

When the Doors Open at "LIEDHOLM'S \$10,000 Money Raising Sale"

This morning at 9 o'clock every article of our \$50,000 new fall stock will be sold at lower prices than before the Kaiser started on his historical march on Paris. Every item has been marked to sell at prices unheard of even before the Great World War—1914 values have been shattered in every department in this store.
