Hargrove's

The Hat and Cap Shop of the Town. 314 Central Avenue.

Webs of spiders in New Guinea are sometimes six feet in diameter and are so strong that natives use them for fish nets.

McKibbin hats Advertisers may holler their heads off but you and I know when they can \$5 It's all anyone should pay.

STONE THE CLOTHIER

PHYSICAL TEST IN CITY SCHOOL DECLARED NEED

Great Falls System Only One in County Without Examinations, Women Are Told.

"The public schools of Great Falls, are the only schools in Cascade county that do not have physical examination and supervision," said Dr. Donald K. Woods, in speaking to the members of the Great Falls Women's club Monday afternoon on "How Physical Defects Affect the Mind."

"The rural schools, due to the county unit system, each year have physical examination and instruction for all children attending these schools," said Dr. Woods.

"This winter the worst epidemic of contagious diseases occurred in Great Falls since its history and while perhaps it was largely caused by the open winter there is no doubt but that a great many cases could have been prevented with the proper physical inspection of our public schools.

Debt to Children Exists. "We certainly owe anything that we can do to the children, not alone as parents but as individuals and as public citizens. Personally I am in favor of abandoning the quarantine and substituting in its place a moral quarantine, a moral awakening to the general needs of physical inspection in the schools. If a person doesn't morally want to keep the quarantine, he isn't going to be made keep it by merely placing a card of the home.

"A child is made or ruined in the first eight school years and the physical defects causing injury to his mentality in later years must be corrected when a child. The actual cost of loss of mentality and physical ability is more than the actual cost of correction.

I. W. W. of Low Mentality

"It has been found through careful study of human nature that the I. W. W. and the radical as a rule are of lower mentality than the average progressive, peace loving individual and that furthermore this type of person usually was backward in school and this backwardness was due to a physical defect which affected the mind in childhood.

"Our school system must also be changed, if the children are to get equal chances. Children should be grouped according to mentality and physical ability instead of by age as they are at the present time. Extra attention which must necessarily be given to backward children often retards the work of the entire class and thus affects the brighter children.

Exercise is a Need. "I believe that no home work should be given the children up to the seventh grade. There is a greater need for out-of-door exercise during this adolescent age in order to build up the physical body.

Compulsory education, such as we have, means compulsory disease. About 15 years ago the majority of the children lived in the country but during the last few years the tendency has been toward the city, so we find the greater numbers gathered in the cities with five out of the year, that the result is often sound minds and unsound bodies. Epidemics are scattered rapidly through the school room."

Physical Defects Charted. Charts showing in relative percentages how physical defects affect the child were shown and explained by Dr. Woods and with the exception of defective vision all physical defects affected the mentality of the children. These reports were average figures, compiled by the government. The reason advanced why defective vision in the greater number of cases affected

the bright children was because the bright children are usually hyper-sensitive, study harder and thus strain their eyes.

Mrs. C. A. Wilson was elected chairman of the Mothers' section at the business meeting prior to Dr. Wood's lecture. Mrs. E. E. Lytle was chosen vice chairman, Mrs. R. K. Holt, secretary, and Mrs. Scott Leavitt, program chairman for the next year.

Consolidation is Opposed. The Mothers' section opposed the consolidation with the Social Economic section for the next year's work and when a ballot was taken the motion was lost. Arrangements were made to secure two men speakers from bond houses to present opposite views on federal taxation of municipal bonds.

The program to be given by the club during Music week will be Monday afternoon, May 2, in the Edison recital hall, owing to the fact that the Margaret Babcock benefit recital will be given at the First Baptist church on Monday evening.

Tracy Will Attend Boxing Commission Meeting in Helena

Dan Tracy, Great Falls member of the Cascade county boxing commission, will attend the meeting of state boxing commissioners this (Tuesday) afternoon at Helena. Loy Molmby will be unable to attend because of business. The meeting has been called by W. A. Tremblay, vice president of the National Boxing association, to establish uniform rules for conducting sports in accord with referendum measure No. 14 under which boxing commissions are created.

STOCKMEN MOTOR TO HELENA MEET

Cattle Growers of Northern Montana Pass Through City to Convention.

Many stockmen en route from northern Montana to attend the annual state stockgrowers' convention, to be held in Helena Tuesday and Wednesday, passed through Great Falls Monday and motored to the southern city. A large number of Great Falls cattlemen left yesterday afternoon by train for Helena.

The convention will open Tuesday morning, when national speakers from all sections of the United States will address the delegates. An elaborate program has been arranged by the entertainment committee in Helena for the remainder of the meet with a bull sale to be held on Thursday, April 21.

THIRTY HEREFORDS TO BE AUCTIONED

First Sale of Purebred Stock of Year to Be Held in Pavilion Saturday.

The first sale of purebred cattle in the Montana livestock pavilion this year will be held Saturday by A. B. McVay, who will put up at auction 30 head of purebred yearling and two-year-old Hereford bulls. Sale was set by Mr. McVay for last Thursday at his ranch seven miles from Belt but bad weather and had roads prevented any buyers reaching there. The animals to be offered Saturday are said by experts to be some of the best bred stock in the state. Col. Harry C. Crane of Nez Perce, Idaho, will be auctioneer.

KALISPELL ENTERTAINS FIRST TOURISTS OF SEASON.

Special to The Tribune. Kalispell, April 18.—The first auto tourists of the season arrived here Friday. Mr. and Mrs. Ira Bush and three children, returning from California to their home at Tagns, N. D., stopped here to visit Mrs. Edith Suggen. They made the trip by automobile without accident.

BOXING ENTHUSIASTS ON EDGE FOR BOUTS ON HELENA'S CARD

Many Great Falls Fans Motor to State Capital to Take in Bouts This Evening.

Boxing enthusiasts will be on edge today awaiting the first tap of the gong at Helena this (Tuesday) evening which will initiate a card that is expected to bring out some of the best fighting seen in this state. Plans for a special train to carry Great Falls fans to Helena failed and many are planning to take the trip in automobiles.

Knitting Ortega of Oakland is a slight favorite over Al Sommers of Spokane in the main event. Both men are middleweights and the fight will be 15 rounds.

The 12 round semi-windup between Johnny Noye of St. Paul and Monk Fowler of New Orleans, lightweights, is expected to produce plenty of action. Despite the fact that Fowler won a decision in 15 rounds over Noye 7 months ago, the following are of the opinion that the tables will be turned. In past fights Noye has shown that he is a hard man to beat and is recognized by fans in his home town as being a willing fighter who carries the battle to his opponent at all times. Plenty of action is expected in the fight between Eddie Englehart, Billings, and Charley McCarthy, St. Paul, lightweights. McCarthy is noted for possessing a "wicked" left and Englehart may "hit the cushions" if he leaves himself open.

Good Mound Work Fast Fielding, Win for Cincinnati, 4-0

Chicago Beats Pittsburgh by Bunching Hits When Pirates Are Doing Ragged Work.

Cincinnati, April 18.—Good pitching by Luque and fine fielding of a sparkling character enabled Cincinnati to defeat St. Louis Monday, 4 to 0. May was put out of the game in the second for protesting a called ball, one run having been made off him. Pericia was wild.

Sisler and Jacobson Break Up Pitching Duel; St. Louis Wins

White Sox Defeated 3 to 2 When Three Bagger and Single Are Made.

St. Louis, April 18.—Sisler's triple and Jacobson's single in the eighth after two men were out broke up a pitching duel between Shooker and Kerr, and gave St. Louis a 3 to 2 victory in the opening game with Chicago Monday. Moser's home run following Shesley's single accounted for Chicago's tally.

RICKARD IS SILENT ON FIGHT LOCATION: JERSEY CITY LEADS

Reports That Both Newark and Atlantic City Are Temporarily in Background.

New York, April 18.—With Champion Jack Dempsey seeking a site for his training camp and Georges Carpentier scheduled to sail for this country May 4, local interest in the heavyweight title battle July 2 is concerning itself chiefly with the exact location of the arena to be erected "somewhere in New Jersey."

Promoter Tex Rickard refuses to state what site, if any, he has selected for his \$100,000 boxing amphitheater. Attempts to obtain confirmation of reports that a plot in Jersey City will be his final choice were met with the statement that he has not definitely decided upon any site and that an official announcement will be made as soon as negotiations are complete, probably within the next few days.

While Rickard refused to commit himself to any one locality, reports emanating from New Jersey indicated that both Atlantic City and Newark have been temporarily discarded in favor of Jersey City.

BIRTHS

A son was born to Mr. and Mrs. F. S. Schulz, 327 Seventh avenue north, at the Deaconess hospital, April 18. A daughter was born to Mr. and Mrs. G. A. Fulton, 2115 Seventh avenue north, at the Deaconess hospital, April 18. A son was born to Mr. and Mrs. C. D. Wood, 1109 Second avenue north, at the Deaconess hospital, April 18.

Synthetic leather and rubber is being made from yeast, glycerine, tar and water.

I HAVE WRITTEN

I have written about our bridges And our theater so grand And about our stock pavilion Of our parks on every hand I've boosted all our tradesmen And our worthy firemen, too, I boosted union labels And the unions thru and thru.

I wrote on peace and politics And lammed the proficier I've written lured tales of war In distant land and near Three thousand topics now all told I've written on in verse To furnish you amusement And to open up your purse.

MIKEHASIT

STATE COLLEGE STUDENTS PLAN TENNIS TOURNAMENT

Bozeman, April 18.—A tennis tournament for students at Montana state college will be held in Bozeman this spring on dates to be announced later. Coach Graves has found that there are among the college athletes some tennis players of unusual ability. Play will be held in both singles and doubles. "Bobby" Jones of Billings and Frank Beckley of Chicago are prominent student tennis players and there are others of about the same playing ability. The cement tennis courts south of Montana Hall are being improved and put into shape for spring play.
