Pitching Duel Hoyt's Victory From Every Angle Over Rival Nehf

New York, Oct. 7.—Analysis of Thursday's pitching duel in the second world's series game shows that Waite Hoyt, the former Brooklyn schoolboy, had the better of his older opponent, Arthur Nehf, in every angle of the game.

Hoyt delivered the ball 118 times to the Giants' batters in nine innings, an average of a trifle more than 13 deliveries per inning. He sent up 44 balls, 32 strikes, 16 foul strikes and four fouls. Nineteen deliveries resulted in infield out and two were outfield outs. Two were hits. Hoyt struck out five and gave five bases on balls.

FALLS TEAM MEETS BENTON TODAY ON EARLING GROUNDS

Visitors Stronger Squad Than Locals Meet in Game of Last Saturday.

The second football game on the Great Falls high school schedule will be played today (Saturday) afternoon at Earing park with Fort Benton. The contest is listed as one of the preliminary games, but some good football is expected. The Benton squad averages 155 pounds a man, which is near the Great Falls figure, has a lot of speed and ranks considerably above the Choteau team in all departments.

Benton Team Is Good. Great Falls opened the season one week ago with a game with Choteau on the local grounds and made what will probably stand as a season's record by running up a count of 122 and denying a single point to the visitors. The locals will go into the Benton game wholly confident of winning, but it is anticipated that there will be action for someone besides the score keeper.

The Fort Benton string has only two of its 1920 players, but the gaps left by graduates have been filled by new men whom the Benton coach believes will keep the team's work up to the old standard. Improvement in speed and scrambling during the last week has been noted by observers of the Great Falls team as a result of the work of old players who are assisting Coach Crouch.

Will Start Former Line-Up. It was expected Friday that Coach Crouch will start the line-up of last week against Fort Benton and the placing of substitutes will depend on strength shown by the visitors. During the Choteau game the coach used 24 men in trying out the caliber of his charges.

The game will start at 2:30 o'clock and the probable line-ups will be: Great Falls: Fort Benton: Bryant L. E. R. Morger Baier L. T. R. Harris Cuddihy L. G. R. Tope Thisted C. Schoonover Shaw R. G. L. Allen Peterson (capt) R. T. L. Ralph Chl Gosner R. E. L. McLeish (capt) Leverich Q. Murray Bross R. H. L. Ray Chl Winner L. H. R. Morris Morris F. B. Johnson

New Field Graded. The new football field across Central avenue from the Central high school has been graded and can be used when a fence and bleachers are built. It is not expected that construction will be begun this fall. The new field will occupy an entire block with the exception of a 50 foot strip at one end.

Lexington, Ky., Oct. 7.—Sanardo, Franklin H. The unfinished 2:10 pace, in which Uriko and Roker C. each won a heat on Thursday, went to Uriko.

Mathewson Wired Pep to Giants From Lake Where He Fights T. B.

Saranac Lake, N. Y., Oct. 7.—Christy Mathewson was elated over the Giants' victory Friday. The former baseball star, who assisted his former teammates several times in winning the National league championship and who is here making a fight against tuberculosis, said that just before Friday's game he sent the following telegram to Manager McGraw:

Mathewson said that the sensational manner in which the National league players came from behind a four-run lead would put pep into them and start them hitting.

GREAT FALLS BOYS MATCHED TO FIGHT ON CARD AT HAVRE

LaDuc Brothers Will Meet Peltiche and Colebrook Before November 1.

The services of Frankie LaDuc and Cy LaDuc, Great Falls lightweights, are sought by Eddie White, Havre promoter, for a date in October. It is the plan of the Havre matchmaker to use one of the brothers against Gordon Colebrook, Havre lightweight, and the other against Charlie Peltiche, St. Paul phantom middleweight, for an appearance at the Havre Orpheum.

The Havre promoter has not abandoned the idea of getting Mike Gibbons, St. Paul phantom middleweight, for an appearance at the Orpheum. Gibbons is booked to fight Happy Littleton of New Orleans at New Orleans late in October and is in line for a couple of fights prior to that time, one with Mike O'Dowd, St. Paul middleweight, at Wichita, Kan. Mike Collins, Gibbons' manager, has assured White that the date will be made after the New Orleans fight.

Hoyt Avenged Slight of Being Cast Off by Giants, in His Shutout

McGraw Didn't Realize What a Wonder He Was Rejecting When He Contemptuously Released School Boy to Minors; Baltimore Sensation.

New York, Oct. 7.—Waite Hoyt, youthful pitching ace of the second world's series game, was happy today in the realization of a secret ambition—to beat the club that turned him loose on his first venture into the big leagues.

A mere school boy, just out of Erasmus Hall high school, Brooklyn, in 1910, Hoyt was signed by Manager McGraw of the Giants but was quickly released to the minors.

Meusel Served Notice on Giant Pitcher He Would Steal for Home

New York, Oct. 7.—Bob Meusel tipped off everybody—including the Giants—that he was going to steal home in the eighth inning Thursday. Meusel and Catcher Smith had a little altercation when the former went to bat and Meusel ended by telling Smith to "watch for me when I get around to third."

After hitting safely and being advanced to third, Meusel decided to make the threat good. "I told Foster, (coaching at third) to tell them that I was coming in," Meusel said. The coach wiggled to the Yankee bench and even ran up to whisper something in the ear of Ward at bat. Then, having imparted all this information, Meusel tore home as Nehf wound up for the pitch. Smith muffed the throw—a passed ball. But the stolen base counted and so did the score.

Ruth Tires of Picture Taking; Offers Mit for Object of 101st

New York, Oct. 7.—Babe Ruth has some ideas of his own about what is news.

The most "snapped" man of the series, though enough pictures of him had been taken Thursday when he was asked to pose for the 101st time during the day.

"Here, why not take a picture of my glove instead," said the home run king. It was a new idea for the photographer and he complied.

Mays and Hoyt, the two winning Yankee pitchers, are tied for first place in their club's batting average. Each has one hit to his credit for an average of .333.

Fifty-five baseballs were used in the second game. Out of five dozen brand new ones, furnished by the Yankees, as it was their day "at home," the umpires saved five to use in early batting practice Friday. The balls for Friday's game were furnished by the Giants.

Giants Dumbfounded by Base Stealing of Yankees; Told Didn't

New York, Oct. 7.—(By The Associated Press.)—All of us have been in the batting slump," said the curly "Babe" Ruth in the clubhouse, where he was assiduously sandpapering his war club. "I understand Mr. McGraw has given orders to his pitchers to work the corners of the plate and that if they walk me it is all right, but they are not to throw any balls in the grooves. If they pass me to first, how do they figure to stop me from stealing bases?"

The Giants are dumbfounded at the work of the American leaguers on the base paths, for they had been told the Yankees never did any pilfering but waited to be hit around.

"If I weren't so busy trying to get a hit," said Pep Young, the Giants' gardener, "I'd go out and hunt for that bird that spilled goose eggs for the Yankees."

BIG TEAMS OF WEST FACE EACH OTHER IN GRIM GRID BATTLES

Minnesota Dark-Horses to Reveal Mettle to Northwest; Iowa on Test.

Chicago, Oct. 7.—The western conference football eleven will face the strongest opposition thus far this season when four teams will meet each other in contests affecting the championship, and others will complete their tuning up for titular battles by tackling non-conference aggregations which are expected to furnish strenuous competition.

Minnesota university's eleven will meet its first test in the game at Minneapolis with Northwestern. This contest is expected definitely to determine just what chances the Gophers, looked on as the dark-horse team of the conference race, will have in the battle for the big ten title.

The other conference game will find Chicago facing Purdue at Stagg field here in a game which should give strong indications of whether the Maroons are going to be a real factor in midwestern football this year.

Iowa university's eleven, another team of unknown strength but possibly of considerable ability, will tackle Notre Dame, always a great team, at Iowa City, in the most important of the non-conference games.

Illinois goes into its first game of the season, meeting South Dakota university at Urbana, Ill.

Michigan and Wisconsin, believed to be unusually strong this year, will meet Case at Ann Arbor, Michigan, and South Dakota State at Madison, Wis., respectively.

Ohio State, 1920 champions, face Oberlin at Columbus.
