Ends Stubborn Coughs in a Hurry

For real effectiveness, this old home-made remedy has no equal. Easily and cheaply prepared.

You'll never know how quickly a bad cough can be conquered, until you try this famous old home-made remedy. Anyone who has coughed all day and all night, will say that the immediate relief given is almost like magic. It is very easily prepared, and there is nothing better for coughs. Into a pint bottle, put 2 1/2 ounces of Pinex; then add plain granulated sugar syrup to make a full pint. Or you can use clarified molasses, honey, or corn syrup, instead of sugar syrup. Either way, the full pint saves about two-thirds of the money usually spent for cough preparations, and gives you a more positive, effective remedy. It keeps perfectly, and tastes pleasant—children like it.

You can feel this take hold instantly, soothing and healing the membranes in all the air passages. It promptly loosens a dry, tight cough, and soon you will notice the phlegm thin out and disappear. A day's use will usually break up an ordinary throat or chest cold, and it is also splendid for bronchitis, croup, hoarseness, and bronchial asthma.

Pinex is a most valuable concentrated compound of genuine Norway pine extract, the most reliable remedy for throat and chest ailments. To avoid disappointment, ask your druggist for "2 1/2 ounces of Pinex" with directions and don't accept anything else. Guaranteed to give absolute satisfaction or money refunded. The Pinex Co., Ft. Wayne, Ind.

Skin roughness quickly relieved by Resinol

A little touch of Resinol Ointment after exposure to wind or sun—and that tense, drawn feeling of the skin will be promptly dispelled. That is because this pure ointment soothes while it heals. Try it once and you will understand why so many people recommend it.

Resinol Shaving Stick contains the same medication and it leaves the skin free from smarting or dryness. Both products sold by your druggist.
