CONDUCTOR BADLY HURT; WIFE'S LIFE IN BALANCE

News of Accident on B. & O. Railroad Kept From Invalid Woman. The life of a Philadelphia woman hangs in the balance today as the result of the Baltimore and Ohio Railroad wreck Saturday night east of Woodlyn, Pa., where a southbound express train was derailed and three sleeping cars were rolled down an embankment.

Humrhouse is badly injured and may be crippled for life. The wreck Saturday night was the third he has been in since he went to work for the Baltimore and Ohio two years ago. About a year ago his spine was injured in a wreck in Illinois and he was laid up six weeks. The old injury has now returned and today he is in bed at his home wondering if he will ever regain the use of his limbs.

Mrs. Humrhouse has been under treatment for nervous prostration for seven weeks. She does not know that her husband has been injured and her physician has given strict orders that the news be kept from her. Any shock at this time, he says, might prove fatal. Accordingly every effort is being made to keep her unaware of the fact that her husband is lying on the verge of paralysis in an adjoining room.

Humrhouse was brought home yesterday morning by Dr. E. J. Morris, of the Baltimore and Ohio Railroad. The physician found him lying unconscious alongside one of the overturned coaches after all the injured had been taken out and cared for. When the crash came, according to the story the conductor told Mrs. A. Mundy, his mother-in-law, who is attending to him, his wife, he had just left the sleeping car and was in the parlor car.

The shock hurled Humrhouse the full length of the car against a door. For a split of injuries to his side and arm and the dull pain in his spine from the old hurt, he crawled through the window and went to work helping the injured at the overturned coaches. Presently a train arrived to take away the passengers. Humrhouse calmly made out the transfer tickets to this train. When his duty was completed he collapsed.

Rapid progress is being made in removing the wreckage from the Baltimore and Ohio tracks, and derricks now are in position to lift the three remaining derailed coaches. The trains of the road are still using the Pennsylvania tracks. Mrs. Julia E. Wimer, 65 years old, of Roanoke, Va., a patient at the Crozer Hospital in Chester, in the only one of the injured treated there whose condition is serious.

DIMMICK MEN FOR PINCHOT

League of Anti-Penrose Republicans Issues a Call. The anti-Penrose Republican League of Pennsylvania, which was formed a week ago by men who supported the candidacy of J. Benjamin Dimmick, of Scranton, for the United States senatorial nomination on the Republican ticket last spring, has issued a call to all Republicans to support Gifford Pinchot, the Washington party nominee, to rid the State of Penrose and Penroseism, "which has traded too long on the fair name of the Republican party."

The league has also announced its committee, of which a majority of the members are temperance leaders of the State.

Fusion Plans Approved

LEBANON, Pa., Sept. 21.—The action of Prof. William Draper Lewis, of Philadelphia, in withdrawing as the Washington party nominee for Governor in favor of Vance McCormick, the Democratic nominee, in the hope of defeating Penroseism, and the action of the Washington party State Committee in placing McCormick on its ticket, was approved by the Lebanon County Washington party committee in session here. Arrangements were also made to have Lewis here on October 1 for the opening meeting of the campaign in Lebanon County.

ANTI-LIQUOR VOYE MENACE TO PENROSE IN CHESTER COUNTY

Growing in Strength and Opponents of the Senator Equally Zealous in Support of Dr. Brumbaugh. WEST CHESTER, Pa., Sept. 21.—Senator Penrose in his present campaign in Chester County finds that he has the anti-liquor element to deal with. Mr. Cole, the head of the Anti-Liquor Organization in this county, has made a careful summing up of the temperance vote and he figures that the vote will be fourfold larger than it has ever been in the past. He says the temperance tide has been rising since June. T. L. Eyre and County Treasurer Fred McDonald, as delegates to the meeting of the State Republican Committee, voted for the local option resolution.

Mr. McDonald, chairman of the County Republican Committee, is expected to wield his power, along with that of Mr. Eyre, in the effort to convince the voters that their vote on local option was the right thing under stress of present conditions and that it really meant nothing save to nullify the people. Chester County will undoubtedly give a majority for Doctor Brumbaugh for Governor. On this point all parties and factions seem to agree. To all intents and purposes the sentiment against Mr. Penrose is nearly as pronounced.

The Penrose people are carrying on what is classed as a "foxy" campaign. The old-time Republican courage appears to have oozed out and this condition of affairs serves further to accentuate a statement that "things are different now" that the machine which for many years boldly carried aloft the Penrose banner is now compelled to work for his return to the United States Senate in a rather surreptitious manner. The average voter here has grown wiser than he was a few years ago, and in proportion to his taking on wisdom he has become entitled with a hardword which comes with casting off the collar of bossism and standing forth a free man.

It is said upon good authority that Mr. Penrose is being kept advised of the changed condition. There is no announcement as yet that the Senator is to visit Chester County during this contest. To those who are not informed on the conditions, this seems very strange, but to those who know what's doing, the reason for his staying out of the county is obvious.

Dr. Brumbaugh is to come here some time during the campaign and his visit will serve to bring out the strength of the Republican forces as well as many others who are quietly resolving to give him the support.

WILLIAMSPORT WORKMEN OFFER BRUMBAUGH SUPPORT

Republican Candidates and Colleagues Get Cordial Greeting. WILLIAMSPORT, Pa., Sept. 21.—Martin G. Brumbaugh, Republican candidate for Governor; Frank G. McClain, candidate for Lieutenant Governor; Henry Houck, candidate for Secretary of Internal Affairs, and other members of the Republican campaign party arrived in Williamsport this afternoon and received an enthusiastic welcome from local members of the party. They were met at the Pennsylvania station by a large reception committee, which included Congressman Edgar R. Kless and County Chairman James C. Watson.

After impromptu greetings the party embarked in automobiles and were escorted to the manufacturing centre of the city. At the Sweets Steel Works the entire plant was closed down for a half hour to permit the employes to greet Doctor Brumbaugh. Assurance of support was given him by workmen at many of the industries which he visited. From 4:30 to 5:30 a reception was held at the Young Men's Republican Club. A rally will be held at the courthouse this evening.

R. M. LITTLE COMES OUT IN SUPPORT OF PALMER

Former Dimmick Man Says Many Will Follow His Course. Further indorsement of the candidacy of Congressman A. Mitchell Palmer for the United States Senate has been given by R. M. Little, a member of the City Club, a leader in organized labor and a Republican and warm friend of J. Benjamin Dimmick. Many advocates and supporters of Mr. Dimmick, Mr. Little says, are now working for Mr. Palmer. In repudiation of Senator Penrose, Mr. Little declared that if Mr. Penrose was a Republican he himself did not wish to be classed as such. A list of names of Dimmick's supporters, who have rallied to Palmer, Mr. Little said, would soon be made public.

JERSEY PRIMARIES TOMORROW; BITTER FACTIONAL FIGHTS

Bull Moose Cuddle Up to Both Republicans and Democrats in Ocean County. [FROM A STAFF CORRESPONDENT.] TRENTON, Sept. 21.—Tomorrow's primary day in New Jersey, the day when factional fights in all parts of the State will be determined, after which the Republicans, Democrats and Progressives will settle down to the work of trying to elect their respective candidates in the fall election. The Bull Moosers as a party are virtually eliminated in New Jersey this fall. In Passaic and Ocean Counties they have combined with the Democrats, which fact alone is taken to mean the death knell of the Rooseveltians as a party of weight. The fights within the Democratic and Republican ranks, however, are numerous, and some of them are bitter.

In the primary fight in Hudson the voters will be called upon to decide which of two brands of Wilson Democracy they want. For the time being also, at least, will be settled the question of the supremacy in the county between the factions of the other H. Otto Wittpen on one side and Governor Fielder on the other. Wittpen has a complete county and congressional ticket in the field under the standard of "Progressive Democracy" and the ticket against him is the "anti-boss" ticket against him. Fielder, who is in Hudson, is not taking an active interest in the pre-primary fight, but it is generally believed that he is staking his interests on the legislative ticket in the field which is against Wittpen.

In the First Congressional District, consisting of Camden, Gloucester and Salem Counties, Representative William J. Browning, the Republican incumbent and

OLD MINES AT FRENCH CREEK REOPENED SCIENTIFICALLY

Iron Ore Rivals in Quality the Best in Country. WEST CHESTER, Pa., Sept. 21.—The opening of the old iron mines at Falls of French Creek, this county, marks the revival of an industry which once was the leading one in the northern part of the county. The old shafts have been reopened in a scientific manner, and modern mining for iron ore will replace the primitive methods used for more than 150 years.

Thousands of tons of the finest iron ore mined are said to be left in the mine. The ore tests far better than any mined in the eastern part of the United States and rivals in quality that from Missouri. Much of the ore shows more than 50 per cent. iron, and all runs more than 75. The vein just tapped is 40 feet in diameter and runs through a solid bed of granite, making timbering unnecessary. The entire bed of ore can be easily worked from the face of the gangways.

ASSERT THUGS WERE HIRED TO BREAK UP THE MEETING

Italians Protest Against Organization Leaders' Move. Republican organization leaders are reported to have hired a number of thugs to break up a meeting tonight at the Italian Political League, 721 Carpenter street. The officers of the League have asked the protection of the police. The meeting is to be held to protest against political servitude in the Italian colony in Philadelphia. Certain candidates will also be endorsed to be voted for at the elections in November.

The speakers tonight will be M. Charles Martello, who will speak on "The Political Evils Existing in the Colony Today"; Joseph Pomilio, on "The Necessity of Organization"; Thomas S. Russo, on "The Results, Consequences and Benefits Derived from Such an Organization"; and Henry Di Brardino will revise the speeches in Italian. The meeting is scheduled for 8 o'clock.

CONFESSES ANEW TO MURDER TO SAVE MAN NOW IN JAIL

Jersey Pardon Board Will Consider Burd's Story in November. TRENTON, N. J., Sept. 21.—Confessing a second time to the murder of Manning Riley in 1907, in order to save John Edward Schuyler, convicted of the crime but believed to be innocent, Frank Burd, a convict in the State prison here, has again placed his own life in danger. Burd's first confession was made on September 30, 1912.

The first confession was ignored by Prosecuting Attorney Richard Kuhl, of Flemington, and a Grand Jury, acting under directions from Governor Fielder, refused to indict Burd for the crime. The second confession will be presented to the board which will review Schuyler's application for a pardon. The board meets in November.
