

Celebrating Old-Timer's Week at The Paris

With Old-Time Values; Old-Time Quality; Old-Time Service and Old-Time Activity

During the baby celebration last week it occurred to us that many of our oldest and best customers today were regularly outfitted as babies at The Paris years ago and this Old-timers' Week is the result. The invitation to attend is issued with the idea of a reunion. The last month was devoted to new customers but we want the old patrons to know that they have not been forgotten.

We desire to meet again those who have traded here for years and the many who were patrons of this store when it opened twenty-six years ago. While extra special values have been prepared in all departments, we want you to feel welcome to visit The Paris as a guest and to enjoy the privileges that this store affords.
