150 Women's Woolen Dresses Special at \$22.50

There are wool jerseys in a particularly good firm weave, either embroidered or in the sports style which so many women like.

There are fine all-wool tricotines and Poiret twills made in simple tailored fashion or combined with satin so that they are quite suitable for afternoon wear as well. Some have dainty vest effects of lace,

we could find, and every one would ordinarily sell for a much higher price. Navy, black, brown, brick, henna, all these colors are here and sizes from 34 to 44 inches.

A Pretty New Hat Does Heighten That Holiday Feeling

Especially if the old hat has grown a bit jaded and stale. There are a great many pretty hats in these Millinery Salons.

Numbers of them have been much reduced in price. Some of them are now marked so little that even the woman who

chase no extravagance at all. As for children's hats, it would be a shame for any little girl not to possess a becoming one when there are so many pretty ones here at such small prices.

But there may be need to remind people who wish to give easy chairs that they should give the kind that can be depended upon to do them credit. If they are as particular about the choosing of easy chairs as we are about

the making of them, they are bound to get the right kind. The variety shown here in tapestry, velour and mohair plush, leather and

other coverings is believed to be the largest at the service of the public. The furniture displays are full of other gift pieces in a variety that is

fascinating in range and character. One has to see an exhibition of this kind to understand how much a gift

of good furniture can mean.
