

TYPES OF FIGHTING MEN AND OTHER PERSONS AND THINGS PROMINENT IN THE NEWS

FRENCH HEAVY DRAGOON
His principal purpose is to engage in short, powerful charges designed to break up infantry attacks. He is provided with a heavy mount whose weight is the principal factor in such charges.

IMPERIAL BEAUTIES OF RUSSIA AS WAR NURSES
The Carolina and her two eldest daughters, the Grand Duchesses Olga and Tatiana, are shown in the middle row as they appear on duty at the Imperial Hospital in Petrograd.

DUTCH SOLDIER IN HIS ENVELOPING TENT-CLOAK
Guards belonging to Queen Wilhelmina's army who are watching the Belgian frontier wear these garments, which may be buttoned from head to foot, or two of which, fastened together, can be converted into a tent.

FRENCH LIGHT DRAGOON
His scarlet trousers and burnished helmet, with its streaming tail of horse hair, make him a picturesque figure. Here an expatriated Belgenne is providing him with a tiny flag in her country's colors.

"DRIVE THE TENDERLOIN INTO THE QUARTERS OF THE RICH"
Mrs. Katherine Bement Davis, New York's Commissioner of Correction, in an interview, declares this is the only way to rid a city of undesirable women.

SUFFRAGIST QUILTS CAPITAL
Miss Doris Stevens is leaving Washington to go to New York, where she will take charge of the office of the Congressional Union for Woman Suffrage.

INFANTRYMAN OF AUSTRIAN LANDWEHR
He was summoned to the firing line at the age of 58 from his little farm in Galicia. His face and attitude suggest that he might make a dangerous antagonist.
