THREE NAMED AS SLATED FOR POLICE BOARD

George, Abrams and Lloyd Reported on List for Appointment by Mayor.

According to reports which grew out of last Saturday's meeting of Mayor-elect Ray Armour and the aldermen who will have seats in the city council after May 2, the new administration's police commission will be composed of W. H. George, J. H. Abrams, and Jack Lloyd. The appointments were agreed upon, it is understood, as a part of the slate of appointees for all positions becoming vacant with the retirement of Mayor Louis Newman's administration. The whole slate is reported to be as follows: City attorney, Charles Davidson; city clerk, W. H. Harrison; city engineer, M. L. Ingers; building inspector, Alex Mowbray; sanitary officer, William Shea; boulevard superintendent, Charles Landgren; water registrar, George Robinson; Frank McDonnell; poundmaster, Mack Johnson; fireman street department, J. P. Nelson; street foreman water works, August Bergstrom; weighmaster, W. P. Beachley. Five Will Retain Places.

The personnel of the health and library boards was not decided at this meeting, but it is expected that Mr. Armour will Monday night nominate the men he has selected for these positions. H. A. Templeton is said to be a probable appointee on the library board. The one appointment not definitely decided was that of water registrar and it is understood that Frank McDonnell has the edge over George Robinson for this office. It is rumored that Mr. Robinson was Mr. Armour's choice, and his name will go first before the council, but that if the council does not confirm, the position will go to Mr. McDonnell.

Of the entire slate of appointees, five are men who will be retained in the positions they now occupy. These are City Clerk W. H. Harrison, Sanitary Officer William Shea, Poundmaster Mack Johnson, Street Foreman J. P. Nelson and Water Foreman August Bergstrom. The successor of Dr. A. Dolan, secretary of the joint board of health, has not been selected. Mr. Dolan will probably continue in office for several weeks. Several applicants for the position withdrew when they learned that they would be required to devote all their time to the work, but since then five candidates have filed who express their willingness to comply with the requirements.

Police Judge Not Picked. The vacancy in the office of police magistrate caused by the death of the late John T. Earl was not discussed at the meeting. The magistrate will be elected from the floor of the council and Mr. Armour has not interested himself in the candidacy of the 20 or more men who have entered the race. Of the entire field three candidates are said to have acquired sufficient strength to eliminate the other competitors. The general opinion now is that the Republican candidate, George Raban, incumbent, and defeated by Mr. Earl at the general election, and W. H. Stearns.

The four Democratic aldermen are said to have agreed upon F. P. Marshall, deputy clerk of the district court. Some of the Democratic aldermen have stated that their party emerged from the conference with Mr. Armour with but few victories and that they will try and square accounts by electing their candidate for magistrate.

HOLDS BALL AGENT FOR CHARLES BERG

Jury Decides Point Against Berg in Suit to Recover on \$1600 Mortgage.

In special findings returned by a district court jury Friday in the case of Charles Berg against Carrie M. Webber it was held that E. J. Ball, former Great Falls real estate man, was the agent of the plaintiff on September 26, 1917, when Mrs. Webber claimed to have paid Ball \$1600 to satisfy a mortgage held by Berg. Mrs. Webber was given a satisfaction by Ball and Berg claimed that it was a forgery and sued Mrs. Webber to recover the original debt. Final adjudication of the case rests with Judge H. H. Ewing, the jury having been required only to determine whether Ball was Berg's agent. Berg has asserted that he received from Ball the interest on the mortgage for a considerable period after September 26, 1917, and that he investigated and learned of the alleged irregularity in the satisfaction only when a check given him by Ball was returned for lack of funds. A warrant was issued for Ball's arrest, but he left the city and has not since been located. It is reported that he is now in Mexico. Berg was represented by Freeman, Thelen & Frary and the defendant by Fray & Callaway.

Two Damage Actions Against Great Falls Dismissed in Court

Damage cases brought against the city of Great Falls in 1918 and 1919 by Mrs. James Keith and Hazel Goforth to recover for personal injuries have been dismissed in district court through action taken by City Attorney LaRue Smith. Mrs. Keith asked \$5,800 for injuries received when she slipped over a high plank in a sidewalk and stepped into a hole, which she alleged, had been left open through the city's negligence. The plaintiff does not now live in Great Falls and the case was dismissed for want of prosecution.

Hazel Goforth asked \$2,700 for injuries received in 1918 at Tenth street and First avenue north, where her automobile collided with another machine because the view was allegedly obstructed by materials placed in the street by Contractor George B. Calvert. Mr. Calvert was named joint defendant, but counsel said that neither he nor the city paid any portion of the amount claimed by the plaintiff.
