Friend or Enemy!!

WHEN you buy a watch you make a friend or an enemy.

The watch that is always needing repair and is difficult to put right, if any part goes wrong, becomes an enemy to your purse, and makes you an enemy of the jeweler you bought it from. Its cost increases the longer you carry it.

Why not be sure that the watch you buy has behind it the integrity, and in it the

ability of the oldest and most experienced watch-making establishment in the country. A Watch that is easily repaired and, if given reasonable care, will give you dependable service as long as you live.

A beautiful Watch, a faithful friend.

Consult your jeweler. He knows Waltham Watches.

By Lee Pape

Yesterday afternoon our class had a election to see who was the most popular fellow before school closes for the summer. The election being between Reddy Merfy and Sid Hunt. and at lunch time and Puds Simkins was wawking home talking about who we was going to vote for, me saying, This will be a grate chance to get even with Reddy Merfy all rite, I wouldnt vote for that guy if the world was coming to a end and I didnt have enybody else to vote for, that guy makes me sick, he thinks he owns the earth.

That's only wat he thinks, well he'll find out this afternoon all rite, sez Puds Simkins, just because he can see better than enybody else he thinks he can have whatever he wants, well just let him wait and see, thats all I got to say, I wouldnt vote for that guy if I was starving to deeth.

And we kept on talking about the different derly meen tricks Reddy Merfy had did to us, and all of a sudden jest then somebody came up in back of us and put one arm around my shoulders

as if he thawt we was 2 of the great-est people in the world, and who was it but Reddy Merfy, saying, Hello fellows, hello Benny, hello Puds, wats you 2 talking about so confidential?

O, nothing particular special, I sez, and Puds sez, O, nothing special particular, and Reddy Merfy sez, Well, wat ever it is I gess it was all rite because you 2 fellows certeny know a lot, you 2 fellows do, I certeny like you 2 fellows and always did, and wats more if enybody gets fresh with either

of you 2 fellows wy all you got to do is jest come and tell me and Ill nock their block off.

And he kept on wawking between us with his arms around our shoulders making us feel as if we was all rite, and after a wile he sez, O by the way, I aint sutch a bad guy after all, maybe Ill vote for him after all for all I know.

So will I, maybe, for all I know, sez Puds.

Proving everything depends.

"I won't carry throat germs to those at home"

All day long—in the office or shop, in the cars, the crowded stores—you have been breathing in germs of sore throat, tonsillitis, influenza. In the warm crevices of throat and mouth they multiply rapidly.

The folks at home may be less able than you to resist these armies of ill-health and the home-coming kiss may bear the dread germs of disease.

A pleasant—almost candy-like—Formamint dissolved in the mouth now and then during the day makes the mouth fluids antiseptic, keeps germ-growth within bounds, and forms a strong defence against disease.

If the throat is already sore, the frequent use of Formamint keeps the membranes bathed in this splendid antiseptic, allays inflammation, prevents new infection and gives the tissues a chance to heal.

Children are glad to use them and should do so freely, as crowded school-rooms are fruitful fields for the spread of throat infection.

Recommended by throat specialists, physicians, dentists and druggists.

Pierce-Arrow

Right at the beginning of the closed car season, Pierce-Arrow comes forward with three improvements that bring the enclosed-drive cars nearer the ideal of an all-purpose car.

THE three Sedans and the Coupe have the upright pillars made one-half narrower, but still rigid. The sweeping view from the car is almost unbroken. There are no blind spots to bother the driver or mar the pleasure of the passenger.

THE glass drops to the level of the window sills, so that when open the car is as airy as a touring car.

An ingenious dome light ventilator and another in the cowl insure pure air when the weather is cold.

See the latest Models

THESE are the kind of ideas that give the Pierce-Arrow its distinctive class and attract the prospective purchaser to the showroom to study the various models at close range.
