Milliner-Furrier Recovers in Ten Days
 Mrs. W. C. Comer, 224 1/2 East Broadway, Long Beach, Calif., has a large millinery and fur business. While engaged in her store duties she became overworked and run down.
 Mrs. Comer declares that she was tired all of the time and very restless and that she was so nervous that she was afraid to be left alone at times. She says the doctors gave her several things to take all without bringing about any change in the betterment of her health. A friend who had tried Vinol for about the same thing, and was in a position to know of its merits, advised her to try a bottle. After using it ten days she reports that it is helping her greatly.
 Vinol is sold by Model Rx Pharmacy, Cascade Rx Pharmacy, Wheeler Drug Co., Great Falls Drug Co.
