Grammes, Harold S. Miller, Frederick G. H. Haaskarl, Louis Schmidt-konz, Louis G. Hanse. Front row, Arthur S. Deibert, Phares G. Beer, Elmer S. Kidd, Elmer L. Lelsey, Henry C. Egner, Harvey T. Sell.

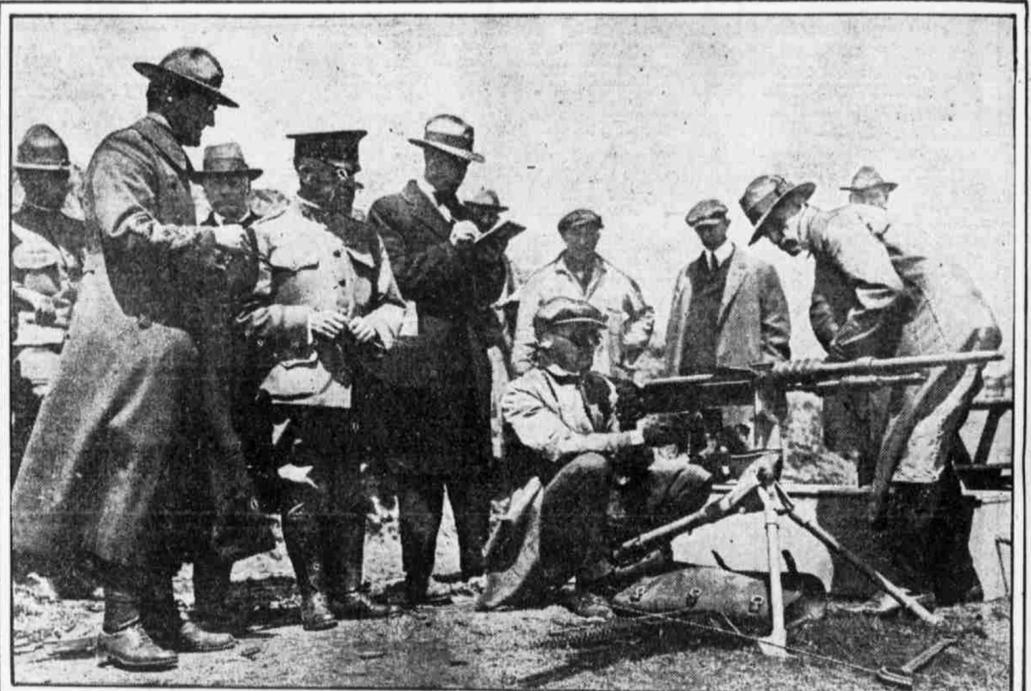

LATEST MODE IN GAS MASKS FOR AMERICAN TROOPS  
The first expeditionary force from this country to France will be supplied with protectors similar to the new masks worn by the Canadian soldiers in the picture.

ARMED MOTORCYCLE PRODUCT OF PHILADELPHIA FIRM

A Market street automobile concern has mounted a machine gun on a cycle in such a way that the fire can be directed while going at full speed. The arrangement has been submitted to the Government.

NEW MACHINE GUN PUT TO RIGOROUS TEST BY ARMY OFFICERS

The Hotchkiss automatic machine gun is being tried out at Chicopee, Mass., under the supervision of General F. H. French, of the army machine gun board. The gun, which is being used by the French army, is capable of firing 500 shots a minute.

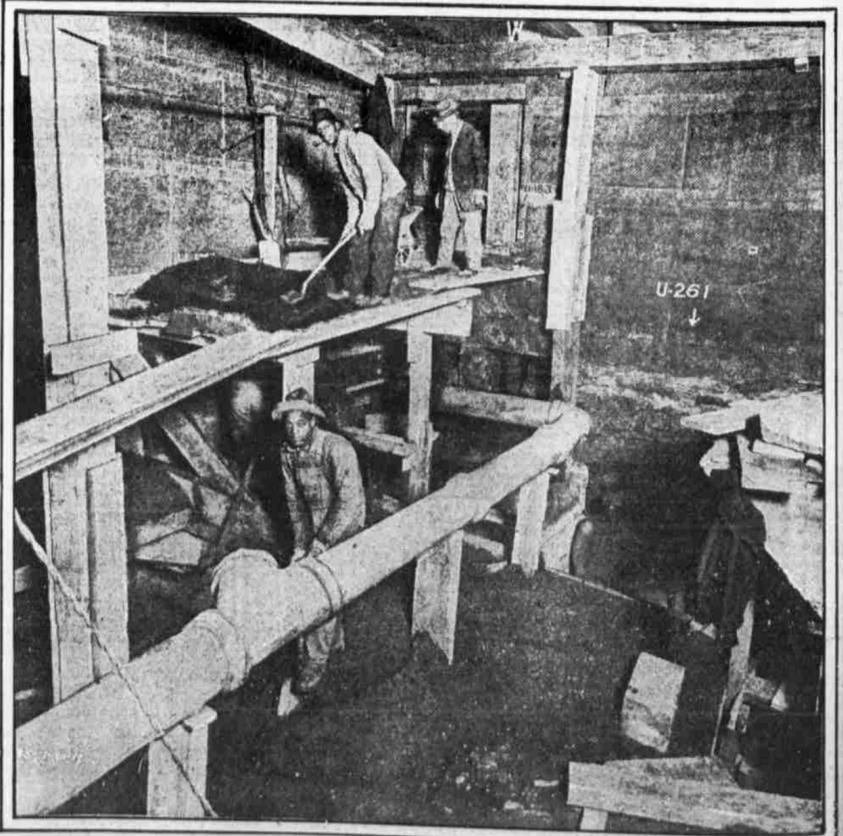

FARMING EN MASSE PREVAILS IN PATRIOTIC NEW YORK COMMUNITY

Members of the Rockland County Patriotic Society, who had organized themselves into a home defense league, decided to stop drilling long enough to convert a ten-acre weed-covered tract into a promising truck garden.

INMATES OF HEBREW ORPHANS' HOME, TWELFTH STREET AND GREEN LANE, PREPARE TO RAISE WINTER SUPPLY OF VEGETABLES

EXCAVATING BENEATH CITY HALL COURTYARD WHERE THE BROAD STREET SUBWAY WILL RUN FORTY FEET UNDERGROUND
