

BULLETS AND GAS KILL FIVE PERSONS

Three, One a Woman 81, Are Found Dead From Fumes—Two End Lives With Pistols

POLITICIAN KILLS HIMSELF

Police are continuing their investigation today of yesterday's list of deaths from gas.

An eighty-one-year-old cripple, Mrs. Mary Stimple, was found dead from gas in her home, 6307 Saybrook avenue, West Philadelphia, by her husband. She is said to have been despondent over continued ill health.

Among other deaths from gas was that of Thomas Moore, fifty years old, a former member of the Republican City Committee. He was found dead in his home, 3210 Fairwood avenue. His wife had been confined to a sanitarium for a long time, and this is be-

lieved to have preyed on his mind, causing him to commit suicide.

Mrs. Elizabeth McCullen, fifty-two years old, 1513 South Water street, was found dead in her home with the gas jet open. The body was taken to Mount Sinai Hospital.

Two other suicides were caused by pistol shots. William Levitt, sixty-two years old, 5112 James street, went

into a shanty in the rear of his home and shot himself. Twenty minutes before he had been chatting gaily with friends.

Alexander Gaston, forty years old, 1420 West Cumberland street, ended his life by firing two shots into his head. Neighbors heard the shots and found the pistol in his hand. He had been out of work.
