Willard Says He Will Finish Moran Quickly

By JESS WILLARD

Just to prove to the public that this fight is on the level and that it is not a "stalling" contest, I am going to finish Moran at the earliest possible moment. I am not going to delay beating him down for the sake of giving the fans a few more rounds of boxing. It is up to me to defend my title and do so in the most impressive way. I am in great shape and will be able to go at top speed from the first tap of the gong.
