CARPENTIER TELLS OF 20 FRANC BOUT ONLY 12 YEARS AGO

Day is One of Reminiscences at French Champion's Training Camp.

Manhasset, N. Y., May 25.—It was a day of reminiscences rather than of work at Georges Carpentier's camp.

While going through a half hour's work in the gymnasium, Carpentier recalled to McVey and Descamps a night in Paris in 1909, when Georges was making his debut as a lightweight.

Carpentier won from his opponent, Gloria, in seven rounds, and Descamps won a 10-round bout. Carpentier received 20 francs, Descamps got 40 and McVey, 16.

Victims Shadow Boxer. In his workout the challenger was more impressive than on Monday.

"I shall face Jack Dempsey confident that he is the strongest, the fiercest man against whom I have dared to put on gloves," declared the challenger.

"There is joy in the prospect of meeting such a man. I will go into the ring with the odds against me. Undoubtedly Dempsey will be the favorite, not because of sentiment or prejudice, or blind partisanship, but because his great strength is at once obvious and unquestionable."

It is possible that in a trial of sheer, or what you say brute strength, he would prove to be my superior but I hold that while power, the ability to hit with almost abnormal force, is a primary qualification, fighting science is also of the first importance.

Wireless Amateurs Get Chance to Hear Music This Evening

A concert demonstration of the wireless telephone will be carried on by W. B. Wiley, district forest inspector of the Jefferson and Lewis and Clark national forests and other members of the forest service Friday evening at 7:30 for the amateur radio men in Great Falls.

By the use of the wireless telephone Mr. Wiley will issue instructions how to report forest fires to the boys who have wireless sets in Great Falls.

These operators are to listen to Mr. Wiley through their wireless apparatus. One of the many important things which Mr. Wiley will instruct them in is how to report messages that they may pick up during the coming summer from the forest airplane patrol, to the forest service.

An airplane patrol will be used this summer in this district to protect the forests from fire, and discoveries made by the airplane patrols may at any time be picked up by the amateur operators.

DEMPESEY LAYS OFF TRAINING BECAUSE OF HEAVY RAINFALL

Cheered by Arrival of White English Bull Pup, Gift of Spokane Admirer.

Atlantic City, N. J., May 25.—A heavy rain that drenched Dempsey's training quarters caused the heavy-weight champion to suspend all training activities Wednesday.

Dempsey was forced to remain indoors until noon when the rain abated giving him opportunity to come out for a breath of air. Later in the day Dempsey was cheered by the arrival of a pure English bull pup, sent by an admirer in Spokane.

"We request you to put one slug on Carpentier for us and more if necessary," the note concluded. Ten names were signed to it.

Jack Kearns, manager of Dempsey has eradicated the color line. Kearns said that if the champion eliminates Georges Carpentier July 2, all barriers will be let down.

No Special Rates. Kearns made this announcement when asked whether Kid Norfolk had been refused advances to come here as a sparring partner.

Kearns said that all reports that he had made "special rates" to Norfolk are unfounded.

"Dempsey is a free for all champion," Kearns said. "He has the ambition to be pronounced the greatest heavyweight of all times. I believe that consideration is coming to him. I think that on July 2 he will make the verdict unanimous."
