Charged With Manslaughter After Accident in Which 8 Were Killed

Perth Amboy, N. J., June 16.—(By A. P.)—Theodore Brown, locomotive engineer, and Arthur Higdon, a railway conductor, were arraigned today on a charge of manslaughter growing out of the death last night of eight firemen who were killed when the trainmen's engine struck a fire truck at the Market street crossing of the Central Railroad of New Jersey.

The firemen, who were members of a volunteer organization, were on their way to fight a small blaze at the truck when it was struck by the engine.

Some witnesses of the accident declared that Andrew Thomas, sixty-four, the gate tender, waved a red flag when he saw the fire truck approaching.

The Public Utilities Commission today was requested by the Board of Aldermen to take immediate steps to abolish all grade crossings in Perth Amboy.

VOTERS' LEAGUE PLANS CAMPAIGN

To Work for Election of Proper Candidates for Public Office

MEMBERS ARE SOUGHT

Nomination and election of proper candidates for public office in order that the interests of the city may be protected—this is one of the objects of the Voters' League, which is being organized by men of prominence who have taken an active part in civic affairs.

The preliminary work of organization has been completed. Invitations were sent yesterday to more than 100 prominent men and women to become members of the new body.

Some of the purposes of the new organization were set forth in a statement issued by Thomas Raeburn White.

The league will adopt a plan for permanent organization on June 23 and discuss steps to be taken regarding the September primary elections.

The league will be of vastly different structure than any similar institution organized in the past for the purpose of bringing about municipal reform.

As set forth in the invitation it is designed to "guard and promote the interests of the citizens of Philadelphia in the improvement and enforcement of laws, in the administration of the City and County Government and in the nomination and election of candidates for public office."

The Committee of Seventy and the Women's League for Good Government have endorsed the new organization.

Work upon preliminary organization of the league has been progressing for several months under the auspices of the following men and women: Thomas F. Armstrong, Richard L. Austin, Leopold N. Brewer, Mrs. Edward W. Bidde, George Burnham, Jr., George W. Coles, Percy H. Clark, William D. Dixon, Mrs. Frank Miles Day, Russell Duane, James A. Ewell, Powell Evans, Albert Smith Faugh, Samuel S. Feis, Vivian Frank Gable, Joseph H. Hagerton, Hazard Henry, Mrs. M. J. H. Hubbs, H. B. H. W. Beatty Jennings, James Collins, Jennie Mrs. Arthur H. Lee, Arthur H. Lee, Robert E. Lambert, Hugh McVain, Mrs. M. J. Marzolla, Mrs. Imogen B. Oakley, George D. Porter, John M. Scott, Mrs. Samuel B. Scott, Samuel B. Scott, Joseph B. Van Dusen, Jr., George Woodward, John Walton and Thomas Raeburn White.

The meeting for permanent organization and the election of officers of the league will be held in the Red Room of the Hotel Adelphi tonight at 8 o'clock on June 23. Meanwhile, replies to the invitations to charter membership should be sent to the Voters' League, c/o Arthur H. Lee, 96 Drexel Building.

CRIPPLE ON SLACKER LIST

Atlantic City Man, Deformed From Childhood, Wrongly Accused

Atlantic City, June 16.—The War Department's official list of Atlantic City slackers, released for publication today, contains the name of P. D. Pettit, Jr., 213 Grafton avenue.

Pettit, it is disclosed, is not a slacker. He is crippled in both arms as a result of a childhood affliction, and is unable to bend his elbows.

"This is not a party question, and we must wake up to it, whichever party is in power. You have to prevent the party from being completely in the hands of a few men."

"The worst thing that has happened to America is this wave of pure nationalism that has swept over the country since the armistice. I know many of both parties who have dropped back to talk on merely how their pockets are affected. If that goes on this democracy of ours will be an empty thing and will disappear."

"We have got to make a beginning now by an agreement to limit naval armaments."

TWO WIVES CLAIM RICH SPORTSMAN

D. F. Mackay's Secret Marriage to Chorus Girl Revealed by Divorce Suit

WAS NOTED YALE ATHLETE

New York, June 16.—After six years of the closest guarded secrecy, the marriage of Donald Francis Mackay, former Yale athlete, sportsman and wealthy man about town, to a member of the Ziegfeld chorus, became known yesterday.

Coincident with it came the discovery that Mr. Mackay has since been married to a divorcee prominent in New York society, and that he is not yet free from his first marriage.

The first marriage was the aftermath of a gay party on the New Amsterdam roof in 1915. The second was performed in Connecticut.

Ola Harting, a beautiful member of the chorus of the Ziegfeld chorus, is the first Mrs. Donald Mackay. Mrs. J. M. Galloway, who is Mrs. Beatrice Wright, is Mrs. Mackay No. 2.

PROSECUTOR SEEKING DIVORCE

While the second Mrs. Mackay is living happily in the expensive apartment of the former college athlete, her predecessor is suing for divorce in Poughkeepsie. Mr. Mackay's memory of his first marriage apparently is very dim.

When asked about it yesterday by a reporter, he admitted having been intimate with the former chorus girl.

He did not deny the facts put forth in the marriage license of Donald Francis Mackay and Ola Harting issued in New York on May 24, 1915. The certificate of marriage was also found by the reporter.

DIDN'T KNOW HE WAS MARRIED

Mrs. George D. Mackay, his mother, also denied any knowledge that her son had married Miss Harting.

"I know he was intimate with her for many months," she said, when found by a reporter at her country place in Pleasanton, N. Y. "but I understood he had not married her."

Mrs. Mackay No. 2, who is the mother of two children by her first marriage, also denied her husband had married previously. But she was very reticent about the facts surrounding his connection with the former Miss Harting.

DITTLEMUIR TO GO HOME

Man Who Brought Child Here in Freight Car Reprimanded

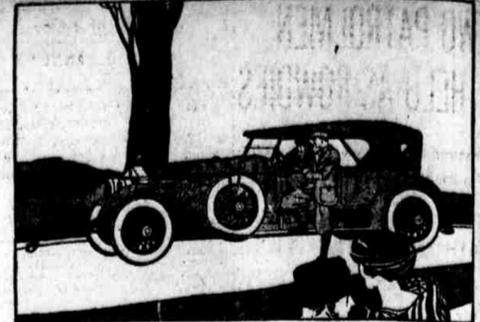

Albert Dittlemuir, the Baltimore man who was held by Magistrate Dougherty yesterday for bringing his four-year-old daughter Bessie to this city on a freight train, will be sent back to Baltimore with the child.

He was discharged with a reprimand by Magistrate Dougherty at his further hearing today and sent to City Hall to await the arrival of a Baltimore detective.

Dittlemuir's mother, Mrs. Tunnie Dittlemuir, has been taking care of the child and her invalid father for some time. Dittlemuir's wife, Grace, seven-year-old, does not live with her husband. The elder Mrs. Dittlemuir will continue to take care of her son and his daughter as soon as they return to their home.

BERLIN AMENDS ARMY LAW

Berlin, June 16.—(By A. P.)—The Reichstag yesterday passed a bill amending the army law in accordance with the demands of an ultimatum of the Allies. The chief change is that the law now provides that the army shall consist of 100,000 men, including a maximum of 40,000 officers or officials with the rank of officers.

The girls wouldn't use the office bubbler

"It's almost as dangerous as the common office glass," they maintained.

So paper cups were installed. Everyone welcomed the improvement. "It beats stooping over the bubbler," said the girls. "It gives us a real drink," said the book-keeper. "It tones up the office," even the boss admitted.

At lunch hour, the girls went for sodas. The clerks were too rushed to do more than douse the glasses in water. Yet the girls had justly condemned the common office glass as unclean!
