PERSONALITY

Our Intercourse With Our Fellow Men Described and Analyzed

Dr. Abraham Myerson analyzes th fundamentals of character in his weighty and interesting contribution to medical psychology, "The Foundations medical psychology. "The Foundations of Personality" (Little, Brown & Co.). The book is not panderens; it is weight in the sense that it has the weight of expertness and experience to give it authorititave value. It is written in a clear and fluent way that will commend its estimations and findings equally to the medical practitioner and to the interested layman who wishes to be in formed, our whose interest in such books is more aften than not chilled by their formidable technic. Dr. Myerson can be and is technical, without being

He predientes his work on the tehable thesis that man's intercourse with his fellows is based their understanding of their characters and that upon succesin rending the characters of others with whom his contacts are ran in desemble great deal of the individual's success

or failure in life.

Among the teples clearly and analystcally discussed by Dr. Myc. on are the
elements that make up climinates, the relationships between mind and char- ned acter, and between brain and body, how made character is influenced, low traits and Book RELATIVES in ambien heredity and the products of charge the types are explained, the courgies of man are traced as they expend them-

new," a couple of assistant villatus, week, vacillating, property is the set of petty villatus, property is the set of petty villatus their master merely suggests; a villatus selfish. Then add a hore model in the mold used since the first swash buckling novel was carved on the rocks by the first "best soller," and a heroine, as beautiful and as animiteresting as a summer day. Let villatus the last changer and there can have the first selfish. Then all and as animitered as the first selfish. The subject of course, is the first "best soller," and a heroine, as beautiful and as animitered as the first selfish the first selfish the last changer day. Let villatus the last changer and there can have selfish the wester self and the last of the Middle West, who are sometimed in the wester selfish the Magnitudes of the Middle West, who are sometimed in the last change and there is an art friend and the selfish the Magnitudes are formed by a huge let of native wit and innute shrewdhoss.

The teacher of the Middle West, who are sometimed by a huge let of native wit and innute shrewdhoss.

The teacher of the Middle West, who are sometimed by a huge let of native wit and innute shrewdhoss. Company , which is therefore hierer's contribution to present day fletion. Contribution to present-day fletion.

Of scarse you'll know that the self-sacrificing here, who took on himself the stain of card-cheating to save his weaker younger brother who had me, the favor of the girl both loved, will win out in the end. But before that you'll be taken on his jounts on English heaths as a highwayruan—the lordly self-sacrification.

worth perusing once and then again and again.

The Folietts Like it

Mr. and Mrs. Wilson Foliett read proof on Hu, h Wiley's newest Wildert book, "Lady Luck"—but they had a hard time doing it "We may have overslooked one or two small things," writes Mr. Foliett. "We were harribly handicated the first of the Luckur of the L capped by laughter. There's been no such upfour in the shop for years. My sides are sure; and if there's a permanent lesion or rupture anywhere you're going to get a surgeon's hill from me, with a thorough cursing for putting out that is even to follow and produce of the product of the surface of the surf with a thorough cursing for putting out any such dannest dangerous book. If you don't issue, on the jacket, a warning to those with weak hearts, you'll have murder, no less, on your conscience.

And E. Temple Thurston's At- Feminine Characteristics Burtempt to Use Him on the Stage

An episodic play is generally more effective in the reading than in actual production on the stage, probably because a reader can regard it simply as a story, forget the stage directions and bridge the gains in time as he might bridge the necessary jumps in any novel, since few, if any, observe the street entities.

"The Wamiering Jew" (G. P. Puthnam's Sons), then, is probably more effective as a closet drama than as a pleze of practical thegrical production good work in which she does not inter-

The nutther, E. Temple Thurston, has wrought a thing of medieval splender, which she took with a donkey, after of lists and palaces, closing with a pre-tentions and spectagnian series of Denkey. Her two friends insist on some based on the Inquisition and going with her. They are overtaken by
