets, yesterday, and it is expected that there will be mixed choirs in many other Catholic churches in the near future. When the late Pope Pius asked that only men and boys sing in the churches, the Church of St. Borromeo was one of the first to comply with the decree.

Plans are already being made for the installation of a mixed choir in St. Stephen's Church, Broad and Butler streets. Musical directors are glad to have the privilege of obtaining women and girls for their choruses as they have found difficulty in securing men and boys to sing alto and soprano.

SUNDAY SCHOOLS FIGHT DRINK

Circulate Petition Asking Lawmakers to Ban the Traffic.

A half million children, under the auspices of the Pennsylvania State Sabbath School Association, are signing a petition to the Legislature, urging that the legislators make it unlawful to sell "or traffic in any manner in alcoholic liquors for beverage purposes."

Copies of the petition are being circulated in every Sunday school of the State and thousands of young men, women and children have already affixed their signatures. It is expected that 500,000 children will have signed the petition by January 1, when all the copies will be bound in one volume and taken to Harrisburg to be presented to the Legislature at the opening of its session.

ELECTRIC WORKER KILLED

Pennsylvania Railroad Employee Run Down by Express.

Bewildered by the approach of two express trains on the eastbound tracks of the Pennsylvania Railroad, between Bryn Mawr and Rosemont, this morning, Michael Barber, a workman employed on the electrification project, was unable to get out of the way and was killed. The train, one from Parkersburg and the other a Pittsburgh train, came around a curve. Barber was attaching binding wires on the rails as they approached. Fellow workmen shouted to him. He started to run across the tracks, then darted back. The Pittsburgh train, on the No. 1 track, struck him.

JERSEY PRIMARIES TOMORROW; BITTER FACTIONAL FIGHTS

Bull Moose Cuddle Up to Both Republicans and Democrats in Ocean County.

[FROM A STAFF CORRESPONDENT.] TRENTON, Sept. 21.—Tomorrow's primary day in New Jersey, the day when factional fights in all parts of the State will be determined, after which the Republicans, Democrats and Progressives will settle down to the work of trying to elect their respective candidates in the fall election.

The Bull Moose as a party are virtually eliminated in New Jersey this fall. In Passaic and Ocean Counties they have combined with the Democrats, which fact alone is taken to mean the death knell of the Rooseveltians as a party of weight.

In the primary fight in Hudson the voters will be called upon to decide which of two brands of Wilson Democracy they want. For the time being also, at least, will be settled the question of the supremacy in the country between the factions of Naval Officer H. Otto Witt-penn on one side and Governor Fielder on the other.

In the First Congressional District, consisting of Camden, Gloucester and Salem Counties, Representative William J. Browning, the Republican incumbent and

candidate, has no opposition within his own ranks. Sheriff Joseph E. Nowrey, Democrat, is one of the candidates for the Democratic congressional nomination in the First District, and Harry C. Richmond is another Democratic candidate. Nowrey, it is declared, will get the solid Democratic vote, eliminating Richmond almost entirely.

In the Second Congressional District the fight is very bitter in the Republican ranks. It is concentrated in Atlantic County, although Burlington, Cape May and Cumberland, the other counties of the district, have been drawn into it.

The four Republican candidates in the great fight for the nomination in the Second Congressional District are Assemblyman Emerson L. Richards, Isaac W. Bacharach, ex-Senator Griffith W. Lewis and Senator Blanchard H. White. The war, particularly between Richards and Bacharach, is to the knife.

The old Smith-Nugent faction in Essex will do its utmost to control the Democratic Assembly delegation, and the Witt-penn and the Fielder factions are at work in Hudson. One of the greatest fights in the northern part of the State is the Sheriff's contest in Hudson, in which Representative Eugene F. Kinkead is making a great fight for the Democratic rank.

Jersey Pardon Board Will Consider Burd's Story in November. TRENTON, N. J., Sept. 21.—Confessing a second time to the murder of Manning Riley in 1907, in order to save John Edward Schuyler, convicted of the crime but believed to be innocent, Frank Burd, a convict in the State prison here, has again placed his own life in danger. Burd's first confession was made on September 20, 1912.

The first confession was ignored by Prosecuting Attorney Richard Kuhl, of Flemington, and a Grand Jury, acting under directions from Governor Fielder, refused to indict Burd for the crime. The second confession will be presented to the board which will review Schuyler's application for a pardon. The board meets in November.

OLD MINES AT FRENCH CREEK REOPENED SCIENTIFICALLY

Iron Ore Rivals in Quality the Best in Country.

WEST CHESTER, Pa., Sept. 21.—The opening of the old iron mines at Falls of French Creek, this county, marks the revival of an industry which once was the leading one in the northern part of the county. The old shafts have been reopened in a scientific manner, and modern mining for iron ore will replace the primitive methods used for more than 150 years.

Thousands of tons of the finest iron ore mined are said to be left in the mine. The ore tests far better than any mined in the eastern part of the United States and rivals in quality that from Missouri. Much of the ore shows more than 90 per cent iron, and all runs more than 75. The vein just tapped is 40 feet in diameter and runs through a solid bed of granite, making timbering unnecessary. The entire bed of ore can be easily worked from the face of the gangways.

ASSERT THUGS WERE HIRED TO BREAK UP THE MEETING

Italians Protest Against Organization Leaders' Move.

Republican organization leaders are reported to have hired a number of thugs to break up a meeting tonight at the Italian Political League, 721 Carpenter street. The officers of the League have asked the protection of the police. The meeting is to be held to protest against political servitude in the Italian colony in Philadelphia. Certain candidates will also be endorsed to be voted for at the elections in November.

The speakers tonight will be M. Charles Martello, who will speak on "The Political Evils Existing in the Colony Today"; Joseph Pumoio, on "The Necessity of Organization"; Thomas S. Russo, on "The Results, Consequences and Benefits Derived from Such an Organization"; and Henry Di Brardino will revise the speeches in Italian. The meeting is scheduled for 8 o'clock.
