GINNNA TRENDS GLASH WITH PHILS IN DOUBLE BILL

First Game Begins This Afternoon at 1:30 o'Clock. Tuesday's Contest Has Been Called Off by the Management.

Owing to the demand for double-headers the Philly management has arranged with Manager Herzog, of the Cincinnati Reds, to stage a double engagement this afternoon at the Philadelphia ball park.

Now that the Giants are really out of the race, the only thing of interest before the series begins is the test between the Athletics and the High League leaders for the honor of outdistancing their respective second opponents.

While there has been much talk about the secrecy of the draft this season, nothing official concerning this matter was given out until yesterday.

Brooklyn is still winning. They completed their tenth successive victory yesterday when they crushed the Pirates.

It now appears that Manager McGraw will put his foot down on the proposed series between the Giants and the High League.

MACKS TO PLAY LAST GAME WITH CHICAGO TODAY

Athletics Now Have Clear Field to Goal—Series Details Will Be Arranged in This City Wednesday.

CHICAGO, Ill., Sept. 25.—All doubt as to the ability of the Athletics to come through with the pennant flying this year was dispelled when the Red Sox were smothered by the Browns and Robert Shawkey was gaining a victory here for his champion comrades.

Connie Mack has not been holding his players back according to one of the team who is in close touch with the management.

Next Wednesday the National Commission will meet in Philadelphia to arrange all of the details of the series. It has already been announced that the sale of tickets for the games in Philadelphia will be left in John Shiver's hands.

CAREY GETS AN EVEN BREAK

Substitute for Yelle Holds Freddy Kelly to Draw.

Fred Yelle, of Boston, refused to meet Freddy Kelly, of his city, in the windup at the Kensington A. C. last night, when the latter turned the scales at 14 pounds instead of 12, at which the match was made.

Freddy Kelly, of Mahanick, and Jack Farrell, of the City Ward, put up the best bout of the night.

GRIDIRON NEWS GLEANED FROM COLLEGES

Pennsylvania and Gettysburg to Furnish Gridiron Fireworks at Franklin Field This Afternoon in First Big Local Test.

By EDWARD R. BUSHNELL

The University of Pennsylvania football team will get its first test of real gridiron battle this afternoon when the Red and Blue lines up against Gettysburg in the initial game of the season.

NEW HAVEN, Sept. 25.—A long signal field with the line-up which probably started the game, was a surprise to the spectators.

CAMBRIDGE, Mass., Sept. 25.—Harvard was on the field for an hour yesterday working through the usual routine of practice.

PHILADELPHIA, Sept. 25.—Cornell faces a formidable early season test today in Pittsburgh, which will be the first of the line-up.

SOUTH BETHLEHEM, Pa., Sept. 25.—Lehigh ends itself in the preliminary of play, which is a practically green team against Franklin and Marshall in the opening game today.

WEST POINT, Sept. 25.—The Army went through an hour's practice yesterday afternoon.

ANN ARBOR, Mich., Sept. 25.—Michigan's long signal field yesterday.

PROVIDENCE, Sept. 25.—Final practice at Brown was largely on signals, final formation, tackling and blocking.

PHILADELPHIA, Sept. 25.—The Carlisle Indians play their first important game of the season today at Clarkburg, W. Va., against the Westview College eleven of that State.

CLEVELAND, N. Y., Sept. 25.—Hamilton College meets St. Stephen's here today.

RULE CHANGES NOTED. There are several important changes in the football rules for 1914 which spectators should bear in mind as they watch today's game on Franklin Field.

1. Coaches must take seats on the players' benches. They are no longer permitted to walk up and down the side lines.

2. The kick-out from the 20-yard line following the making of a safety or a touchback has been abolished.

3. A fourth official, the field judge, has been added. His appointment, however, is optional and he will probably be used only in the big games.

4. A player, finding that he cannot make a forward pass successfully is no longer permitted to throw the ball over the ground and claim an "uncompleted" forward pass.

5. Teams are not allowed to encroach on the neutral territory in making shift plays.

6. A free kick which hits the goal posts and bounds back into the field becomes a touchback.

7. Hiding a player on the side lines, under the pretext of fixing his shoe, where he may be in position to take a long pass to the side and have a clear field for a touchdown, is a form of deception frequently tried but rarely successful.

8. The other changes in the rules are comparatively unimportant and refer for the most part to the forward pass.

A Number of College Football Squads Are Primed for Action Today—Princeton Meets Rutgers; Harvard vs. Bates.

AL SHARPE'S system has worked many changes for the better, and Cornell will take the field with an established system of attack and defense, and it is more than likely that the defeat of last year will be wiped out.

For the most part the other games will be merely tryouts for the larger colleges.

JUMPER CRANE TO BE VALUABLE MAN FOR PENN'S SQUAD

Holder of World's Interscholastic Record Will Be Most Welcome Since Crack High Jumpers Are Scarce.

Albert Crane, of Tacoma, holder of the world's interscholastic high jump record, is reported to Track Coach Orton, at the University of Pennsylvania.

Crane has figured in several high jumping contests along the Pacific coast. At Chicago last year he won first place in the interscholastic high jump. He promises to break some of the collegiate records in this event.

Crane's style of high jumping is what is termed "straight over," which consists of a running high jump and dive.

"Ted" Meredith, world's holder of the quarter-mile record, returned to Penn yesterday morning. Meredith is in the pink of condition.

Lawrence B. Huston, captain of Penn's cross-country team, has issued a call for candidates to report next Tuesday.

Stanley Root, the former Penn cross-country champion, was in late years been running under the colors of the Mercury A. C., has been engaged to assist Coach Orton in developing the Red and Blue cross-country team.

The National Commission will soon have to change its draft rules, inasmuch as the importers are now out of business.

If yesterday's crowd at the Philly park is a fair sample of what is to be for the rest of the season, Cravath need have no fear that he will hit any spectators with home run drives in the bleachers.

Either the National Commission or the Baseball Writers' Association should promulgate some definite rule with regard to the leading batsman of the league.

"Wild Bill" Donovan led the Providence club at a fast clip this season and was named as the best pitcher of the year when he participated in so few games, comparatively speaking.

"Snowy" Baker, the Australian promoter, is getting up a monsteristic carnival of the proceeds of which are to go to the war fund.

The veteran pitcher is rated as the best manager in the International League, with the exception of "Jack" Dunn.

THE GOLFERS' AFTERMATH. A recent incident calls to mind several repetitions of the unusual that occurred in the 18th hole tournament.

Both players drove the green which calls for a mangle shot. In each instance the man who was one down putted first and hung on the edge of the cup for a mere three.

The final match in the St. David's tournament was a struggle between the two men who were one down.

Alexander H. Findlay, the pioneer of golf in this country, is likely to be seen at the "Alec" club playing a game that will rank with the best.
