Biggest Event on the Calendar

—The crisp new snowy goods and garments tell their own story of super-savings. Our readiness to take over large quantities of white goods from stressed manufacturers, has resulted in these astounding low prices, which will bring women hurrying to this sale of white.

—Manufacturers have sacrificed their fine stocks to the stores that were able to pay them spot cash for their products. Through such unusual opportunities The Paris got the lions share of the good things, and you too will reap the benefit of our strong buying facilities.
