BLIND EX-FIGHTER SEES SURE VICTORY FOR JACK DEMPSEY

Jimmy Quinn Watches Champion With His Ears and Fixes Limit at Four Rounds.

Atlantic City, N. J., May 27.—Through the eyes of Captain Bob Roper, Chicago heavyweight, "Blind" Jimmy Quinn, of Philadelphia, a noted heavyweight 20 years ago, "watched" Jack Dempsey go through his training process at the champion's open air arena Friday. With the former army captain at his side, Quinn sat at the edge of the ring, while Roper explained every move that the champion made. Half of the time Quinn seemed to know without being told, as he said he could tell by the rush of the champion's gloves whether the blows landed. Although totally blind, "Blind" Quinn's humor is unflagging, and he enjoyed the workout as much as any of the 800 spectators. "If the observations of a blind man will do you any good, I predict that Dempsey will win inside of four rounds," he said. Quinn, who is 41 years old, lost his sight 20 years ago as the result of an infected eye received in a ring contest. Dempsey eased off in his training Friday, contenting himself with some pulley exercises, shadow boxing, four rounds of boxing, and a few minutes burlesque wrestling with Bull Montana. Jack Nennault and Leo Houck, who returned to camp this morning, were Dempsey's sparring partners. Each boxed two rounds in rotation.

Rails Baseball Team Wins 2 Games of Week in Harlowton League

Special to The Tribune. Harlowton, May 27.—The rails ran off with the lion's share this week in the Harlowton Baseball League, winning both of the two games played. They vanquished the Solbustlers last Friday by a score of 11 to 7, owing to a little hard luck on the part of the latter, whose pitcher was struck by a pitched ball, forcing the farmers to substitute Harold Meyer, a high school student. Gravetti distinguished himself at the bat. The following Tuesday the Rails won over the Legion by a score of 15 to 11. Everling started in the pitcher's box. The next two games will be played on May 27 between the Solbustlers and the Business and Professional Men, and on June 3 between the Rails and Business and Professional Men.

CARPENTIER FEELS SHIP SHAPE AFTER DAY OF HARD WORK

Does 10 Miles on Road and Boxes Three Rounds; Will See Gibbons-Bartfield Fight.

Manhasset, N. Y., May 27.—After doing 10 miles of road work, boxing three fast rounds and spending 35 minutes in his gymnasium Friday, Georges Carpentier said: "I feel fit, like a battleship." Early Friday morning Georges, accompanied by "Italian Joe" Gans, spent more than two hours on the road. They ran a greater part of the time, their path leading through a deep wood several miles from the camp. After a short siesta, Georges entertained a number of friends at a luncheon and slept until 3 o'clock. Fifteen minutes later he appeared in the outdoor ring behind the gymnasium. Gans, a tough 155-pound man, gave the challenger plenty of work and Georges liked it. "This is great," Carpentier said. "The Frenchman was quick and foxy. He feinted Gans into numerous knock-out positions and smiled as he missed purposely. They spent the first round in fighting and the other open. Carpentier weighed 171½ pounds at the close of work, as compared to 172½ pounds last Monday.

New York, May 27.—Georges Carpentier will leave his secluded training quarters at Manhasset, Long Island, next Monday, long enough to witness the Mike Gibbons-Bartfield and Tom Gibbons-Clifford bouts at Ebbets field, Brooklyn. GOLF SCORE CARDS READY FOR PLAY ON MEADOW LARK LINKS

Course Is 3408 Yards; Longest Hole Is 478; Par Is 34 and Bogey 38.

Players at the Meadow Lark Country Club will have their first opportunity of using score cards to keep the records. The formal opening of the club is to be held today (Saturday) and the cards will be issued for the first time. In the past players have kept count of their strokes either in their heads or on pieces of paper improvised for the occasion. The cards are arranged with the yardage of each hole as well as the bogey and par for each hole separately. This will afford the players an opportunity of comparing their scores with bogey and par. In addition to this the ground rules are given for the holes on which it is possible to shoot out of bounds. On the fifth hole a ball driven over the fence to the right is out of bounds and the player is compelled to drive another ball from the tee losing both a stroke and the distance. The same rule is applicable to the river on the sixth. Course is 3,048 Yards. The total length of the course is 3,048 yards and the longest hole is the third, which covers 478 yards and has both a par and bogey of five. The fourth and eighth holes are about the same, the former being 192 yards in length and the eighth 200. Each has a bogey and par of 3. The shortest hole on the course is the second, which is a short mashie shot and is 106 yards in length. Its bogey and par is likewise three. The first, third, sixth, seventh and ninth holes are over 400 yards in length. Each has a bogey of five and a par of four with the exception of the third. The fifth hole is 364 yards in length and has a bogey and a par of four. The bogey for the nine hole is 38 and the par 34. Artificial hazards have not been necessary on the Meadow Lark links as natural hazards make it a "sporty" course. The row of green trees and ridge of earth halfway down the first fairway compels the player to get above the trees, his wooden shot if he is to approach par. The second hole has a sand pit and bunker in the slope in front of the hole and a group of mounds about the green. The long third hole has artificial hazards in the sand trap, sand pit and mound to penalize a short drive. No more artificial hazards are encountered until the seventh hole, which has a ditch to penalize an over-run.

AMERICAN GOLFERS ARE ALL ELIMINATED IN BRITISH MATCH

English Amateur Wins Championship in Tournament at Hoylake Course. Hoy Lake, England, May 27.—(By the Associated Press.)—W. S. Hunter of the Walmor and Kingsford Golf club, the champion amateur golfer of Great Britain, Friday in the final of the championship tournament played over the Hoy Lake course, Hunter defeated Allan Graham of the Royal Liverpool club, 12 up and 11 to play, in a 36-hole contest.

Of the 13 Americans who started in the tournament, F. J. Wright of Boston, the last survivor, was eliminated Thursday. Graham, in his play of Friday, was badly out of form. In continuation of this, however, it was said that he had received word that his father had suddenly been stricken and was critically ill and not expected to survive. It was learned that he competed in the final mainly to keep faith with his aged father, whose desire was that his son play through the tournament. The margin by which Hunter was victorious constitutes a record for the amateur championship of Great Britain.

At the presentation of prizes for the tournament Friday afternoon, the announcement was made that it was probable a team of British amateurs would be sent to the United States next year for a return match. It is learned authoritatively that none of the Americans who competed at Hoy Lake, except possibly Charles Evans, Jr., the American champion, who started today for Paris by airplane, will take part in the French championships at Chantilly.
